BOUND FOR NEW SPOT, PURPOSE

Doomed because of plans for a parking lot, a 30-foot Douglas fir was uprooted today at 714 Mission Avenue, San Rafael, for shipment to the Marin Civic Center, where it may serve as the county's Christmas tree. Transplant operation was begun by the Marin Municipal Water District, Ghilotti Brothers, San Rafael contractors, and Hamilton Air Force Base personnel, using $163 in county funds and labor. Mino Schenone, water district employee, operated the back hoe.

WEATHER BREAK SEEN FOR MARIN

Snow Again This Morning Atop Mount Tam; Hail, Rain Showers Elsewhere In County

There was snow on Mount Tamalpais again this morning.

Hail and rain showers pelted Marin intermittently during the morning.

But the Weather Bureau had cheering news. The chance of more rain tonight is 30 per cent, with thunderstorms possible, the bureau said, but tomorrow it is only 10 per cent. That's a 90 per cent chance of sunshine.

For the second consecutive night, snow fell on Mount Tamalpais as temperatures continue five to 10 degrees below normal. It melted rapidly this morning.

Elsewhere in Marin, light to medium rainfall was reported yesterday.

In the Sierra, snow was still falling today as a low pressure system that caused the Bay Area's persistent stormy weather moved into Nevada.

San Rafael had .31 of an inch of rain for a 24-hour period to noon today. For a 24-hour period ending at 8 a.m., Ross reported the county's highest total, .35 of an inch, with Terra Linda recording the low, .20.

Throughout the county, rainfall for the year starting July 1 had neared or reached record figures yesterday.

Some readings for the season were: Manor Hill, estimated near 70 inches; Ross, 66.53; Woodacre, 57.23; San Anselmo, 55; San Rafael, 54.83; Larkspur (Chevy Chase), 51.76; Civic Center, 50.25; Tamalpais Valley, 44.92; Mill Valley, 44.92; Point Reyes Station, 42; Terra Linda, 41.83; Sausalito, 38.93; Novato, 35.53, and Bolinas, 35.48.

German Re-builder Adenauer, 91, Dies

COMBINED AP & UPI

BONN — Former Chancellor Konrad Adenauer of West Germany died peacefully in his sleep today, plunging into mourning the nation he rebuilt into a world power from the Nazi ruins and degradation of **World War II. He was 91.**

The iron willed chancellor who ruled from 1949 to 1963, was struck by a grippe-like infection and bronchitis a week ago Friday. His condition deteriorated steadily and he died at his hillside home in Rhoendorf, a Rhine river village four miles from Bonn.

A medical bulletin said he "died peacefully" at 1:21 p.m. (7:21 a.m. EST). His seven children were at his bedside.

President Lyndon B. Johnson will fly to West Germany to attend Adenauer's funeral, which will be held in Cologne Cathedral Tuesday afternoon. Many other heads of state also are expected to attend.

From the White House, Johnson said today that Americans will never forget Adenauer's "lifelong opposition to tyrrany in any form."

The bells of West Germany's churches sounded a knell when his death was announced and President Heinrich Luebke ordered a state funeral for "Der Alte"—the old one—who ruled longer than any chancellor since Otto von Bismarck.

Adenauer will be buried in a family plot in Rhoendorf, beside his two wives and his mother and father.

Adenauer was respected and consulted by all of the Western world leaders, even after his retirement in 1963. He commanded the attention of the Communists and his passing was reported by the Soviet news agency Tass without comment moments after his death.

As the architect of postwar West German policy the Russians had blamed him more than any other European statesman for opposing Soviet policy in Europe. He was

A Minority Decides School Board Races

Only Four Incumbents Lose Races

The minority ruled yesterday as a small turnout of Marin voters elected 47 members of 22 district school boards and the county board of education.

No exact figure on the percentage of registered voters casting ballots was available today, but it was below 30 per cent countywide.

In most cases, incumbents won handily. In several districts, they were unopposed.

Four incumbents, however, were defeated for re-election: Arthur E. Carpenter in Bolinas-Stinson District, William G. McBride in Lagunitas, Marilyn C. Steinau in Reed, and Agnes Terribilini in Laguna.

FOUR DEFEATED

Two former trustees were returned to office in the districts where they had earlier served and been replaced: Leo Souza in Reed District and Jane Phillips in Bolinas-Stinson.

In one of the most hotly contested races, David D. Ring, Tiburon attorney, lost his bid to unseat either Dr. John C. Siemens or Bette Wallace from the Tamalpais High School District Board.

NOVATO TEACHER

There will still be a Novato teacher on the Marin Junior College District Board as a result of yesterday's election. Joseph Garguilo, vice principal of Novato High School, did not seek re-election to the college board. But his place was won by Harry J. Moore, dean of students at the same school, who was the first candidate to announce for the college board.

Moore ran fourth, nosing out Francis J. Carr, Sausalito accounutant and tax consultant, to win election along with three incumbents: Elizabeth M. Deedy, Robert E. Rogers, and Thomas J. Skornia.

One position remained in doubt today.

In Fairfax School District, with two to be elected, Priscilla C. Gray won office with 306 votes. The unofficial count showed Leonard A. Weiss with 297 and Jane S. Durr with 296, making the second position uncertain until the official canvass.

With a large field of candidates in Novato Unified District, shoe merchant Irving D. Chapman J.r. proved the best vote-getter among those not

Reagan Aide Claims LBJ Nod On Parks

SACRAMENTO (AP) — The Johnson administration has agreed in principle to all the conditions Gov. Reagan has attached to creation of a redwoods nation park, a Reagan aide said today.

Paul Beck, Reagan's assistant press secretary, reported on a meeting between Reagan administration officials and representatives of President Johnson in Washington yesterday.

Reagan's key stipulation is that the federal government give the state lands, useable for recreation, in exchange for the state redwood areas that would be included in the national park.

"The Johnson administration has agreed this is a proper and suitable approach," Beck said.

However, several Democratic members of the Senate Interior Committee, which heard Reagan's proposals the previous day, reacted with surprise — saying such a land exchange would be unprecedented.

Reagan recognized that the national park should include the present Jedediah Smith and Del Norte redwood state parks as well as some private lands, pre-

Terrorist Acts Still Key Cong Objective

SAIGON—A young Vietnamese leans his bicycle against a telephone pole near a tennis court in Saigon where several American servicemen are paying. He walks away and an explosive inside the bicycle detonates, injuring a U.S. officer and two Vietnamese children.

The Viet Cong shell a polling place in a primary school at Long Thoi hamlet. They abduct 12 village council candidates from Vinh Tho village.

All these are examples of the terrorism which is a major part of the Communist war to take over South Vietnam. U.S. officials report a slight increase in such Red activity in the past few months, with much of it designed to intimidate voters in the village and hamlet elections now being held every weekend.

Six candidates have been killed and 30 have been kidnaped. Since March 12, authorities have reported 33 terrorist incidents related to the balloting.

According to South Vietnamese government records, the Viet Cong have carried out an average of 22,000 terrorist acts a year during the past several years.

Terrorism serves several purposes in the Viet Cong's campaign to subvert the Saigon government and weaken its ability to resist Viet Cong military attacks.

The South Vietnamese and Americans have conducted counterterrorist activities for about five years.

In another development Premier Nguyen Cao Ky today dramatically offered Communist defectors life, liberty, the pursuit of happiness and even society status.

And in Washington, Dr. John Foster, the Pentagon's research chief, acknowledges the North Vietnam's MIG jet fighters and anti-aircraft missiles have cut down the effectiveness of U.S. bombing attacks.

His statements were buried in a 13-4 page outline of defense research submitted to a House Armed Services subcommittee two days ago.

Foster's statements tend to follow a different tack than those of Secretary of Defense Robert

Novato, Dixie Tallies Tardy

County-wide results of Marin's school elections were delayed until today because Novato School District did not report its voting to the county schools office, and three polling places in Dixie District failed to report last night.

Novato precincts reported to the district office, and it locked up for the night without reporting to the county schools office, said Asst. County Supt. Robert I. Stannard, who was in charge of the election.

Also, the Novato district office had not yet today totalled the vote for Edith I. Kanoff, unopposed for re-election to the county board of education from Trustee Area 1, which is the Novato district.

The lack of returns from Novato left decision on whether Harry J. Moore or Francis J. Carr was elected to the Marin Junior College District Board in doubt until this morning.

Mill Valley's Sewer Bond Re-try Wins

Mill Valley's $500,000 sewer bond measure yesterday passed overwhelmingly with 75.9 per cent of the vote.

Vote on the measure was 1,894 yes, 600 no.

The measure, which required a two-thirds favorable vote, lost narrowly in November. An 80 per cent favorable vote yesterday had been predicted by City Mgr. Bert A. Balmer.

The bond issue will finance replacement and repair of rotted sewer mains, construction of new mains, new equipment for the sewer treatment plant and relocation of the outfall line from the small craft harbor to a point further south in Richardson Bay.

The State Water Quality Control Board had advised the city that its sewer system must be brought up to state standards.

The bonds, to be retired over a 20-year period, will add up to 12 cents to the tax rate, Balmer said. If it had failed, the work would have been financed on a pay-as-you-go basis, which would have added about 32 cents to the tax rate for the next five years.

Willie Mays Is Poor Vote Puller

There were the usual variety of write-in votes in yesterday's school board elections, but Ross voters showed the greatest imigination, casting ballots for Willie Mays, Red Riding Hood and Mickey Mouse.

They weren't really throwing away their vote because they were cast in the uncontested race for Marin County Board of Education seat representing the Kentfield, Larkspur, Reed and Ross school districts.

Incumbent James A. Carrol of Ross got 2,937 times as many votes as Willie Mays, which isn't bad during the baseball season.

Voters Pass Dixie Bonds

Voters in the Dixie School District yesterday approved a $1.5 million bond issue to finance school construction throught 1971.

The vote was 1,477 "yes" to 330 "no" in a light turnout. Only 29 per cent of the registered voters cast ballots.

Voters last approved construction bonds in 1963 when a $1.6 million bond issue was voted, and all but $300,000 of those bonds have been sold, according to Dist. Supt. Dennie B. Willis.

Trustees expect enrollment now at 4,454 to reach 5,000 by 1971, creating a need for additional classrooms.

Voters in the Tomales Bay School District defeated a bond leveling proposal 75 to 48. The proposal was to level the bonded debt totaling $75,000 among former districts now merged in the Tomales Bay district.

Governor Sends Aide To Chile

SACRAMENTO (AP) — Gov. Ronald Reagan today sent one of his top aides to Chile to investigate the California - Chile technical aid program.

The governor had previously fired the California director of the program and his assistant — both appointees of former Democratic Gov. Edmund G. Brown.

The plan, financed by federal funds, sends California officials to the South American nation to provide technical advice.

Reagan sent William Clark, his cabinet secretary, to Chile to take a "first hand look" at the program and to talk to federal officials there.

40 Fair Housing Marchers Seized

LOUISVILLE, Ky. (AP) — About 150 open housing advocates attempted to march in defiance of a court order again last night but their demonstration was marked by frequent arrests and the use of tear gas to disperse a jeering, cursing crowd of 600 hecklers.

Police Chief William Dindner clamped down on the open housing supporters immediately after they assembled in the city's all- white South End.

Within two minutes, the chief arrested Rev. A. D. Williams King, brother of Dr. Martin Luther King, for parading without a permit. He was released on bail. The marchers, most of them in the early 20s and clad in topcoats in the chilly air, sat on a sidewalk and refused to move.

Police kept hecklers at bay. When the crowd became unruly, 12 canisters of tear gas were fired. The crowd moved several blocks downwind and was kept there.

About 40 demonstrators and 10 hecklers were arrested, one of the latter for shooting cherry bombs into the demonstrators with a sling shot.

Two marchers were injured.

Heavyweight boxing champion Cassius Clay was an unexpected speaker at an earlier rally of housing supporters. He said he was upset to hear about a pregnant girl being hit by a rock thrown by a white heckler during an earlier demonstration.

"While I am sympathetic to the open housing cause here," Clay said, "I hate to see so many women having to confront the enemy."

He added, "We will never be respected as a people until we respect our women."

During the meeting, Rev. W.J. Hodge, a leader in the National Association for Advancement of Colored People, said his group urged full-scale boycott of all downtown stores to apply pressure on the city's aldermen to pass an open housing ordinance. The board rejected such a law last week.

After police whisked off the march leaders, Dindner said he would arrest anyone who attempted to march. Eventually two trucks were located by ministers and the group was returned to Churchill Downs, where they picked up their cars and drove to the police station to protest the arrest of their fellow marchers.

Blackout In North Beach Last Night

Pacific Gas and Electric Co. blamed it on a faulty regulator in a substation at Commercial street and Leisdesdorffer alley.

China's Foreign Minister Under Red Guard Attack

HONG KONG (UPI) —A Hong Kong newspaper today said Peking's Red Guards have called Chinese Foreign Minister Chen Yi a "stubborn anti-revolutionary revisionist" and demanded his dismissal.

It was the most vindictive outburst against Chen since Premier Chou En-lai rallied to his defense following earlier Red Guard denouncements.

The independent Ming Pao said hundreds of the militant youths staged a sit-down strike Monday in front of the foreign ministry.

It said they plastered the walls with posters, slogans and cartoons attacking Chen as a "stubborn anti-revolutionary revisionist who faithfully and doggedly followed the liu-teng line during the cultural revolution."

The newspaper said the Red Guards repeatedly shouted "down with Chan Yi" and urged his ouster.

Communist Chinese President Liu Shao-chi and party secretary general Teng Hsaou-ping Long have been under attack for allegedly opposing chairman Mao Tse-tung's hardline policies.

An all-out campaign by Mao to "destroy" Liu, his chief opponent in China's bitter power struggle, began April 1. It showed no signs of slackening today despite earlier indications Liu's stubborn resistance was forcing an imminent showdown.

Falk was cited last night for his "outstanding contributions to the attainment of the long-range goals of urban transportation."

Extremism In Liturgy Hit By Pope

VATICAN CITY (AP) — Pope Paul VI made a scathing attack today on extreme liberals and extreme conservatives in the Roman Catholic Church.

The Pope vented his displeasure at meeting of the commission to carry out the Vatican Ecumenical Council's changes in liturgy.

HARSH WORDS

It was one of the harshest denunciations the pontiff has ever made against trends in the church that he considers go too far in the quest for modernization or fight too hard against the council's plans to bring the Church up to date.

Pope Paul told the commission he could not "keep silent our bitterness over some facts and some tendencies that certainly do not favor the good results that the Church expected from the diligent work of this commission."

He defended the commission's president, Giacomo Cardinal Lercaro, the liberal archbishop of Bologna, who has been accused by conservative Italian clerics of undermining the Church.

EPISODES HIT

Then the Pope denounced what he called "episodes of indiscipline" and "willfully arbitrary" practices in some liturgical services.

He emphasized that changes in worship can be done only with the permission of the Church. He expressed confidence that the various national and regional bishops conferences around the world would keep a close watch on changes and see that they are acceptable.

WIRE NEWS BRIEFS From Everywhere

Yugoslav Author Sentenced

BELGRADE, Yugoslavia (UPI) — A Belgrade court today sentenced author Mihajlo Mihajlov to an additional four and a half years in prison for his persistent criticism of the Communist system.

Mihajlov

Mihajlov was also prohibited from engaging in any public activities for four years after the completion of his sentence.

The 32-year-old former Zadar University professor has served five months of a previous one-year sentence for defaming the Yugoslav system in articles published abroad.

The ban on public activities was apparently designed to curb Mihajlov's writing and political activities which last year included an attempt to start an anti-Communist magazine.

Mihajlov, who stands a mere five feet tall, showed no emotion as the court handed down its verdict.

Propaganda Ban

WASHINGTON (UPI) — Sen. J. William Fulbright, taking issue with the recommendations of a presidential commission, wants Congress to ban distribution of U.S. Information Agency material in the United States.

Fulbright announced yesterday he would submit an amendment to that effect to a pending bill.

A White House advisory commission recently recommended that USIA material be made available domestically upon request.

Small Turnout Settles School Board Races

Continued from page 1

already on the board, finishing second to incumbent Dan H. Barber. Aso re-elected were incumbents Jean A. Ansley and Leonora M. Dougherty.

In the Sausalito School District Mrs. Martha Freebairn-Smith, with a strong vote from the Mairn City precinct, was returned to the board. She was appointed last July and was making her first run for the board. James E. Muldoon, executive secretary of Hanna Boys Center, near Sonoma, won the second position at stake in Sausalito.

In a three-way race for two seats on the Mill Valley School District board, Planing Commissioner John K. Robinson, with 2,485 votes, and incumbent Joseph E. Bodovitz, with 2,483, won over Mrs. Ann Elizabeth Hepp, 2,059.

Bodovitz was appointed to the board last year, while Robinson, director of the Coro Foundation in San Francisco, an educational foundation, was making his first bid for the board.

In the Reed School District Thomas S. Price, an incumbent, led the field with 893 votes, while a former truste, Leo Souza regained a seat on the board by a narrow margin over incumbent Mrs. Marilyn C. Steinau. Souza served on the board from November, 1960, to December, 1964, before resigning.

In the Bolinas-Stinson District another former board member made a comeback and a long term trustee was defeated.

Elected were Mrs. Edith N. Sarraille, a housewife, and Mrs. Jane Phillips, a former trustee, who edged Arthur E. Carpenter, a member of the board since 1958, by three votes. Mrs. Phillips was appointed to the board in 1963 and elected in 1965, but resigned a few months later when she moved to Alameda County.

In the San Anselmo District, incumbents Mrs. Cornelia B. Busse and Dr. Elmer A. Weden Jr. won handily over two challengers.

Two incumbents in the Tomales High School District, Richard Velloza Jr. of Point Reyes Station and Joseph Tremari of Bloomfield, Sonoma County, were elected handily over challenger Michael McLean of Point Reyes Station.

In the Lagunitas District, trustee William G. McBride of San Geronimo lost out in a three-way race for two seats on the board. Glen E. Twitchell of Lagunitas, an engineer, with 177 votes, and Mrs. Judith L. Fullick, a Forest Knolls housewife, with 157 votes, were elected.

McBride, building inspector and zoning administrator for the town of Corte Madera, was elected to the board in May, 1964, to replace Georgette Vilas, who was recalled. There were two write-in votes for Mrs. Vilas.

In the Laguna Joint School District, Eda Tomasetti of Petaluma, a challenger, defeated the incumbent Agnes Terribilini, 27 to 8.

In the West Marin School District, Robert A. Borello and Robert W. Giacomini, were elected to two seats on the board.

There were no contests for seats in nine shcool districts or for the Marin County Board of Education.

There were no candidates for a seat on the Point Reyes and one on the Union Joint Board, but nevertheless two incumbents were re-elected by write-in votes.

Incumbent James Spaletta of the Point Reyes School District Board was returned to office with 5 write-in votes, and Arnold Antognini was returned to the Union Joint board with 24 write-ins.

Re-elected without opposition were Earl H. Koehler and Melvin Stidham, Dixie School District; Kenneth L. Treganowen and Lawrence Goldberg, Kentfield School District; Curtis P. Kamai and Mrs. Cornelia J. Perrone, Larkspur School District; David H. Leveroni II, Lincoln School District; Wilfred LaFranchi, Nicasio School District; L. G. Maclise and A. Crawford Greene Jr., Ross School District; and Robert L. Matteri and Raymond A. Romelli, Tomales Bay School District.

Re-elected to the county board without opposition were Edith Kanoff of Novato in Trustee Area 1, Adele J. Alpers of San Rafael in Trustee Area 2, and James A. Carroll of Ross in Trustee Area 4.

Incorrect Results Keep Phones Busy

The San Anselmo School District office was flooded with phone calls this morning after the San Francisco Chronicle published incorrect results for the district board election.

Incumbents Mrs. Cornelia Busse and Dr. Elmer A. Weden Jr. were re-elected, but the Chronicle named Larry Husband and Mary Taylor Olive as the winners.

ADENAUER

frequently villified along with the late U.S. Secretary of State John Foster Dulles—and likened to Adolf Hitler by Nikita Krushchev.

The Communist world reacted explosively to almost everying Adenauer did and claimed he was the real architect of American foreign policy during President Dwight D. Eisenhower's eight years in office.

Adenauer was 73 before he emerged on German's national political scene. He was strong from the start. He harnessed the floundering post-war nation firmly to the Atlantic alliance.

West Germany's Adenauer retired unwillingly in 1963 at the age of 88 to make room for Ludwig Erhard, his economic minister since he became chancellor in 1949.

Adenauer's political credo was simple. He was convinced that strength lies in unity and that Germany must never again be allowed to bolt from its natural allies—France, Britain and the United States.

He considered the kiss of brotherhood he exchanged with French President Charles de Gaulle in 1963 when they signed a consultation pact to be the highlight of his life in government.

"Der Alte's" first interest was international affairs and Germany's place in the world community. His treatment of domestic affairs was often criticized as too high-handed for the head of a parliamentary government —one British critic called him a "democratic dictator."

A man of phenomenal health, Adenauer kept a schedule that made younger men quail. He insisted only unmarried girls be employed as his secretaries because no husband would put up with the kind of hours he required his secretaries to work.

He studied law and economics at the Universities of Munich, Freiburg and Bonn.

He married twice and was widowed both times. He had four sons, (one is a Roman Catholic priest) three daughters and 23 grandchildren.

Audenauer began his political career in 1906 when he entered the city government of Cologne. Six years later he was deputy mayor and, in 1917, at the age of 41 became lord mayor.

But his career came to a sudden halt — and apparently an end — in 1933 just after Hitler came into power. Nazi bigwig Hermann Goering dismissed Adenauer for ordering Cologne police to tear down swastikas on the city's Rhine bridge. Those had been put up by storm troopers in honor of a personal visit by the Fuehrer.

During the 12 years of Hitler's regime, Adenauer became, in his own words, "a very good gardener." In the roundup of suspects after the 1944 attempt on Hitler's life, he and his wife were arrested by the Gestapo and imprisoned for a time.

His jailer urged him not to try to commit suicide. "You're 68 years old and your life is over anyway," the jailer told him.

The war's end found Adenauer in refuge in a monastery in the Eifel Mountains. He returned to his native city of Cologne, then in the hands of American troops, and was appointed mayor again. But he didn't serve long.

When the zonal boundaries were drawn, Cologne came under British control. The British immediately removed him from office. The official reason was "incompetency." But behind the scenes, it was plain that inter-Allied pealousies were involved.

His first election as chancellor by the Bundestag (lower house of Parliament) was by the margin of one Bundestag vote—his own.

After that his popularity took deep roots, though the chancellor was never quite able to explain why. He was not a spellbinder, though he was an enormously effective and forceful speaker.

ferably in the Mill Creek area. But the lumbering economy of the area must be preserved, he said.

Philip M. Battaglia, Reagan's executive secretary, outlined the Republican governor's proposals to officials of the federal Bureau of the Budget, the Forest Service, the National Park Service, the Office of Outdoor Recreation and the Defense Department. Some lands which the state may want could be on military reservations, including parts of Fort Ord and Camp Pendleton.

Beck said Reagan could not support a new "compromise" park plan proposed yesterday by Rep. Jeffrey Cohelan, D-Calif. "The Cohelan bill is not a compromise so far as we're concerned," he said.

Meanwhile, representatives of national conservation organizations are testifying today in the windup of the Senate committee hearing on proposals for a redwoods national park.

$1,200 Burglary In San Rafael

A $1,200 burglary of the Walter J. Montz home at 129 Oak View Drive, San Rafael, was reported yesterday.

Montz said the burglary occurred between his departure from the house at 8:35 a.m. and the return of his daughter, Linda, at 5:40 p.m.

Among items taken were five $100 suits and assorted jewelry worth $250. The burglars also made off with shirts, bath towels, a leather jacket and an electric clock.

Police found no signs of forced entry but a rear door, which Montz said he never used, was found unlocked.

Portable TV Stolen

John B. Runnell, 161 Stewart Drive, Tiburon, told Tiburon sheriff's deputies yesterday someone stole a portable television set, worth $125, from a rear bedroom of his home between 8 a.m. and 5:55 p.m. while nobody was at home.

Thieves Hit Church, Marin Boys' School

Thieves vying for the title of the meanest robbery have struck at a church, a boys' school, and the Marin County Housing Authority office in Marin City, sheriff's deputies reported today.

Officers disclosed today that Rev. Harold Johnson of Peace Lutheran Church, Tennessee Valley Road in Tamalpais Valley, reported Sunday that someone lifted collections totaling about $200 cash and $400 in checks that morning.

The loot, they said, was taken from collection plates and a bank bag placed on a shelf of the pulpit after the congregation moved to an adjacent building for further services about 10 a.m.

Burglars broke a window of St. Vincent School for Boys near Marinwood, pried a locked door of an inner storeroom, taking $107 in currency. This also was reported to the sheriff's office Sunday but not on the offices reports until today.

Jack C. Holsclaw of Marin County Housing Authority, at 429 Drake Avenue, told deputies Dundsy that entry to his offices was probably via a bathroom window. He said two electric adding machine were taken.

Burglars entered the unlocked front room of the home of Harvey K. Murdock, 436 Wellesley Road, Tamalpais Valley, making off with a portable typewriter, Murdock told officers Monday.

Judge Drops Five Youths' Morals Count

Dismissal of statutory rape charges against eight youths, who all reportedly had carnal knowledge of a runaway 15-year-old San Anselmo girl, was disclosed today by Judge Samuel W. Gardiner of Marin Juvenile Court.

Ground for dismissal was that testimony by the girl was unreliable and contradictory, the judge said.

The defendants, whose names the judge requested not be printed again, allegedly had been intimate with the girl in her Larkspur apartment between Dec. 7 and 12.

All cases had been certified from Marin Municipal Court to the juvenile court following arraignments.

Property Group Elects Officers

New board members elected by Hillhaven Property Owners Association yesterday are Mrs. Michelle Roads, Andrew Johnson, George Klein, Mrs. Roberta Brunstetter.

Directors Harvey LaFlamme, Harold Hobbs and John W. Cook remain on the board.

New officers will be elected at a board meetingnext month, according to retiring president Thomas Nock.

Scattered Housing Proposal Approved

A new federal plan for low income housing, with rentals supplemented by public funds, was approved by Marin County supervisors for unincorporated areas of the county yesterday.

The plan, known as scattered housing, avoids public housing with concentration of low-income families in one location. It will be administered through the Marin County Housing Authority.

Federal Funding For Runway At Airport Is Urged

The Marin County Aviation Commission recommended last night that Marin apply for additional federal funds to help finance extension of the yet-unbuilt runway at the county airport.

A project to start soon with 54 per cent federal and 46 per cent county funds will provide a 2,200-foot runway and taxiway. The commission said application should be made on the same cost-sharing basis to extend the runway and taxiway and additional 1,100 feet to the north, Public Works Dir. Donald R. Frost reported.

Commissioners authorized a questionnaire to be sent Marin's 180 private plane owners to find what services and facilities they wish at the county airport, Frost reported.

Five Youths Facing Glue Sniff Charges

Five young teen-age San Anselmo boys have been charged with glue sniffing, and three are charged with forcibly disrobing a 13-year-old girl while under the influence of glue, San Anselmo police said today.

The incidents occurred March 23 and 24, but did not come to light until Principal Richard B. Connell of Hidden Valley School called police last Wednesday to ask about the effects of sniffing glue, police said.

Connell told police about rumors circulating at the school, and police gave juvenile citations to the five boys, two 13 and three 14 years old, on Friday. The five boys and the girl are all Hidden Valley students.

Police said the boys sniffed glue at the home of one of the boys, 31 Oak Springs Drive, on March 23 and 24, and on March 24 three of the boys locked the other two out of a bedroom and forcibly removed all of the clothes off a 13-year-old girl. The girl was not otherwise injured, police said.

Driver, Lawyer At Wreck Scene

San Rafael Patrolman Raymond L. Maynard reported finding a Corvette registered to Siegmund Kulka of 315 Richardson Street, Sausalito, "spread all over the road" north 4300 Redwood Highway at 9:30 p.m. yesterday.

At 10:10 p.m., Maynard said, Thomas F. Green, 38, of 4140 Redwood Highway, San Rafael, arrived at the wreckage accompanied by his attorney, Ben Barton Jr. of Terra Linda.

according to Maynard, Green acknowledges demolishing the unoccupied Corvette with his half-ton pickup truck and admitted driving with a license that expired last May. Green, on his attorney's advice, refused to make any other statement, Maynard reported.

Showcase For Old Autos Is Rejected

An application by Ben Farlatti for a showcase to hold antique cars in front of Tiburon Lodge was rejected as incompatible with the building yesterday by Tiburon Board of Design Review.

Architectural approval was granted Milton McDonogh for a snack bar to be used by his Angel Island ferry customers at the dock, behind 21 Main Street.

OBITUARIES

Donn P. Strausbaugh Dies At 49

Donn P. Strausbaugh, retired Army officer and an appraiser in the Marin County assessor's office, collapsed early today and died a few hours later at Hamilton Air Force Base Hospital.

Cause of death was not fixed pending an autopsy at Travis Air Force Base.

Strausbaugh, who was 49, retired in 1963 as a lieutenant colonel. He had worked for the assessor's office since 1964.

He was a veteran of World War II and also served in Korea. A native of Washington, D.C., he had lived at the family home at 730 Del Ganado Road, Terra Linda, since retiring from the Army.

He was a member of Seibert Masonic Lodge in the Canal Zone, Sojourners, 76ers, Improved Order of Redmen, Tamal Tribe 288, and the Retired Officers Association of Marin County.

He is survived by his wife, Nancy and two children, Lynn and Bruce Strausbaugh, of Terra Linda, and by his mother, Mrs. Nevin Strausbaugh of Bethesda, Md.

Funeral will be at 8 a.m. Friday at Hamilton Air Force Base Chapel. Burial will be in Golden Gate National Cemetery, San Bruno. The family prefers memorial contributions to the Shriners' Cripped Children's Hospital, San Francisco.

ALYSSE UPHAM

Alysse Warner Upham of Bon Air Apartments, Greenbrae, died yesterday in a local hospital after a long illness.

Mrs. Upham was the wife of the owner of San Francisco's first printing press, Payot Upham Printing Co., and daughter og San Francisco pioneer Molton Warner.

Survivors include two daughters, Mrs. Walter Sawyer of New Jersey and Mrs. James S. Russell of Ross; a son, Benjamin P. Upham Jr. of Mill Valley; a sister, Mrs. Stuart L. Rawlings of Piedmont, and seven grandchildren.

Funeral will be tomorrow at 11 a.m. at Chapel of the Hills, San Anselmo. Interment will be private.

VILAS E. WATTS

Vilas E. Watts, Marin County's first hospital patient under Medicare, died yesterday at Ross General Hospital, to which he was admitted yesterday. He was 67.

Watts, of Seadrift Road, Stinson Beach, was a retired engineering research consultant.

He became the county's first hospital patient under the federal health program when he was admitted to Ross General Hospital last July 1.

Survivors include his wife, Elsie, who ran unsuccessfully for the Stinson Beach School District Board in 1958.

Harry M. Williams Funeral Home, San Rafael, is in charge of arrangements.

Mill Valley Market Remodeling Approved

Plans to remodel and expand Mill Valley Market were approved lasy night by the Mill Valley architectural advisory committee, reported Jeanne McLean, zoning technician.

The market will expand into space now occupied by Wilton Pet Supplies and Mullers General Insurance. The insurance office will move upstairs, and the pet store will have to relocate, Mrs. McLean said. The plans call for refinishing the brick facade of the building and addition of a copper mansard roof.

Gun Victim Better

Samuel P. Gillespie, 36, of 340 Olema Road, Fairfax, who police said shot himself in the chest Sunday, was reported improving and in good condition today in Marin General Hospital.

Job Corps Bosses Trim Dropout Rates

WASHINGTON (AP) — Anti-poverty officials apparently are succeeding in cutting the high — and costly — dropout rate of youngsters during their first 30 days in Job Corps urban centers.

One official said if high loss rates had continued, the federal government would waste $5.25 million during the next fiscal year at $657 per dropout.

During the first 30 days — when many youngsters are away from home for the first time — the dropout rate is at its highest.

The Office of Economic Opportunity, which runs the Job Corps, has reduced the dropout rate from 22 per cent at the nine mens' urban centers during the six months ending Dec. 31 to somewhere near 14 per cent for the three months ending March 31.

The centers received 8,840 young men during January, February and March; 1,237 of them left during the first 30 days.

During the previous six months, 8,748 entered the centers and 1,847 left during the first month.

Chester R. Lane, associate director for Job Corps' men's centers, wrote all center directors Feb. 13 asking them to develop plans to lower the dropout rate.

"Corpsmen who leave Job Corps in the first days are a loss that works to our keen disadvantage — not to mention that these boys need our help, Lane wrote.

"In fiscal year 1968 at our present rate, 7,954 such young men would revolve through the Job Corps turnstile. Each would cost us an estimated $657 for a total 'waste' of $5.25 million," the letter continued.

He established a goal of a 9 per cent loss rate by June 30.

In response, directors attempted to strengthen their orientation program, a period when most youngsters have little to whet their interests because of testing.

Suspect Denies Narcotic Counts

Oren Reginald Williams Jr., 31, pleaded innocent in Marin Municipal Court yesterday to three counts of selling marijuana and two counts of manufacturing the dangerous drug, amphetamine.

Judge Peter Allen Smith scheduled preliminary hearing for 9:30 a.m. Tuesday.

Williams, of 5 Bell Avenue, Fairfax, was arrested by sheriff's and state narcotics bureau officers Friday at an abandoned shed in Sleepy Hollow. He allegedly sold an undercover agent 2,000 of the pep pills and marijuana worth $500.

The Roman emperors Nero and Augustus used lotteries to distribute slaves, houses or ships and the chances were free to citizens.

State Asking Natural Gas Fund Ruling

SAN FRANCISCO (UPI)—The California Public Utilities Commission asked the U.S. Supreme Court yesterday for a ruling in a case which could return about $30 million to California users of natural gas.

The petition asked the high court to affirm a Federal Power Commission decision of Aug. 5, 1965, fixing rates by production areas. It involved rates for natural gas sold in the Permian Basin of West Texas, most of which is transported to California.

The Power commission decision, which came after nearly seven years of hearings and court reviews, was reversed by the 10th Circuit Court of Appeals on Jan. 20, 1967. The California PUC now asks the Supreme Court for a review of this reversal.

Farmers' gross income for 1966 is expected to reach $49.2 billion, the highest in history.

Childrens' Book Publishers Slapped With Price Fixing

CHICAGO (UPI)—The Justice Department yesterday charged 18 publishing firms which do half the nation's $40 million a year business in library editions of children's books, with price fixing.

District Court Judge Abraham L. Marovitz was asked to enjoin the firms from conspiring with unnamed wholesalers to fix unnaturally high prices for books for elementary and secondary school-age children.

The 18 government suits said the practices denied the purchasers of "the benefits of competition." No monetary penalties were asked.

One suit named Random House Inc., of New York City as the largest publisher involved, selling $4.9 million in children's books in 1965.

The other defendants were listed as Golden Press Inc., Poughkeepsie, N.Y.; Children's Press Inc., Chicago; Franklin Watts Inc., Harper & Row Publishers Inc., Grosset & Dunlap Inc., G. P. Putnam's Sons, Henry Z. Walck Inc., Dodd, Mead & Co. Inc., Viking Press Inc., Charles-Scribner's Sons, Macmillan Co., Thomas Y. Crowell Co., William Morrow & Co., Holt Rinehart & Winston Inc., and E. P. Dutton Co., all of New York City; Bobbs-Merrill Co., Inc., Indianapolis; Little, Brown & Co., Boston.

Greyhound Ordered To Provide Service

SAN FRANCISCO (UPI)—The state Public Utilities Commission has again ordered Greyhound Bus Lines to provide commuter service for parts of San Mateo and Contra Costa counties.

The service was ordered before but annuled by the state Supreme Court on technical grounds.

Mumps Count Jumps In Marin

Spring weather may be just around the corner, but it is far from welcome to an increasing number of Marin County residents.

Change in seasons was blamed yesterday for the jump in mumps in the county last week. A total of 21 cases were reported — 19 from San Rafael — compared with just 16 the week before.

"There is no cause for alarm at this time of the year," said Dr. Carolyn B. Albrecht, county health officer. "Mumps usually increases in late winter and early spring.

Also reported during the week were 19 cases of gonorrhea, 74 cases of streptococcus infection, four of syphilis and six of infectious hepatitis. One case of German measles was reported from San Rafael.

McCarthy Authors Hospital Staff Bill

I-J Special Report

SACRAMENTO — An "open medical staff" bill, which prevents discrimination against any licensed physician to practice in state-operated hospitals, has been introduced in the Legislature by Sen. John F. McCarthy, R-San Rafael.

McCarthy's SB 1316 calls for and "open medical staff" in all hospitals owned and operated by the state, including University of California hospitals.

BILL'S MEANING

McCarthy said "open staff" means that any physician licensed in the state shall have the privilege of admitting his private patients to a state or state university hospital of his choice.

"Under the existing system, favored medical practitioners are allowed a virtual state-supported monopoly over the care and treatment of their patients in these institutions," the senator declared.

Other McCarthy bills introduced before last week's deadline include:

Three bills to help Department of Corrections employees. One would give employees a chance to improve their health benefit plan, another would give them allowances for the initial cost of uniforms, and the third would provide up to a maximum of one year's leave of abesnce with pay for Department of Corrections employees disabled in the line of duty.

HELP FOR HEIRS

A bill to assure that heirs of veterans who die in the Veterans Home at Yountville will receive property and funds belonging to the deceased veterans.

A bill to allow osteopaths who received their training and degrees out of state to be licensed in California.

A bill provideing that contractors bidding on projects where federal funds are used for public works, rather than merely roads and bridges, need not be licensed in California.

A bill to prohibit an assessor, in valuing real property used in manufacturing or mercantile business, from taking into account information on the profitableness of such business to the present owner.

Legislation that allows county political central committees to receive copies of voter registration indexes prior to primary as well as general election, if the county clerk maintains tabulating cards or tape containing that information.

A bill to amend the California Vehicle Code to allow air operated parking brakes on vehicles.

A resolution asking the State Department of Public Works to post more signs warning against slow drivers in the fast lane.

Conservation League Picks New Officers

Mrs. T. C. Wellman was elected to a second term as president of the Marin Conservation League last night.

Other officers elected were Clifford Hanssen, Harold E. Gregg and Mrs. P. K. Gilman, vice presidents; Adm. H. E. Bramston-Cook, treasurer, and Mrs. Paul Wilson and Mrs. Rhoda Boyd, recording and corresponding secretaries.

A committee was appointed to study ABAG's preliminary regional plan for nine counties in the Bay Area, with Ralph Wertheimer, a new director, as chairman.

Employment Post Goes To Sleepy Hollow Man

SACRAMENTO (CNS) — Robert O. Keller, 44, of Sleepy Hollow was appointed today as assistant to State Director of Employment Peter Weinberger.

Salary range for the job is $15,300 to $18,600.

Keller has been research director since 1960 for the Federated Employers of the Bay Area. For six years prior to that, he worked for the same organization as employee relations supervisor. From 1947 to 1954, Keller was staff assistant in personnel and union relations for General Mills Inc.

He is a graduate of University of California at Berkeley. The family will move from Sleepy Hollow to Sacramento at the end of this school year.

Keller was will be occupied primarily with the administration of manpower programs which affect the disadvantaged members of the work force. He will also assist Weinberger on legislative matters.

'701' Study Session

The Citizens Advisory Committee for Mill Valley's "701" study will meet tomorrow at 8 p.m. in the library to hear a report from the city's planning consultants on governmental, administrative and fiscal resources.

Rec Board Backs Berkeley Firm

Ribera and Sue, landscape architects of Berkeley, have been recommended to design the Novato park system.

The Novato Parks and Recreation Commission made the recommendation Monday night after discussing qualifications of four firms. The recommendation will go to the city council next Tuesday.

The commission also recommended that the staff negotiate with Jim's Sport Shop at 703 Grant Avenue to have a concession and tackle vending truck at Stafford Lake during the fishing season.

Edward W. Adams, director, reported that all work on park projects has been stopped because of wet weather.

Final review of the park master plan was postponed until the May 1 meeting.

Mrs. Busolo Manslaughter Trial Off To September

I-J Special Report

KINGMAN, Ariz. — Trial of Mary Ellen Busolo, 43, on an involuntary manslaughter charge in the shooting death of her husband, a former San Anselmo business man, has been continued to Sept. 13 in Mojave Superior Court here.

The trial, originally set for today, was continued because the date was preempted by a murder trial, Superior Court Judge Frank X. Gordon Jr. reported.

Judge Gordon said Mrs. Busolo could have come to trial in June or July, but that both the prosecution and defense preferred "to avoid a trial during the very hot summer here."

Mrs. Busolo's husband, Licino, was shot to death in their home at Lake Havasu City last Dec. 19. Mrs. Busolo reported the shooting three days later and said she had planned to kill herself with the gun but that it accidentally discharged during a quarrel with her husband.

The Busolos moved to Arizona from San Anselmo two years ago.

County Bonds Fail

MARTINEZ (UPI) — Contra Costa County votersyesterday turned down all five measures in a special $22 million county bond election. Major project to be defeated was a $10 million Hall of Justice complex.

De Lap Quits Visitors' Bureau Job

Clinton F. De Lap has resigned as managing director of the Marin Visitors Bureau, claiming lack of public and private financial support of the bureau has "created an intolerable situation."

De Lap, who has held his post nearly three years, said yesterday that in spite of "the tremendous importance of its job, the bureau is so badly supported by the supervisors and visitor-oriented business that I have had to throw in the sponge."

De Lap said tourism promises to be Marin's principal industry and as such "is the one that supervisors and businessmen should support and promote through the bureau."

His resignation was accepted by the bureau's board of directors last Thursday, but not announced until yesterday.

Ben Farlatti, acting bureau president, said, hiring of a new manager would await a definition of the qualifications and duties of the position by the board.

Reagan Anti-Crime Bill Amended In Assembly

SACRAMENTO (AP) — Republican Gov. Ronald Reagan's big anti-crime bills went to the Assembly floor today, scaled down to meet the objections of majority Democrats.

Assembly Criminal Procedure approval of the legislation — already passed by the Senate — was a milestone for the freshman governor. It's the most progress any of his Creative Society proposals have made this session.

Approved were Reagan's bills increasing penalties for those convicted of inflicting great bodily harm on their victims while armed with a deadly weapon and committing a robbery, burglary or rape.

Sen. George Deukmejian, R-Long Beach, the author, brought the bills out of the Senate carrying mandatory life sentence penalties.

But the Assembly committee rewrote the measure, lowering Reagan's penalty request to 10 years to life.

That had the effect of making the convict eligible for parole in five years instead of seven. At present, someone convicted for the crimes is eligible for parole in 20 months.

Democrats and Republicans are divided 5-5 on the committee, and Deukmejian needed six votes for approval. Democrats made it clear they wouldn't support him unless he agreed to the changes.

They control the Assembly 42-37 with one vacancy.

As it was, the measures cleared by a voice vote. And Deukmejian had to scale down one bill even more. Statutory rape was exempted from the rape penalty measure.

Deukmejian said the bills will be "a deterrent against those who carry guns, knives and dangerous weapons when they start out to rape and rob."

He said that Democratic Atty. Gen. Thomas C. Lynch, peace officer groups, the League of California Cities and the Los Angeles City Council supported the bills.

Lynch, he said, will soon issue a report showing that crime is on the rise in California, under present penalty laws.

The report, he said, will say that overall crime is up 14.2 per cent in 1966.

Medical Spokesmen Split On Reagan Cutback Plans

LOS ANGELES (AP) — Gov. Ronald Reagan's plans to close 15 state mental health facilities have supporters and detractors in the medical profession.

The California Medical Association's council on the State Department of Mental Hygiene said yesterday the doctors group "continues to offer its advice and counsel to the state administration to promote medical excellence and a sound fiscal basis in the state's mental health programs."

The association is holding its convention here.

But in a Los Angeles news conference state hospital superintendents said Reagan's proposed $17.7 million cutback will backfire, decreasing the quality of care and in the long run increasing the state's mental health costs.

The Reagan administration said yesterday it is willing to delay the shutdown of clinics in Fresno, San Francisco, Los Angeles, Long Beach, San Diego and Sacramento for as long as a year.

Supt. Robert J. Spratt of Napa State Hospital said proposed cuts have already created staff vacancies.

Dr. Paul Freeman, director of the San Francisco Day Treatment Center, said Reagan's proposal to provide state funds to counties to continue operation of local facilities for three months would not help. He said at least a year would be needed to change from state-financed centers to local facilities federally sponsored under the Short-Doyle Act.

Agricultural Wages Reports Due May 1

May 1 is the deadline for filing contribution returns and reports of agricultural wages for the first quarter of 1967, the State Department of Employment has announced.

Charles J. Brady, auditor in charge for the employment department's San Rafael office at 807 E Street, said employers who need help in preparing returns and reports may stop at the office or telephone.

The first folding theater chair was invented in Boston in 1854, reports American Seating Company.

Genocide Felony Hearing Is Held

SACRAMENTO (AP) — Victims of Nazi Germany are among Californians favoring a legislative bill to make it a felony to advocate genocide — the mass murder of racial, national or religious groups.

Their testimony came yesterday before the Assembly Criminal Procedure Committee but the hearing wasn't one-sided. An opponent of the measure termed it "a Communist bill as far as I'm concerned."

Rudy Waxman, Los Angeles, survivor of Hitler's death camps, testified that he wanted the bill in order to protect Jews and other minorities from Nazi groups in the Los Angeles area.

SACRAMENTO SUMMARY

By ASSOCIATED PRESS

Scaled down to meet the objections of majority Democrats, Republican Gov. Reagan's big anti-crime bills went to the Assembly floor today.

THE GOVERNOR

Said he would sign a bill to repeal the Rumford housing act if passed by the legislature, but thought the legislature would turn to revision of the law rather than outright repeal.

Gunfire Occurs On Korean Front

SEOUL, South Korea (AP) — A "negligible" gunfight occurred in the U.S. 2nd Infantry Division area on the western Korean front early yesterday, an official of the United Nations command said today.

He said sentries spotted two unidentified persons about 750 yards from their post south of the armistice line and a brief exchange of fire followed. The pair fled north and there were no casualties or damage, the spokesman said.

There have been three major clashes this month along the armistice line in which 11 North Koreans and one South Korean were reported killed.

$261 Fine Given For Drunken Driving

Paul Lloyd Stuenkel, 29, of 396 Pine Dale Road, Tamalpais Valley, was fined $261 and placed on a year's probation in Marin Municipal Court Monday for drunken driving. Sausalito police arrested him March 5 on Bridgeway.

Henry V. Cleary of Palm Springs was fined $289 and placed on a year's probation for drunken driving. Novato police arrested him Oct. 3 on Highway 101.

GOOD MEAT IS SOMETHING PERSONAL WITH US AT UNITED!

We know that there is nothing that will squelch a dinner (either family or company) more than a tough piece of meat with no flavor and dry as straw. At United our meat is personally selected by Fred at the packing plant . . . its care and aging also supervised by our Fred . . . to insure our friends and neighbors in Marin County of the finest meat that money can buy! And speaking of money, you don't pay any more for our fabulous meat. Shucks — our meat BETTER BE THE BEST — we eat it ourselves!

SIOUX FALLS, S.D. (UPI)—Ronald Kiggins, a trusty at the Minnehaha County Jail escaped yesterday but officials said he is still eligible to be a trusty. He came back eight hours after he left.

Center Gearing For Nurse Strike

LOS ANGELES (AP) — The medical director of UCLA's Neuropsychiatric Institute, faced with a mass resignation of nurses May 1, says, "We are making plans to meet any contingency."

At the same time, director Norman Brill conceded yesterday that more than half the patients may be forced to leave if the nurses quit.

Three-fourths of the 111 nurses at the state mental health facility have said they intend to quit because of low pay and heavy work loads.

Sliding Home Means $4,000 Bill To Board

A sliding Reedlands home has cost the Richardson Bay Sanitary District $4,000, directors learned yesterday.

The expense was incurred for relocating lines and making temporary hookups for three homes near the sliding house owned by Raymond D. Noel at 34 Reed Ranch Road, according to Alfred O. Pratesi, secretary.

The board set a hearing date for costs to residents of a special assessment district to install sewers for 12 homes on Sky Road, at 8 p.m., May 23.

At the same meeting, bids will be reviewed for cost of installing the sewer system. Bids for construction will be opened at the district office, 21 Madrone Avenue, Mill Valley, prior to the board meeting, for analysis by District Engineer J. Warren Nute.

The board made Howard Miller a five-day employee at the same rate as his previous part-time status, $2.95 and hour.

Missile Base Tour Is Slated

The San Rafael Chamber of Commerce is sponsoring a tour of the San Rafael Nike missile base near Smith Ranch, Santa Venetia, at 1 p.m. May 3.

Close-up inspection of missiles will not be permitted for security reasons, but administration and radar facilities will be toured.

Interested persons may call the Chamber of Commerce before April 25.

For Cleaner Teeth

FORT WORTH (UPI)—A burglar stole $100 worth of toothpaste from a wholesale drug store yesterday.

WHY

Red Rose tea makes good tea . . . tea you can really taste!

1. The quality and the amount of tea you use determines the flavor you get.
2. Red Rose Tea bags have *more fine tea* in every "extra measure" tea bag to give you *more tea taste*

Try Red Rose Tea for a change . . . you'll notice the difference.

Speck Peoria Jail Break Boast Related

CHICAGO (UPI) — Richard Speck, convicted slayer of eight nurses, boasted while he was on trial in Peoria, Ill., he could have escaped numerous times, according to sources in Peoria.

Speck, who was returned to Chicago Monday after being convicted by a jury that recommended the death penalty, was questioned by Warden Jack Johnson of the Cook County Jail yesterday about the United Press International report and confirmed his statekments.

"I could have grabbed a pistol which the guards kept holstered but I didn't see what I could gain. I even told the guards that they shouldn't turn their backs because they might get hurt by some prisoner, but not by me," Speck told Johnson.

Sources at Peoria, where Speck was jailed in a solitary basement cell in the courthouse, quoted Speck as saying "I could have escaped from there four, five, or six times."

Peoria County Sheriff Willard Koeppel denied Speck's boast.

"Speck could not have gotten out if he had tried," Koeppel said. "This is the tightest security ever for prisoner in Peoria County." Koeppel doubled his force and about halved his sleep during the more than eight weeks Speck was in his custody.

Plane Bombing Pair Sentenced

VIENNA (AP) — Two Austrians were sentenced to prison terms today for bombing an Italian airlines office in Vienna last August in an attempt to break up Austrian-Italian talks on the future of the disputed Alto Adige area of the South Tyrol.

Hanes Falk, 33, who denied any part in the bombing, got seven years. Emanuel Kubart, 24, who pleaded guilty and accused Falk of being the instigator, was given six years.

The bombing did an estimated $30,000 damage.

Waterfront Review Set For Sausalito

Sausalito Planning Commission and City Council will hold their first review of the proposed central waterfront plan tomorrow at 8 p.m. in City Hall.

The plan was presented March 29 by the city's "701" planning consultant, William E. Spangle Jr., who said that if Sausalito wants to keep its waterfront open for public use, it will have to buy it "rather immediately."

Pershing Square marks the site of Gen. John J. Pershing's military residence at the Presidio of San Francisco. The house was destroyed in 1915 by a fire which took the lives of the general's wife, and three daughters. Only a son, Warren, survived.

Gate Theater Proposal Revives Sausalito Citizen-Tourist Feud

The derelict Gate Theater on Bridgeway set the stage last night for reenactment of the old conflict between Sausalito residents and tourist-oriented business.

The Sausalito City Council unanimously denied Mrs. Bunty Mordant a use permit, which had been approved by the planning commission, to convert the theater to five tourist-type shops and a small restaurant. But before it did, the issue of residents vs. tourists came in for another airing.

Mrs. Mordant's plans had been stymied by the city's requirement that there be 40 offstreet parking spaces for the intensive use she intends. She asked the council to grant the use permit and let her apply later for a variance from the parking requirements. City Atty. Leland H. Jordan said this could not be done.

Mayor Mel Wax said the real question was whether another tourist attraction was desirable in the city.

Mrs. Carl Spring of 623 Sausalito Boulevard vigorously opposed approval. She said: "Residents can't buy anything in this town. All our stores sell are knicknacks. It's time the city began to think of its residents and not of tourists all the time."

Commented Mayor Wax, "If we didn't have a population of 30,000 on weekends, it wouldn't cost us as much to run the city. I doubt if those revenues compensate the city for that expense."

Councilman Eleanor O'Hara Chapin said she was mainly concerned with the added parking problem promised by Mrs. Mordant's plans.

Councilmen Alexander R. Imlay and Jan Paul Dyk were concerned both about parking and the intensive use of the property in a congested area.

The Sausalito City Council Also:

SPECIAL SESSION — Set for next Tuesday at 8 p.m. a meeting to act on agenda items it failed to get to last night.

WOMAN PLANNER — Acknowledged a request from the Sausalito Woman's Club that the next appointment to the planning commission be a woman, and asked the club to present nominations.

FIREWORKS — Instructed the fire and police chiefs and city manager to work out details for chamber of commerce sponsored Fourth of July fireworks from an off-shore barge furnished by Herb Madden.

HIGHWAY FUNDS — Agreed to support the City of Fresno before the state legislature in opposing revision of the Mayo-Breed formula which allocates gas tax funds to northern and southern counties on a 55-to-45 per cent ratio. Revision would reduce northern share to 40 per cent.

OCCUPANCY PERMIT — Approved a suggestion by City Mgr. George M. Patterson that an ordinance amendment provide for occupancy permits, which would forestall installation of business and commercial facilities before granting of use permits.

GLAD HAND — Granted permission to the Glad Hand Restaurant to move its building to permit widening Bridgeway without following some fire requirements of the Uniform Building Code, as long as equivalent safeguards were provided.

YACHT CLUB — Denied an ordinance amendment requested by the Sausalito Yacht Club to make yacht clubs a conforming use on the central waterfront.

APPEAL — Overturned a Community Appearances Advisory Board recommendation by approving plans for a single-family residence to be built by BARC Builders, Inc., at Lot 202, Toyon Terraces.

PARKING RELIEF — Denied Gustaf Ronsen a variance allowing two instead of the required four parking spaces for a proposed duplex at Edwards Avenue.

SLIDE COSTS — Approved payment of an additional $371 for slide control on Bridgeway during January storms, and authorized the city manager to seek recovery of cost from owner of pumping two wells on property that slid.

MOVIE MAKING — Introduced an ordinance charging $25 a day for commercial filming on city streets or public property and a $100 semi-annual charge for filming on private property.

GARAGE BILL — Authorized transfer of $971 from other accounts to meet payment of a water truck repair bill by Art Boates after strong complaints by Councilman Earl F. Dunphy that the garage had preceded with the repairs without telling the city what they might cost.

Most Wanted Man Indicted In Japan

TOKYO (AP) — The Tokyo District public prosecutor's office today indicted James Robert Ringrose, one of the FBI's 10 most wanted fugitives, on charges of passing a forged check and engaging in other fraudulent practices in Japan.

The National Police Agency said it would turn over Ringrose, 24, of Iowa City, Iowa, to the United States after he is tried in Japan. The FBI wants him on a charge of interstate transportation of stolen property.

Laplanders Held Facing Starvation

OSLO, Norway (AP) — A Norwegian relief official said today at least 1,700 nomadic Laplanders in northern Norway face starvation and urged the Oslo government to help them "before it is too late."

"These people who make their living herding reindeer can no longer support themselves," Harold Alstad, relief administrator for the area, told a reporter.

Council Tries For Street Compromise

Sausalito City Council last night sought a new formula for widening Main Street between West Street and Crescent Avenue that would be less objectionable to residents.

Instead of the previously proposed eight-foot widening, the council will sound out the State Division of Highways on approval of funds for widening the street six feet.

Mayor Mel Wax noted that this would allay fears of the Sausalito Nursery School that it would lose needed parking spaces on the south side of the street and concern of residents on the north side that the resulting sidewalk would be inadequate.

The council directed that an application be made to the state on the new proposal and that the city planning commission be advised of the action, since it had requested delay of the widening project.

Nuisance Dogs Prompt City Leash Law Call

Owners of dogs who let them roam at will through Sausalito's downtown streets prompted the city council last night to call for preparation of a strict leash law.

A petition signed by 19 persons, most of them downtown businessmen, called for such action, claiming that dogs "allowed to run loose, and unattended are creating an ever-increasing problem and nuisance."

One signer, Walter J. Silva of the Plaza Bar, said: "We're not talking about people who keep their dogs under control. We're talking about dogs that run uncontrolled through the city day after day."

City Atty. Leland H. Jordan advised councilmen that the present ordinance does not require that a dog be leashed, merely that it be under control of an accompanying owner.

Police Chief Edward S. Kreins said there were instances of dogs forming and running in packs and noted the difficulty of control.

One member of the audience said she was afraid to take her small dog downtown on a leash for fear of "bigger dogs challenging him."

All those who spoke described themselves as fond of dogs and concerned only about those running free and unsupervised.

The council instructed Kreins and Jordan to prepare a stricter leash law.

New Officers To Be Elected

The League of Women Voters of Central Marin will elect new officers at its annual meeting next Wednesday. A luncheon at 12:30 p.m. will precede the business meeting at Peacock Gap Country Club.

Mrs. Lee Sherry of the county Republican Central Committee and Mrs. Olive Lewis of the county Democratic Central Committee will speak on "Is Politics Your Job?"

Guests will include three state league officers, new president Mrs. Ellen Ahearn of San Francisco, new vice president Mrs. Ann Ruden of Sacramento and past vice president Mrs. Barbara Kline of San Mateo.

Officers Watch Plunge To Death

A San Francisco accountant jumped to his death from the Golden Gate Bridge at 4:23 p.m. yesterday.

California Highway Patrol officers Archie Stewart and Billy W. King saw a man walking on the bridge sidewalk who suddenly climbed over the rail and disappeared.

Patrol officer Richard A. Harkness saw the man's body in the water a few seconds later.

The body of a man identified at Paul Mezei, 44, of San Francisco, a certified public accountant, was recovered by the Coast Guard at 4:34 p.m. and turned over to the San Francisco coroner's office.

Five Guns Stolen In San Rafael Home

Five guns, one a rifle with telescopic sight valued at $270, were stolen Monday afternoon from the residence of Edwin W. Cadra, 1417 Clinton Street, San Rafael reported yesterday.

The $270 gun was a .270 caliber Remington, Cadra told police. Also stolen from Cadra's gun rack were three shotguns and a .22 caliber rifle. Total loss was estimated at $345.

Reed's New English Courses Discussed

The "new English" and how to teach it were discussed last night by Reed School District teachers and trustees.

Joyce Wilson and Allen R. West of Del Mar School, Elizabeth Baker of Reed School and John C. Fitch, principal of Granada and Bel Air schools, describe the neaw approach at the district board meeting.

A citizen committee was appointed to study a bond issue and architect selection for the Reedland Woods School and expansion of other district facilities, before the special June election. Committee members who will meet next Monday at 8 p.m. at Del Mar School, are Mrs. Francis E. Lougee, Leo Souza, Marvin D. Field, William R. Carroll, Donald J. McCune and Mrs. Evelyn Elliott.

The Reed School District Board also:

AUDIT —Hired the firm of Leader and Jarvis, San Rafael, to audit district books for fiscal 1967.

RESIGNATIONS — Accepted resignations of teachers Don Cowan, Bel Aire School; Rosemary Mund, Bel Aire School (now on leave of absence), and Mrs. Jane Tankersley, Del Mar School.

LEAVE — Granted maternity leave to Mrs. Sylvia Essig, humanities teacher at Del Mar School.

NEW TEACHERS — Hired the following for next school year: Richard Bardhsaw, library coordinator for Bel Aire and Granada schools; Mrs. Jean Carroll, Reed School; Doris Hunker, Granada School; Richard Hurley, Del Mar School; Mrs. Kathleen Jensen, Belvedere School; George Logvy, Bel Aire School; Phiebe McConnell, Tiburon School; Nancy Schlegel, Granada School, and Peter J. Serences, Del Mar School.

Fur Suit Taken

Three unidentified shoplifters yesterday took a $360 two-piece fur suit from Janet Horn Inc., 2 Princess Street, Sausalito, police reported. Store manager Willis Gunderson said the three were a tall man and two thin women, all in their 30s.

Mint Employee Pleads Innocent

SAN FRANCISCO (UPI)—An employee of the San Francisco Mint pleaded innocent yesterday to charges he took about 200 blank quarters.

Nicholas W. Sagin, 30, San Francisco, asked for a jury trial which Judge Oliver J. Carter set for May 22.

Sagin was arrested on a complaint from a coin laundry operator that the suspect was using the quarter blanks in coin changing machines.

Mr. Halfpenny Finds Old Coins

MANSFIELD, England (AP) — A watchman employed on a building site found two silver coins 600 years old, took out his pen knife and started digging

He came up with 447 more coins from the reign of Edward I and brought them to the Mansfield police.

Experts now will assess the value of the treasure and the watchman's share of it will be decided.

His name is John Halfpenny.

Fairfax Trustees Grant Teachers 2.5 Pct. Raise

Fairfax School District trustees last night approved a 2.5 per cent salary scale increase for teachers and other employees, raising teaching pay to a $6,000-$11,000 range.

Employees will also get additional health insurance contributions constituting another 1.5 per cent increase, Supt. H. R. Hammond said today. Salaries will total $459,000 with the increase. Insurance would cost another $6,800 if all employees participate.

Teachers had originally asked for a four per cent increase plus health insurance contributions.

Hammond told the board delay of White Hill School construction by late-season rains may lead to double sessions for one or two grades next fall. An alternative would be combining some classes in school multi-purpose rooms until White Hill is completed in November or December.

A construction contract has been awarded for the school, but site preparation cannot be completed until the ground dries.

The board will make a decision on double sessions or combined classes at its May meeting.

The Fairfax School District Board also:

NEW TEACHER—Hired Carolyn Buxman to teach at the primary level.

HEATING — Asked architects Crawford and Banning of San Rafael to draw plans for a new heating plant at Manor School. Cost is estimated at $8,000 to $10,000.

AUDIT—Agreed to hire auditors Sleezer and Eckhoff for the annual district audit, at cost not to exceed $550.

LEAVE—Granted a one-year leave of absence to music teacher J. D. Nichols, who plans to sing in light opera and other stage performances.

During the San Francisco earthquake in 1906, three Presidio of San Francisco Army privates who became separated from their company established and managed for three days an impromptu camp for 5,000 homeless victims.

Minnie Pearl Crash Lands

KNOXVILLE, Tenn. (AP) — After 20 years of flying, Cousin Minnie Pearl says she and her husband, Henry Cannon, have an experience to tell their friends about.

The country comedienne and Cannon walked away from their single- engine plane after it developed engine trouble and crash-landed in a field near here.

Cousin Minnie spent the night in a hospital after complaining of a soreness in the abdomen. Cannon said he was not hurt.

Stormy Weather Dogs Explorers' Footsteps

I-J Special Report

KOOSKIA, Ida.—Fred Tower of Sausalito and three fellow students from Lewis and Clark College in Portland, Ore., braved rain and rapids yesterday as they retraced the route of a 160-year-old expedition.

The youthful explorers undertook their voyage to help celebrate the 100th anniversary of their college, named for the two leaders of the famed original northwest expedition.

With Tower, of 11 Edward Street, are Ron Hainline of Grants Pass, Ore., and two other Californians, Gerald L. Everson of Los Altos and Bruce Mackey of Alturas.

On their second day of canoeing down north Idaho rivers, they were soaked by a heavy shower and forced to portage around some of the rougher rapids. On Monday, one of the two canoes filled with water and swamped, but they emptied it and continued.

They reached Kooskia, about 23 miles downstream from where they entered the water at Lowell, late yesterday.

They had hoped to cover 25-30 miles a day on the river, but were slowed by the rougher water.

The four youths hope to reach Lewiston later this week and continue down the Snake and Columbia rivers to Portland.

Hainline is regarded as a good "white river man," and has conducted summer excursions on the Rogue River in Oregon. The others were inexperienced when they started. All said yesterday they would gladly make the trip again.

The trip began April 10 at Lolo Pass. The boys hiked overland to Lowell, where they arrived last Saturday.

Expectancy Of Life Is 70.2

WASHINGTON (AP) — The life expectancy at birth of the total U.S. population in 1965 was 70.2 years, the same as in 1964, the Public Health Service reported today.

This measure represents the average number of years at the time of birth that persons may be expected to live.

Based on deaths in 1965, the average was 66.8 years for males and 73.7 years for females.

The service said these figures were almost identical with those for 1964.

Buck Passing In Merger Plan

Two public districts in Novato last night passed the buck on whether they should merge.

George Amaroli of 11 Rebecca Way, Novato, presented a formal request for merger of the North Marin Counuty Water District and Novato Sanitary District to the boards of directors of both districts.

the water district directors said the sanitary district should act first on the request. The sanitary district directors turned the request over to the engineer-manager, Charles Joseph, for study.

Mental Health Session

The Marin General Hospital psychiatry department will sponsor a meeting on administration of the Community Mental Health Center today at 7:30 p.m. in the hospital dining room.

Driver Wins Back License: He Was Too Drunk To Refuse Tests

A Marin Superior Court judge today held that the Department of Motor Vehicles wrongly suspended the driving license of a San Francisco man for refusing a drunken driving test, because the man was too drunk to refuse it.

Judge Samuel W. Gardiner then ordered the department to reissue a license to Arthur Curtis Antrim Bush, 45-year-old land investment counselor.

Bush was arrested last Oct. 29 by San Anselmo police. His license was suspended for six months under a California Vehicle Code section after he refused to submit to a blood, breath or urine test to determine alcohol content.

Bush, represented by attorney Berwyn A. Rice of San Rafael, protested the suspension on the ground that he had "consumed copious amounts of Scotch whiskey" and was too intoxicated to refuse the tests.

Judge Gardiner held the suspension was not justified "because the legislature said his (Bush's) license could be taken for failure only if he refused to take a test."

"All evidence on both sides indicated he was almost unconscious at the time of the test and he could not have refused intelligently," the judge declared.

Judge Gardiner pointed out that arresting officers testified Bush was unable to understand instructions during his arrest, and was unable to complete a roadside sobriety test.

He said the vehicle code specifically states that if a person is "dead, unconscious, or otherwise in a condition rendering him incapable of refusal," the test may legally be made, anyway. The officers could therefore have given him the test, Judge Gardiner said.

Bush had pleaded guilty to the drunken driving charge in Marin Municipal Court. He was fined $230 and placed on six months probation.

Colorado GOP Group Forms Reagan Club

DENVER (AP) — A Reagan for President committee has been organized by a group of Colorado Republican Party leaders.

Art Davis, president of New Englewood Co. and former chairman of the Colorado Republican County Chairmen's Organization, heads the new group.

New Medical Leader Named

LOS ANGELES (AP) — Dr. John G. Morrison, a 55-year-old general practioner from San Leandro, takes office today as president of the California Medical Association.

Morrison, president - elect the past year, succeeds Dr. James C. MacLaggan, a San Diego pediatrician.

Elected president-elect at the group's convention yesterday was Dr. Malcolm C. Todd, a Long Beach surgeon.

Welfare Kickoff

The presentations of Dr. Abraham Bernstien and Justice Stanley Mosk of the California Supreme Court, and pledges totalling $7,580 were highlights of the recent dinner-dance at Peacock Gap Country Club given to kick off the Marin County drive of the 1967 campaign of the Jewish Welfare Federation.

Supervisors Approve Mall For Marincello

Marin County Supervisors yesterday gave unanimous approval to plans for a mile-long mall for the center of the Marincello planned community.

The action came after nearly an hour of discussion dealing mostly with definitions. Planning Dir. Paul C. Zucker told the board that the planning commission had approved the plan "in concept."

Just exactly what this meant stirred some debate. Anne L. Ellinwood of Tiburon and Grace Wellman of Kentfield wondered if the plan for the mall was precise enough to meet requirements of a development plan.

They were precise enough, but Zucker said the mall proposal perhaps should change as precise plans are submitted for adjacent development. Zucker thought he should have discretion in allowing these changes. Supervisors agreed.

Zucker told the board further that the proposed mall, laid out as a long oblong with square ponds of formal borders and paths, was not excellent but fell into the category of an acceptable design.

Supervisor Peter H. Behr had the most reservations in voting for the mall plan. "Maybe it will be great. I hope it will be, but I'm not arguing that my hope is an expectation," he said.

The Marin County Board of Supervisors also:

BURNED BUILDING — Gave Roma Weaver 45 days to demolish the Moulton Mercantile Store in Forest Knolls, gutted by fire over a year ago. Also asked the county planning commission to study abandonment of Castro Street near the store to change Francis Drake Boulevard in the traffic pattern at the Sir tersection.

PROPOSED DISTRICT — Turned down the request of Rex S. Williams for reopening the hearing on formation of the Tamalpais Community Services District, and set election on the proposal for July 11. Williams said a petition with more than 400 protests to the Local Agency Formation Commission was not shown supervisors a week ago, but supervisors did not think this sufficient argument for reconsideration.

ROAD DEDICATION — Reaffirmed requirement for dedication of 20 feet for expansion of Shoreline Highway in first phase development of the Dias Ranch west of Mill Valley. Supervisor Ernest N. Kettenhofen dissented, saying the county should not require dedication for a state highway, particularly when the state has no plan for expansion of the route.

ALMONTE AREA ZONING — Changed commercial zoning at Wisteria Way and Almonte Boulevard and Stadium Avenue and Almonte Boulevard to single family and apartment zoning. Only commercial remaining would be at the northwest corner of Wisteria and Almonte.

COLLECTIONS — Approved a plan to turn over unpaid bills of $250 or less for the county services to the Marin County Credit Bureau on a contingency fee basis.

SAFETY COMMISSION REGULATIONS — Approved a new set of regulations for the safety commission, setting up a system of demerits for preventable accidents that could lead to blocking a pay raise or dismissal of an employee.

FOURTH OF JULY — Approved allocation of $250 in county taxes to the Larkspur-Corte Madera Fourth of July celebration.

NEW EMPLOYEES — Hired Gail M. Fryer as teacher's assistant at $190 a month and Anne M. Nealson as nurse's assistant at $380 in the Children's Center.

HEARING — Adjourned until 8 p.m. Monday for a hearing on rezoning at the intersection of Shoreline Highway and Pinehill Road in Tamalpais Valley.

School Bonds Split

REDWOOD CITY (UPI) — San Mateo County voters yesterday passed one school bond issue while a second one failed to get the needed two-thirds support. Portola Valley Elementary District voters backed a $475,000 issue.

Parts Expediter Tests Now Open

Employment tests for parts expediters at Hamilton, March and McClellan Air Force bases are now being offered in the Air Reserve Technician program, the U.S. Civil Service Commission has announced.

Applicants must be eligible to join the Air Force Reserve. Salary starts at $2.86 to $2.98 an hour plus military pay for Reserve duties. Application forms are available from J. J. McWhorter, civil service examiner, at the San Rafael Post Office.

Licenses Slated

SACRAMENTO (CNS) — Unless written protest is filed, the contractors state license board has announced it will issue a limited specialty license May 4 to Arneson Products, Inc., Howard M. Arneson, 439 DuBois Street, San Rafael, and a general contracting license to Etienne D. Rolin, 110 Belvedere Street, San Rafael.

Tomales FFA Members Win Rodeo Ribbons

Students of Tomales High School chapter of Future Farmers of America returned from the weekend's Fresno State College Field Day loaded with honors.

They won fourth place in the livestock event, fifth place in the state sweetheart contest, seventh in dairy cattle, eighth in the sweepstakes competition, and ninth in agricultural mechanics.

Chapter president Pat Hendren won 526 points in the livestock event, with Bob Borello winning 505 and Jim Furlong 487.

Domingo Rogers, Bob Mache and Jack Rickley made up the dairy team, winning 1,200 points between them. Jim and Leroy Erickson and Dave Wilson earned 493 for the mechanics team.

Paulette Rilla, Tomales' 1967 chapter sweetheart, scored second in her written test and put the chapter fifth in competition with 53 girls vying for the state sweetheart honors.

Admiral Presented Legion Of Merit

NEW YORK (AP) — Vice Admiral John S. McCain Jr. has been awarded the Legion of Merit by President Johnson for his "wisdom and judgment" as vice chairman of the U.S. delegation to the United Nations Military Staff Committee.

McCain has been promoted to full admiral and will become commander of U.S. naval forces in Europe May 1.

SUPERINTENDENT of Schools Virgil Hollis is being taught how to prepare one of the salads which will be featured at the May 3 Hawaiian Fashion Luncheon planned by members of the Ballet Aquacade Committee. With Dr. Hollis are Mesdames Richard Read, left, and Monte Ambinder, president of the Ballet Aquacade. The luncheon will be held at the Ambinder home in Greenbrae and will serve as a kick-off for advance sales of Ballet Aquacade tickets.

Favorite Homemade Salads—

A Hawaiian fashion luncheon to be held on May 3 at the home of Mrs. Monte Ambinder in Greenbrae will be the kick-off for advance sales of Ballet Aquacade tickets.

Guest speaker at the luncheon will be Dr. Virgil Hollis, Marin County Schools superintendent.

Salads at the luncheon, which is to begin at 11:30 a.m., will be favorite homemade ones donated by members of the Ballet Aquacade committee.

Among the recipes to be featured are the following:

CHICKEN SALAD ORIENTALE

(Favorite salad recipe of the President of Ballet Aquacade, Mrs. Monte Ambinder)

Serves 10 at a ladies lunch

6 hardboiled eggs, diced
1 whole cooked chicken, diced
1 small can of pineapple tidbits
1 cup canned salted cashew nuts
1 cup seedless grapes (If in season)
Salt and pepper to taste
1 cup of mayonnaise

Mix the mayonnaise with the juice from the pineapple tidbits. Use more mayonnaise if a creamier texture is desired. Serve on a bed of ruffly lettuce with additional grapes and pineapple tidbits for garnish.

BEAN SPROUT SALAD

(Serves 4)

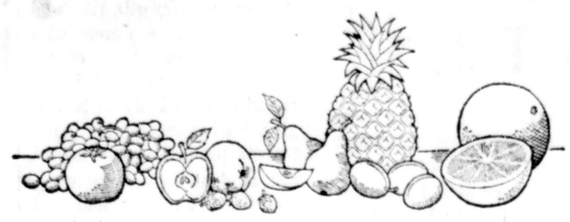
Salad Ingredients

1 can or package of bean sprouts
1 green pepper (chopped fine)
¼ C. sliced water chestnuts
¼ C. pineapple tidbits (drained)

Dressing Ingredients

⅞ C. mayonnaise (add enough pineapple juice to make 1 C.)
2 tsp. soy sauce
1 tsp. curry powder

Place first 4 ingredients together — Then combine dressing ingredients and serve on bed of crisp lettuce leaves.



PINEAPPLE PARTY SALAD

1 No. 2½ can of crushed pineapple
1 pkg. of lime gelatin and 1 pkg. of lemon gelatin
1 T. plain gelatin
¼ tsp. salt
½ C. chopped blanched almonds
1 C. cottage cheese
1 C. mayonnaise

Drain syrup from pineapple and to syrup add water in order to make 2 cups. Heat liquid. Add both packages of gelatin and the 1 T. dissolved plain gelatin and stir. Fold in remaining ingredients. Pour into slightly oiled ring mold. Set in refrigerator until firm. Unmold in the center of the plate and surround the ring mold with spears of fresh pineapple with part of the stalk remaining for color.

LUAU RIBS

3 lbs. spareribs, cut into single servings
¼ teaspoon powdered sage
1 teaspoon salt
1 cup hot water
1 can (1 lb. 14 oz.) sliced pineapple
½ cup syrup from pineapple
½ cup catsup or chili sauce
2 tablespoons mustard with horseradish

Place ribs, sage, salt and water in large pan. Cover; simmer 1 to 1½ hrs. or till fork-tender. Drain pineapple well, reserving ½ cup syrup. Mix syrup, catsup and mustard; stir till smooth. Brush drained ribs generously on one side with sauce. Barbecue till golden brown; turn, brush with sauce continue broiling till glazed and brown. Serve with drained pineapple brushed with sauce and grilled on quilted foil. Serves 4.

ALOHA SALAD

Place salad greens, cucumber slices, onion rings and drained pineapple chunks or tidbits in bowl. At serving time, toss with this thrifty gourmet dressing:

¼ cup syrup from pineapple chunks or tidbits
¼ cup lemon juice
1 teaspoon taragon vinegar
⅓ cup (small can) undiluted evaporated milk
½ cup mayonnaise
1 teaspoon salt
½ teaspoon paprika
2 to 4 oz. crumbled bleu cheese.

Mix first 3 ingredients; stir in milk. Let stand while you thoroughly beat together the rest of ingredients. Combine mixtures. Chill 1 hour or more. Makes 2 cups.

HULA-Q

Mix ¼ cup brown sugar, 1 tbsp. dry mustard, 2 tsps. powdered ginger, ⅛ tsp. garlic powder, 1 tbsp. soy sauce and 1 tbsp. lemon juice till smooth. Stir in 1 cup syrup from sliced pineapple. Grill 6 ham slices (½ in. thick) over very slow fire about 30 min., turning and basting often with sauce. Top with heated pineapple slices; serve with sweet potatoes baked in quilted broiling foil.

FROSTED COFFEE HAWAII

To make 4 or 5 servings of this summertime cooler, you'll need 2 full cups strong, cold coffee; 1 cup chilled pineapple juice; 1 pint soft coffee ice cream. Combine ingredients and beat thoroughly (better use electric mixer for this one). Garnish with pineapple slice. Serve in tall glasses. Aloha!

TEXTURE CHANGE

Welcome Tomale Pie To Your Table

Families who enjoy robust and flavorful casseroles are sure to welcome Tamale Pie.

This pie is an interesting combination of ground beef, whole-kernel corn, tomatoes, cornmeal and ripe olives. Seasonings go in, of course, and grated cheese makes the topping.

We've tried lots of Tamale Pies in our day —but this one is a little different. Usually the cornmeal is cooked separately and used as a base. But not here. Instead the cornmeal is cooked along with the other ingredients before it is turned into the casserole. This makes an interesting texture change — it also makes one less pot to wash!

TAMALE PIE WITH RIPE OLIVES

1 tablespoon salad oil
1 pound ground lean beef
1 small onion, finely chopped or ¼ cup instant minced onion
1 can (1-pound 1-ounce) whole kernel corn
1 can (1-pound) stewed tomatoes
½ cup enriched yellow cornmeal
1 ¾ teaspoons salt
2 teaspoons chili powder
1 teaspoon Worcestershire sauce
1 cup canned drained pitted ripe olives
Grated cheddar cheese

In a 10-inch skillet, heat the oil; add beef and over moderate heat, crumbling fine with the flat tines of a fork, cook meat until it loses its red color. Add onion, undrained corn and the undrained stewed tomatoes. Slowly stir in the cornmeal, then salt, chili powder and Worcestershire sauce. Over low heat, cook and stir for 10 minutes. Stir in ripe olives. Turn into a 1½-quart round ovenproof glass casserole (7½ by 2½ inches); sprinkle with cheese. Bake in a moderate (350 degrees) oven until bubbly hot and well browned — about 45 minutes. Makes 6 servings. If you like you may reserve 6 ripe olives and use them as a garnish.

NOTE: Tamale Pie may be made ahead and refrigerated before baking. In this case allow to stand at room temperature for an hour before baking; increase baking time by 15 to 30 minutes.

Spiced Peaches Are Delicious As Relish

Makes a fine relish!

Pork Chops — Sweet Potatoes
Green Peas — Spiced Peaches
Salad Bowl — Bread Tray
Cheese and Crackers — Beverage

SPICED PEACHES

1 can (1 pound, 13 ounces) cling peach halves
¼ cup cider vinegar
6 whole cloves
6 whole allspice
2-inch piece stick cinnamon
⅛ teaspoon salt

Turn peaches into a strainer set over a 1-quart saucepan; reserve peaches. To peach syrup add vinegar, spices and salt; Bring to a boil; let bubble gently for about 10 minutes. Add peaches and cool. Turn into a wide mouth jar (almost a quart size); cover and refrigerate for 24 hours before serving.

Old World Recipe Combines Cherries, Spicy-Nut Layers

GRANDMA'S CHERRY TORTE

½ cup butter or margarine
¾ cup granulated sugar
4 eggs, separated
1 cup Crackers, finely rolled (about 28 crackers)
½ cup chopped pecans
½ cup all-purpose flour
2 teaspoons baking powder
¾ teaspoon ground cinnamon
⅛ teaspoon ground cloves
1 (1 pound, 14-ounce) can dark, pitted cherries, drained
2 cups heavy cream, whipped

Grease two 8-inch layer cake pans; then line bottoms with wax paper; grease wax paper. In large bowl, with mixer at medium speed, beat butter or margarine and sugar until creamy. Add egg yolks and beat until light and fluffy. Combine next six ingredients; stir into butter mixture until blended. Beat egg whites until stiff, but not dry. Fold into batter; then turn into prepared cake pans, dividing batter evenly. Bake in a preheated moderate oven (350°F.) about 30 minutes, or until cake tester inserted in center comes out clean. Loosen around edges; then turn out on rack. Peel off wax paper; let cool. Spread a thin layer of whipped cream over one cake layer. Reserve about ⅓ of cherries. Makes about 12 servings. Top with another thin layer of cream, then with second cake layer. Use remaining cream to spread around sides of cake and to garnish top in lattice pattern. Decorate with remaining cherries; arrange rest over cream.

GRANDMA'S CHERRY TORTE: Once upon a time there was a little girl—her name was Little Red Riding Hood. She was very fond of her grandmother and decided to surprise her with this cake made from an Old-World recipe that has been brought up-to-date. Its juicy, black cherries blend delightfully with the buttery spicy-nut layers and cream.

Put Ban On Smoke

If you're panfrying meat and it smokes, the heat's too high. If you broil the meat and there's smoke, it's too much heat. Moderate temperatures put a ban on these smoke signals and save meat.

Oyster Soup Plus Perfect To Serve At The Noon Hour

Soup and sandwiches are an easy way to fill the lunchtime bill.

Oyster Plus Soup
Egg Salad Sanwiches
Cookies — Beverage

OYSTER PLUS SOUP

2 cans (each 10 ounces) frozen condensed oyster stew soup, undiluted
Milk
1 cup cooked flaked fish
1 can (8 ounces) small green peas, drained
1 or 2 canned pimientos, diced

Partially thaw soup according to label directions; turn into a saucepan. Fill each can with milk and add; heat according to label directions. Add remaining ingredients; reheat but do not boil. (Liquid drained from peas may be covered, refrigerated and used in some other dish.) Makes 6 servings.

Boost For Breakfast

Here's something different to do with scrambled eggs for a first meal of the day: cream a (3 ounce) package of cream cheese until fluffy, then add slowly a cup of scalded milk. Season with salt and pepper. Add 6 eggs which have been beaten slightly. Melt lard or drippings in frying-pan, then add 1 cup cubed leftover ham or luncheon meat to cook with the eggs. Cook slowly stirring only until eggs are set.

This ham and egg breakfast dish is delightful served with toasted English muffin, cinnamon buns or toast.

Mexican Shrimp Pot Is Delicious Fare

With all due respect to modern appliances — and marvels they certainly are — women have been working miracles for years, right on top of their stoves, in capacious pots and kettles. You may not have one of those in your kitchen, but you undoubtedly have a heavy covered skillet or Dutch oven, and that's all you need to make a simply great dish, the Mexican Shrimp Pot, from a Shrimp Association of the Americas recipe. By using the convenience foods listed, the whole process takes only about half an hour, which should be speedy enough for anyone's timetable.

MEXICAN SHRIMP POT

1 pound shrimp, fresh frozen, or 1 (8 oz. or 10 oz.) package peeled and deveined shrimp
⅓ cup olive or salad oil
2 tablespoons chopped onion
3 tablespoons chopped green pepper
1 clove garlic, minced
1 cup converted rice
1¾ cups water
1 teaspoon salt
½ teaspoon oregano
¼ teaspoon black pepper
3 tablespoons lemon juice
½ cup tomato sauce
1 10-ounce package frozen succotash, partly thawed
1 10-ounce package frozen baby okra, partly thawed
½ cup frozen green beans, partly thawed

Clean shrimp, set aside. In a large deep skillet, heat oil. Add onion, green pepper, garlic and rice. Cook, stirring constantly, until rice is lightly browned. Add water, seasonings and vegetables. Toss gently. Cover and cook over low heat 15 minutes. Uncover, arrange shrimp on surface. Cover and cook 10 minutes longer or until rice is tender and plump and shrimp are pink and no longer look transparent. Serve from skillet or turn into casserole. Makes 6 servings.

Pair Charged With 'Trip' Pills To Tots

LOS GATOS (AP) — A one-time San Jose disc jockey and his wife were in jail today, accused of giving marijuana, LSD and other drugs to their five children, ranging in age from 4 to 11.

Thomas Harold Payne, 38, was booked into jail on charges of possession of marijuana and dangerous drugs, contributing to the delinquency of minors, and assault with a deadly weapon.

THE CHARGE

His wife, Diane Marie Payne, 28, was in Elmwood Women's Jail, charged with possession of marijuana and dangerous drugs, and contributing to delinquency.

The two were seized late yesterday after Deputy Lloyd Timmons reported he found Payne kneeling on the ground in heavy rain, with his eyes lifted to the sky.

"The resurrection is taking place in the sky," Timmons quoted Payne. "I can see the resurrection taking place today."

'FIRE DRAGON'

Several of the children played nearby. Two of them told Timmons of seeing a "fire-breathing dragon" roaming the nearby hillside earlier in the day.

Timmons said that when he asked where their mother was, one child said she was in the house "with a sore leg, because daddy shot her with a rifle."

Timmons questioned her and she said she told him the limp was caused by a nerve problem, but that her husband had shot her with a .22 rifle several weeks ago during an argument while both were "high" on methedrine.

PILLS, MARIJUANA

Timmons said he searched the house and found small quantities of marijuana and pills. The officer said Mrs. Payne told him she and her husband gave marijuana to the youngsters. later, at the sheriff's office, Payne was quoted as saying: "All our children can and do use it any time they want."

The Payne children were taken to the Children's Shelter in Los Gatos.

The charge against Payne of assault with a deadly weapon was based on the statement that he shot his wife.

Slayer Admits He Lied About Other Killings

LOS ANGELES (AP)—Gene Earl Davis, under life sentence in the sex - slaying of a secretary, says his opposition to the death penalty caused him to falsely admit two other killings.

He was questioned at a hearing on a new trial for Robert Douglas Hill, 23, convicted in the rape-strangulation Aug. 3 of Mrs. Phyllis Black, a Granada Hills housewife.

Davis, sentenced to life imprisonment after he acknowledged killing Sheryl Cummings, a UCLA medical secretary, later orally admitted killing Mrs. Black and Janice Sorem, a 17-year-old Northridge High School student.

Asked why he had lied about the Sorem and Black slayings, Davis said:

"Because I am against the death penalty and I figured I could cause enough commotion so people wouldn't vote for it."

Novato Students Visit City Hall

Student Government Day was observed in Novato yesterday when the 22 members of the representative council of the associated student body at Novato High School spent the day learning about the city's government.

The student council members toured the city offices, and each department head described how his department is operated. The students were then served lunch at the Community House.

After lunch they had a question and answer period in the city council chambers with Edward W. Adams, director of parks and recreation, answering questions about city government.

Bagley Sees No Repeal Of Housing Act

I-J Special Report

SACRAMENTO — A Senate measure (SB-9) to repeal the Rumford Open Housing Act is not likely to pass an Assembly committee which will hear the bill next month, Assemblyman William T. Bagley, R-San Rafael, predicted yesterday.

Instead of an outright repealer, Assemblyman Bagley has introduced AB 729, which he said would "make the concept of open housing legislation more acceptable to the people."

Bagley's measure exempts single family dwellings from the coverage of the Rumford Act, as well as multiple units of less than five dwellings. The bill also allows the owner against whom a complaint of discrimination has been filed to choose whether his case will be heard by the administrative enforcement agency of in the courts.

Both SB 9 and AB 729 will go to the Assembly Committee on Governmental Efficiency and Economy sometime in mid-May.

"I can almost unequivocally predict, knowing the makeup of that commtitee, that the repealer will not pass," said Bagley.

The Marin assemblyman said he is heartened by Governor Reagan's statement yesterday that he supports the modifications proposed in Bagley's bill.

Homeowners Seek Control Of Planning

The Marin Country Club Homeowners Association wants to take over architectural control of the subdivision now exercised by Marin Oaks Development Co., said its president, James Sullivan, after meeting of the association last night.

Col Jack Berlin, coordinator of the architectural control program, reported more than 51 per cent of property owners in Units 2 and 3 have approved transfer of the responsibility for future construction in their units. Unit 1 and 4 are being canvassed, Berlin said.

County Supervisor William A. Gnoss spoke on the relationship of the county government to such areas as Country Club Estates. He said that the county performs 36 services which benefit both city and rural residents, and five services, among them the county fire department and sheriff's patrol, which do not directly benefit city residents.

Gnoss said he was looking forward to the day when there would be single city-county fire and police departments.

Prior to 1840 dentists received their training by serving as apprentices to those already established. The first school to train them was at Baltimore.

Lewis-Vogel Vows Exchanged

By MOLLY MARIN

Mrs. Cheryl Vogel, who moved from her home in Belvedere three weeks ago, was married to David Hamilton Lewis of Mill Valley in Reno on Sunday. The newlyweds will live in the apartment in San Francisco which the former Mrs. Vogel is occupying. Earlier plans for a wedding in Hawaii in January were deferred because of illness. The decision to go to Nevada for the informal wedding was made after the Bachelor's Ball Saturday night. The couple phoned Mr. and Mrs. Wellington Henderson of Kentfield at their mountain home at Sugar Bowl early Sunday. The Hendersons drove to Reno where they met David and Cheryl and were their witnesses. Cheryl is the daughter of Orson J. Brown of Salt Lake City and the late Mrs. Brown. She has two children, Leslie, 8, and Philip, 7, by her previous marriage to Les Vogel. Mr. Lewis operates a school and art supply firm in 11 western states.

JOINING A group of "Mad Hatters" at the Giants game yesterday were Messers. and Mesdames Lee Brand, Joseph Cresalia, Robert Dawson all of San Rafael along with the Raymond Hasenauers of Mill Valley and the W. Bruce Shafers of Sausalito.

MR. AND MRS. J. PAUL HURD have returned to Mill Valley following a week's trip to San Diego, the Borrego Dessert and Palm Springs, which they made in the hopes of seeing wildflowers. They followed snow ploughs over the pass from San Diego and there were such heavy rains everywhere else that they weren't able to photograph the flowers they did see.

Mr. and Mrs. Benjamin Edwards of Novato celebrated their 25th wedding anniversary at an open house at their home from 2 to 5 p.m. last Sunday. Mrs. A. H. Hedge of Novato assisted them at the buffet reception.

Among the 61 family members and guests attending the open house were their three sons, Phil, Bob and Bruce of Novato and Mr. Edwards' father and wife, Mr. and Mrs. B. F. Edwards Jr. of San Francisco and Mrs. Dorothea Edwards of Piedmont. The Edwardses were married on April 16 in Reno.

MRS. THOMAS ELLIOTT of Tiburon will give a luncheon on Friday. Guest of honor will be her mother, Mrs. Robert Potter of Mill Valley who leaves Tuesday for a five-week trip to Europe. The plans of Tom and Sue Elliott to go to Europe with the Olympic Club rugby team were cancelled out by business committments. Tom, an excellent rugby player, had been asked to be a member of the team.

MARILYN WALDROP and Kathy Marie Jones of Novato were hostesses at a bridal shower honoring Sue Carolyn Hetrick, daughter of Mr. and Mrs. Harry L. Hetrick of Novato, at the Wilfred Waldrop home. Sue will be married to Jon Gordon Traub on May 6 in Novato. Sue is a former worthy advisor of the Novato Assembly of Rainbow and guests were members of her assembly.

Baptist Society Rally In Novato

The Golden Gate Association Women's Missionary Society of the American Baptist Convention will hold its quarterly rally at 10 a.m. tomorrow at the Bethel Baptist Church in Novato.

Mrs. Jesse Parker of Oakland, state representative of the California American Baptist WMS will speak on "Seek To Know, Dare To Obey, Risk The Results."

Society members will bring lunch, with the host church serving dessert and coffee.

SHOWERING FLOWERS

It'll be April Showers with parasols filled with flowers at the Marin Country Club on April 29 when the Novato Junior Women's Club sponsors its semi-formal dinner dance. Mrs. Michael Michaelson, left, chairman, displays a bouquet of flowers with Mesdames Frederick Peterson, center, committee members, and Frank Davis, co-chairman assisting. Cocktails will be served at 8 p.m. with dinner and dancing following.

HELEN HELP US!

By HELEN BOTTEL

Stepfather Wants Custody Of Wife's Two Boys After Divorce

DEAR HELEN:

I am the stepfather of four children. My wife and I are getting a divorce. She has legal custody of her four, as their real father deserted them.

My wife's two boys want to go with me when we split up. I say a boy needs a father, and a stepfather is better than none at all. They are teenagers and we have a close relationship—like father and sons.

I already checked with a lawyer and he says it is legal if the boys want to go with me.

My wife is undecided. It wouldn't make her a bad mother to allow me to finish raising the boys, with her taking the girls. I've been their father for eight years and it would be hard on them as well as me to split up. She works and it would be hard for her to raise four — especially active boys.

Is there anything wrong in children choosing for their stepfather? I love them.

—A FATHER

DEAR FATHER:

Nothing wrong at all, so long as your lawyer says it's legal and your estranged wife gives her okay.

What a shame that a man who rates this high with his stepchildren can't also make it with their mother. Why not try a marriage counselor before you take the final step? —H.

DEAR HELEN:

When did you graduate from college? Or am I flattering you? I refer to your reply to Marie about getting into "the college of your choice" with a B+ average.

I am a recent graduate of one of the Seven Sisters (included in your Big Ten category), and I can tell you one must be an "A" student to be accepted in any of these or their equal.

Also I am a high school teacher who believes in the importance of working my students to the caliber of college work. Academic records are more important than extra-curricular activities. In these top colleges, public high school students are competing with those from private schools and I have never yet found a public high school which offers the advanced courses and good training private schools do.

A student should be forced to work to his fullest capacity. When he doesn't he is sinning against himself, God, (who gave him the ability) and society. An "A" means top capacity. It is almost mandatory these days, with universities so overcrowded. —K.C.L.

DEAR K:

Funny, you'd think a Seven Sisters graduate would read more carefully. I said, "A straight-'A' grind has less chance of making . . . the Big Ten . . . than a B or B+ average student who has leadership qualities . . . " The key word is grind. It indicates a less-than-total person.

With many more knocking than can be admitted, top "name" universities seek brains plus the ability to use them in a world that rejects "eggheads." Scared-rabbit types — even with 3.9 averages — are often shot down.

On the other hand, I feel "making the Big Ten" is a status symbol we could well do without. Sometimes it indicates the kind of snobbishness displayed by a public high school teacher who insists private schools are the only way to travel. —H.

Volunteer helpers mark, sort, help with displays and sell in the store. Contributions are made by merchants and individuals.

Quiet Conversation, Music Are New Officer's Pleasures

A 19-year resident of Marin County, Mrs. Harry Magill of Novato has been elected president of the Lu Sutton Parent-Teacher Association in Novato for the year.

Marjorie Magill and her husband, a certified public accountant with a San Francisco firm, lived in Mill Valley before moving to Novato. They are still active in the Mill Valley Community Church where Marjorie is a member of the choir and teaches a Sunday school class. Mrs. Magill is also active in Marin County Delta Gamma Alumnae Association's amblyopic project. The Magills have four children, Patrick 16, Michael 15, Laurie 12 and Timothy, five years of age.

MRS. HARRY MAGILL

Working with the P-TA is not new to Marjorie as she served as president at Alto, and various offices in the Mill Valley P-TA units and council for eight years and as secretary at Lu Sutton P-TA for two years.

The new president says the projects and activities for Lu Sutton for the year include working on the plaza at the school, a fiesta in the fall, increased emphasis on traffic safety, programs about specific educational opportunities and aids within the Novato District and parent assistance in school activities program.

Mrs. Magill received her degree at Miami University in Ohio and did graduate work at Wellesley College in Massachussetts, Columbia University and the University of Illinois.

She says she most enjoys "quiet conversation and music with friends, watching her youngsters grow up, camping trips and travel with the family and swimming.

Officers elected to serve with Mrs. Magill are Mrs. Charles Zerkel, vice president; Roy Swaney, second vice president; Mrs. George Anderson, secretary; Walter Haught, treasurer and Mrs. Virgil Birdsall, historian.

Air Force Seeks Nurses

Qualified nurses are urged to look into the opportunities as a Air Forec nurse. Sgt. Bill Rea, local Air Force representative, announced that jobs are available in all fields of nursing. Young women who qualify are commissioned as Air Forec Reserve officers in a grade commensurate with their age, education and professional experience, and will enter active duty in that grade. The minimum tour of active duty is two years, except for male murses who are required to serve a minimum of three years.

While on active duty nurses enjoy the same pay and privileges as other Air Force officers of equal grade, including 30 days paid vacation each year. They also work with the most moderan equipment available in a highly professional atmosphere and have an unexcelled opportunity for travel as assignments are availballe both in the United States and overseas.

To qualify, a nurse applicant must be at least 20 but less than 35 years of age; a U.S. citizen; a graduate of at least a three year school of nursing that is acceptable to the Surgeon General of the Air Force. Additionally, applicants must have an active nurse registration in at least one state and meet prescribed physical standards.

Information may be obtained from Seregant Rea at the Air Force Recuiting offices, 819 A St., San Rafael.

New P-TA President Enjoys Working With Young People

Working with young people is the most enjoyable activity for Mrs. William H. Thomson of Mill Valley, who has stepped up to the office of 1967-68 president from that of 1966-67 vice president of the Tamalpais High School Parent-Teacher Association.

She has been a member of the P-TA four years and has been active in Cub Scouts, Camp Fire Girls, Little League and the Marin Swim Club.

A graduate of Oregon State with a degree in home economics and of Ohio State with master's degree in dietetics, Dorothy worked as a dietitian in Southern California until the birth of her first child.

She and her husband, who is wildlife manager in the Department of Fish and Game of the State of California, have lived in Marin seven years and have four children.

MRS. WILLIAM THOMSON

They are Bruce, 17, Emily, 15, and Bill, 14, who are respectively a senior, sophomore and freshman at Tamalpais High School, and Andrew, 12, who is in the seventh grade at Richardson Bay School in Sausalito.

Other new officers are Mrs. Richard N. Jessup, first vice president; Messrs. Robert Prather, second vice president; Laurence Nelson, third vice president; and Roger Falge, fourth vice president; Mrs. William Julian, recording secretary; Mrs. Hans Schiller, corresponding secretary; and Mr. and Mrs. Warren Uhte, co-treasurers.

Outdoor Art Club Elects

Mrs. J. Paul Hurd has been chosen to succeed Mrs. Kenyon Spalding as president of the Outdoor Art Club in Mill Valley for 1967-68.

Other officers are Mesdames John Lennon, first vice president; Alan Ewen, second vice president; Walter Long, recording secretary; Verne Hockett, corresponding secretary; Gerhard Von Bonin, business secretary; and George Gustafson, treasurer.

New board members are Mesdames Albert Miller, house; John Giuliani, rentals; Roger Verran, membership; Carl Massey, grounds; John Buckley, community services; William Jones; ways and means; Alan Kappelman, historian and publicity; Kenyon Spalding, director at large; Thomas Welsh, civics and conservation; Frank Hamilton, cultural arts; George Grant, finance; and Russel Mills, advisory committee chairman.

Officer To Visit Star Of The Sea

Star of the Sea Institute 97, YLI, of Sausalito will have the official visit of Grand President Mrs. A. A. Ridley of Hayward on April 25 at 8 p.m. at the Star of the Sea parish hall.

Theme for the evening will be "Springtime." Chairman Mrs. Arthur G. Strassburger will be assisted by president Mrs. Anthony Mederios.

New members to be initiated will be Mesdames Steffan Shomaker and her mother, Mrs. F. J. Ahern, both of Sausalito.

PLANNING TO WED are Jacqueline Lee Patrick of San Rafael and Steven C. Kane of Larkspur.

Jacqueline Patrick, Steven Kane Engagement Told

The engagement of their daughter, Jacqueline Lee, to Steven C. Kane of Larkspur, has been announced by Mr. and Mrs. James Patrick of San Rafael.

The bride-elect is the sister of Don Cruz of Rohnert Park and is a graduate of San Rafael High School. She is presently employed at Edgewater Boat and Repair in Sausalito and attends College of Marin.

Steven is the son of Mr. and Mrs. Don Kane of Moraga. He was graduated from Terra Linda High School and also attends College of Marin. The future bridegroom is employed with Madera Pet Hospital.

Lecture On Cancer Planned At College

Members of the Associated Student Body of the College of Marin will hear a health education lecture on uterine and breast cancer tomorrow from 12:30 to 2 p.m., at Olney Hall on the Kentfield campus.

Guest speaker will be Dr. Clarence A. Lesko. Two films of the American Cancer Society will be shown.

Three Marinites Are At YWCA Meet

Three Marinites will be among 17 women from the San Francisco YWCA who will attend the National Convention of the Young Women's Christian Association of the U.S. in Boston, Mass., April 24-29.

They include Mrs. Richard Wilmington of the Marin YWCA's committee of management; Kaye Hunt, Marin YWCA director and Dorothy E. Wells of Corte Madera.

North Marin Will Install At April Luncheon

Mrs. Duane Moeller will be installed as president of the North Marin Council Parent-Teacher Association at the annual luncheon on April 28 at the San Marin Recreation Club in Novato.

Mrs. James Greer, president of the 14th District P-TA, will be the installing officer.

A coffee and registration will begin at 9:30 a.m. with luncheon to be served at noon.

Officers to be installed with Mrs. Moeller are Mrs. George Ungemach, first vice president; James Bunker, second vice president; Mesdames Clyde Adams, recording secretary; William Moore, treasurer; Tom Pilkington, financial secretary; Arnold Baptiste, historian and Mr. Al Rivasplata, auditor.

Reception To Honor New Club Members

Seventy new members of the Tiburon Peninsula Club will be honored at a champagne reception at 6 p.m. Saturday at the club.

Club president Joseph Royer and Mrs. Royer, members of the board of directors, the staff and committee chairmen will welcome new members. Mrs. George Cleland is chairman.

Garden Section Lunch

The Corte Madera Women's Club Garden Section will hold its annual hat luncheon Friday at noon in Gregory's Restaurant, Corte Madera.

There will be a contest for the most original, prettiest and funniest hats, and a musical program has been planned.

'African Safari' Theme For United Nations Dinner, Show

"An African Safari" will be the theme of the dinner being given by the Marin Chapter, United Nations Association, April 29, at the Fellowship Hall of Marin Unitarian Church, according to Mrs. Robin Galloway, general chairman.

Included on the evening's program will be a fashion show of African designs by Khadejha, a New York designer. She will describe her African-inspired clothes.

Also featured will be native dances to be performed by African students attending the University of San Francisco, according to Wayne Potter, program chairman.

Of further interest will be an exhibit of items made by Nigerian women which will be sold to benefit a nursery school in Nigeria.

Proceeds from the dinner will go to the United Nations Association, and reservations may be made with Mrs. Phillip Little or Mrs. Eric Moeller. Others on the committee include Mrs. Fileni Schulz, hospitality; Mrs. Ernest Kroner, decorations; Mesdames Moeller, Galloway, Victor Larsen, George Steen-Larsen and John Severinghaus, tickets, and Mrs. Mary Leydecker, publicity.

A hospitality hour at 6:30 will precede the 8 p.m. dinner.

Fads are for people-not dogs

STOP FOOLING AROUND...FEED RED HEART DOG FOOD

SO COMPLETE you don't have to feed your dog anything else

Don't fool with your dog's health by feeding "fad foods" like dog burgers and so-called all-meat rations. Instead, feed Red Heart, the *complete* dog food. Made by a meat processor who knows precisely the meat protein your dog needs, Red Heart also has the vital vitamins and minerals to make its formula complete. The so-called all-meats short your dog on these essentials. And most burger-type products contain 20% or more added sugar, while Red Heart has none. Remember, with Red Heart—the *complete* dog food—you need nothing else. So don't take chances with fad foods. For the life of your dog, feed Red Heart.

BACON, BEEF OR LIVER

Three flavors for variety, one formula for life.

FRESH

If you like tea brewed in the traditional manner—tea pot and loose tea—you'll find Red Rose Tea blended of quality tea to suit your taste.

Red Rose is flavor protected in the exclusive Twin Pak... two sealed inner foil packages to preserve the fresh, delicate flavor for your enjoyment.

John Brebner, playing Cricket in the San Francisco Players Guild production of "Pinocchio," dozes in this scene from the play, which will be presented at 10:30 a.m. and 1:30 p.m. Friday at Brookside School, San Anselmo. Brebner also serves as technical director of the guild.

Ancient Music, Medieval Dinner Set In Mill Valley

A concert of pre-baroque music will be presented by the Consortium Antiquum as one of the events in the Homestead Performing Arts series Saturday at 8 p.m. in Brown's Hall, Mill Valley.

The Consortium Antiquum is a group of Bay Area musicians, including five who live in Marin, incorporated to explore the instrumental and vocal music of the pre-baroque era.

Wearing period costumes, the 22 musicians perform thoroughly researched works from old manuscripts in meticulously reproduced instruments, such as the pipcorn, rotte, gittern, galician and bagpipe, as well as on the more familiar high Renaissance lute and viol.

To provide an authentic background for the concert there will be heraldic bunting for Brown's Hall, and members of the Berkeley Society for Creative Anachronism will usher in chain mail.

Open to the public also will be a pre-concert medieval dinner, starting at 5:30 p.m. at the home of Mr. and Mrs. Orville W. Erringer Jr., 207 Melrose Avenue, Mill Valley. The menu will feature whole roast lambs.

Dinner and concert may be attended separately or together. Handling dinner reservations are Mrs. Erringer and Mrs. Gordon W. Gritter.

Church Seeks Nuclear Ban

LONDON (AP) — The British Council of Churches—without a single dissenting vote—called today for Britain to give up nuclear weapons to keep them from getting into hands of nations now without them.

The council, representing 27 of the nation's Protestant churches, also urged the United States to stop bombing in North Vietnam as a contribution to peace-even if this means loss of some military advantage.

A resolution said Britain should, as a step towards international control and ultimate abolition of nuclear weapons, strive for the possession of them to be restricted to the United States, the Soviet Union and China.

Daughter Of Film Idol Gets Contract

LOS ANGELES (AP) — Court approval has been given a film contract between 15-year-old Romina Power, daughter of actress Linda Christian and the late Tyrone Power, and Paramount Pictures.

Under terms of the pact, Superior Court was told yesterday, the dark-haired teen-ager will receive $7,500 for a week's work as "Snow White" in the movie, "The President's Analyst."

Choral Concert Set

Tamalpais High School's music department will present "Choirs in Concert" April 27 at 8 p.m. in Ruby Scott Auditorium. Performing will be the advance choir, madrigal singers, girls' glee, instrumental ensemble, and Brian Mann trio.

Readings Slated

An evening of readings will be presented April 28 at 8 p.m. in the gallery of Mill Valley library. Chris Thorsen will read his own work, and Phil Sheridan will read from various prose and poetic works.

San Francisco Film Festival Dates Announced

SAN FRANCISCO (UPI) — The 11th annual San Francisco International Film Festival will open Oct. 20 and continue 10 days, according to executive director Claude Jarman.

The San Francisco Chamber of Commerce will sponsor the event again and it will be held at the Masonic Auditorium atop Nob Hill. Nineteen features from almost as many nations will be shown on a non-competitive basis.

Jarman noted yesterday that this will be the third year the chamber has backed the event.

It also announced that California Supreme Court Justice Stanley Mosk will serve as general chairman of the event.

Asked if Mrs. Shirley Temple Black would rejoin the festival board, Jarman said he doubted it but that "she will be welcome" if she wants to return.

Obscene Poster Jury Is Hung

SAN FRANCISCO (AP)—One juror held out for acquittal yesterday, creating a hung jury in the case of three men accused of exhibiting an obscene poster in "hippieland."

The jury deliberated about three and one-half hours before reporting itself deadlocked. Municipal Court Judge Donald Constine ordered a new trial to start Friday.

There were nine days of testimony in the trial of Daric Jerome, 26, Richard Fahrner, 29, and Michael Norris, 20, all employes of Haight - Ashbury district shops.

The poster titled, "Let's liberate Posters," which hung in storewindows and showed men and women in various sexual embraces, the prosecutor said.

Coppolino Jury Hears His Alleged Mistress

NAPLES, Fla. (AP) — A woman who claims she was once Dr. Carl Coppolino's mistress testified today in Coppolino's murder trial that he said he no longer loved his wife two weeks before her death.

Marjorie Farber told the all-male jury she and the 34-year-old Coppolino were lovers in unfolding a story of the relationship she said dated back to 1962.

Coppolino is on trial for first-degree murder in the death of Carmela Coppolino on Aug. 28, 1965. The state says he used his training as an anesthesiologist to inject her with the paralyzing drug succinylcholine.

As Mrs. Farber testified, Defense Attorney F. Lee Bailey moved five times for a mistrial. He said the affair was not relevant.

"I see no reason to make this trial a forum or parade of sordid, sorry extramarital affairs. We should not pursue this," Bailey said.

On the morning of Carmela's death, Mrs. Farber testified, she overheard Coppolino say in a telephone conversation, "They've already started the arterial work. That won't show anything."

Mrs. Farber said she asked Coppolino to explain that and he said it meant there would be no autopsy, she testified. She did not elaborate.

Accusers of Coppolino earlier reached back three years before Carmela's death to events they said would establish a motive for his murdering her.

"We say it was murder for financial gain — to collect $65,000 life insurance on his wife and marry a woman of means," said prosecutor Frank Schaub Tuesday.

"We must show his financial position and the fact that his earning capacity was impaired when he was not reappointed to the hospital staff."

Men's Club Sets Musical Farce

"The Fastest Gun in the Vest," a musical farce written, produced and directed by Kenneth M. Levy, will be presented by the Men's Club of Congregation Rodef Sholem on May 13 and 20 at the Rodef Sholem Social Hall, 170 North San Pedro Road, San Rafael.

Performers will include Sandy Kastle, a former lead singer of Freddy Martin's orchestra; Don Cohen; Marilyn Lapidus, Mel Berman, Martin Avner, Malcolm Cohen, Larry Levine, Marilyn Rudy, and the Rosenthal brothers.

Refreshments will be served.

Utilities Put Underground By 4-1 Vote, Little Debate

Marin County supervisors yesterday, with hardly any discussion, voted 4-1 to insist on undergrounding of utilities on a short stretch of Lucas Valley Road near Mount McKinley Drive.

Donald Johnson, Marin manager for Pacific Gas and Electric Co., suggested that debate might have been underground as well, some time since it was publicly discussed a week ago.

At that time, had a vote been taken, it appeared that Supervisors William A. Gnoss, John F. McInnis and Ernest N. Kettenhofen would have favored streamlined installation over undergrounding. Yesterday, Kettenhofen was the only dissenter on the underground requirement.

McInnis told Johnson he had talked with residents of the area and found a strong desire for the undergrounding.

The first Christian religious service in Northern California was a mass celebrated by Friar Francisco Palou at the Presidio of San Francisco on July 26, 1776.

Academic Freedom Up For College Hearing

College of Marin trustees tomorrow will discuss a statement of policy defining the rights and responsibilities of teachers in relation to academic freedom.

The statement, prepared by the California School Boards Association, is part of a lengthy agenda for the trustees' regular meeting at 8 p.m. in Room G-3 of the physical education complex at the college.

The statement calls for full freedom of research and the right to publish results, provided individual effort does not interfere with performance of regular academic duties. It would also guarantee complete classroom freedom in discussion of a teacher's subject but ban the introduction of unrelated controversial matters.

The statement also asserts the right of a faculty member to express himself on public issues, provided he makes it clear he does not speak for the college and both respects the opinions of others and demonstrates concern for truth and accuracy.

Other agenda items call for acceptance of completion of a temporary corporation yard, award of contracts for an audit for the current college year, for construction of a kiln and for furnishing maintenance shop equipment.

Also on the agenda are employment of certificated personnel, addition of a superintendent of maintenance to the staff and approval of non-credit courses, as well as a new introductory course in the use of computers.

The trustees will also discuss a $4,200 contract with the Marin County Schools Office for audio-visual services and hear reports on film usage and on legislation affecting the district.

Meeting Postponed

Marin City Target Area board's meeting last night was postponed to next week for lack of a quorum, reported Ellie H. Johnson, board chairman. Date of the meeting will be announced.

Lagunitas Trustees Grant Teachers 5 Per Cent Hike

Lagunitas School District trustees last night approved a 5 per cent salary schedule for teachers next school year.

The raise will cost the district $8,900 for 22 teachers in the system. Total cost of teachers' salaries will be $186,050, Supt. Marshall McCunniff said.

The new salary range will be $5,500 to $11,000 in the basic schedule, with merit pay bringing the possible maximum to $11,600.

The board received a memorandum on the building program from McCuniff but did not discuss it. It said discussions with state education officials indicate the district is eligible for state aid toward 13,900 square feet of construction.

That figure is subject to several major decisions, however, McCunniff said today. One is that the present 5,800-square foot building be abandoned. Another is that the new construction include 1,000 square feet for facilities to teach the educationally handicapped. The 13,900 square feet also includes 800 feet in "bonus" because the district's class sizes are below state limits.

Subtracting the three figures would leave a net of 6,900 square feet, midway between figures of 6,000 and 7,500 square feet estimated previously as available for the district's new building project.

Before determining how much state aid is available, the district board must decide whether to raze the present building or renovate it to meet anti-earthquake requirements, and whether to include plans for the educationally handicapped facility, McCunniff said. These will be discussed at the May 2 board meeting, he said.

Architects for the new construction presented sketches showing building and playground layout. McCunniff said the sketches show the site barely meets state requirements for playground and building areas.

CASE OF LETTERS

Politics Enter Seashore Funds

By RICHARD LYTTLE

Politics reared its head and became an obstructionist yesterday as Marin County supervisors tried to reach agreement on a federal appropriations bill for the Point Reyes National Seashore.

After more than an hour of heated discussion and frayed tempers, the board agreed to adopt a resolution similar to that adopted Monday by the San Francisco Board of Supervisors, endoring Rep. Donald R. Clausen's request for $44.5 million for the seashore.

ONE CHANGE

Marin supervisors made one major change, cutting any mention of a sum from their resolution, saying the appropriation should be enough to complete purchase of the seashore.

During the debate, Supervisor Thomas T. Storer accused Supervisor Ernest N. Kettenhofen of trying to make "political hay." Kettenhofen suggested that Storer, as chairman of the board, lacked leadership and Supervisor Peter H. Behr, said Kettenhofen lacked political finesse.

FUEL FOR FEUD

Seed for the dispute was planted last Wednesday when Behr informed Storer at a meeting of the Tirpartite Transportation Committee that Clausen had invited him (Behr) to Washington to testify as a private citizen before the Senate Interior Committee on the seashore appropriation measure, now tied in with the North Coast Redwood Purchase debate.

Kettenhofen, overhearing this conversation, called Clausen in Washington, questioning the invitation to Behr and suggesting it should go through Storer as the chairman of the board.

As Storer explained yesterday, there were several calls, with the result that Clausen canceled the invitation to Behr and Kettenhofen wrote a letter and a telegram to be put before the Senate committee.

NO APPROVAL

Neither of Kettenhofen's missives had approval of the board.

The letter said the Park Services purchases have been haphazard, tending to inflate prices on remaining private land, and that important shoreline property along Drake's Estero was still not purchased. Kettenhofen said that the board should recommend priority purchases to the core of the park, with purchase of periferal property deferred.

The telegram, sent Friday, said the letter would be considered by supervisors yesterday and that "unofficial reaction to date indicates probably approval in essence."

This was not the case.

Supervisor Behr said federal officials would be offended by the suggestion that purchases had been haphazard. "I do not want to be a local bull in a nation china shop," he said.

Kettenhofen said Clausen was seeking detailed direction from the board. He also said that George B. Hartzog, National Park Service Director, whom he also telephoned, did not know that a large part of the Estero Shoreline was still in private hands.

"Hartzog told me that the latest appraisals on remaining land will require an allocation of $65 million," Kettenhofen said.

He further said Storer could have called a special meeting of the board as soon as he heard of Behr's invitation. "It was your opportunity to show the leadership of the board," Kettenhofen said, "But you did not do that."

Other board members all censured Kettenhofen for his letter and telegram.

KUCHEL LETTER

Kettenhofen said that Behr had written Sen. Thomas H. Kuchel on the park without clearance from fellow board members. "I had to ask for a copy and you sent me one saying, 'I guess I was naughty'."

Behr said a letter to a senator is different from a letter to be read at a hearing of a Senate committee.

Kettenhofen said he would do it all again and that the situation arose from the unusual circumstance that Storer was Clausen's opponent in the congressional race last year. Communications would havs gone to the chairman otherwise, he contended.

Storer emphasized that the campaign has no bearing on his position.

Legal Abortion Leader Is Named

Dr. Thomas P. Lowry of Tiburon has been elected chairman of the Marin County chapter of the California Committee to Legalize Abortion.

Other officers chosen by the new organization are Dr. Thomas Hart of Ross, vice chairman and treasurer; Mrs. Brian Piece of San Anselmo, membership chairman, Mrs. J. Kiefer of Corte Madera, recording secretary, and Mrs. Ellen Misenheimer of San Rafael, corresponding secretary.

Next meeting will be May 16 at 7:30 p.m. in Alexander Hall of San Francisco Theological Seminary, San Anselmo.

MARIN FIRE CALLS

YESTERDAY:

11:39 a.m., Tiburon — Darkroom fire at home of Robert L. Hampton, 15 Juno Road, with $200 estimated damage to room and contents. Cause being investigated.

6:20 p.m., Alto — Closed main to hydrant broken in 200 block of Reed Boulevard by car driven by A. M. Phelan, 300 Reed Boulevard. Slight water damage to nearby homes.

7:40 p.m., Terra Linda — Short-circuit in wiring of car in Mobile Service Station, 625 Del Ganado, belonging to Lawrence Davies, 17 Colfia Court; $30 damage.

9:10 p.m., Sausalito — Overheated dishwasher motor at home of Harlan Koch; damage to motor estimated at $50.

10:03 p.m., Larkspur — Flooded carburetor in car of Gary Peck of Rohnert Park while parked at Pinky's Pizza Parlor, 1159 Magnolia Avenue, damage moderate.

JOHN AYLWIN
Wounded in Vietnam

Purple Heart Is Awarded To Marinite

The Purple Heart has been awarded Sp5 John Aylwin of Sleepy Hollow, wounded recently when his tank was knocked out by a Viet Cong shell in Vietnam.

Aylwin, son of Mr. and Mrs. John Aylwin of 33 Van Ripper Court, is now hospitalized in Yokata, Japan, recovering from his wounds.

He had been in Vietnam as a tank driver with the First Infantry Division since January, when he volunteered for war duty while serving in Germany. Aylwin participated in the Iron Triangle and Junction City operations in Vietnam.

The 23-year-old Aylwin is a former College of Marin student.

Safety Commission Faces A Precedent

The Marin County Safety Commission, meeting at 8:30 a.m. tomorrow at the Civic Center, will observe a first.

Commission member Martin E. Nelson said it will be the first time there has not been a lost time accident for the commission to consider at its monthly meeting.

Old-Timers Recall Earthquake Era

Above the grief and heartbreak of the San Francisco earthquake and fire, Bert Werder said last night, he remembered the spirit of cheerful courage and helpfulness of the people.

Werder told a Belvedere-Tiburon Landmarks Society audience in Reed School Auditorium anecdotes of his own experiences in the 1906 disaster, "the way it was."

He was pressed into service to help evacuate people from their homes, to fight fire, and to help distribute food and clean up the debris.

"They keps us busy, but they fed us when we were hungry. We slept just anywhere," he related.

Prior to Werder's talk, the audience saw a film from KPIX, "disaster at dawn," recollections of a newspaper reporter, Edgar (Scoop) Gleeson, who covered the event.

Werder's account differed from some details of the film.

A few old-timers in the audience volunteered their versions of the way it was (and the way it wasn't). They remembered the original earthquake as lasting 48 seconds, not 65 as reported in the film.

There was a lively discussion over whether they had felt minor aftershocks.

Britton Rey, former Belvedere city manager, said he remembered a road between Point Reyes and Inverness, now an "S" curve, which had been straight before the quake.

One old-timer recalled some grisly details of looters being shot and left on the streets as warnings.

Another man recalled a strong east wind blew for three days, fanning the fire.

Lucas Valley Citizens Form New Park Group

By-laws were adopted and officers elected last night bringing the San Rafael Park Civic Association into being.

Last night's meeting at the Civic Center, with 41 residents of the Lucas Valley community, included a discussion of community concerns, director Mrs. Lea Nixon reported.

Among concerns are location of condominiums planned west of the community, location of two water tanks proposed south of San Rafael Park by Marin Municipal Water District, a traffic signal at the Lucas Valley-Las Gallinas roads intersection, planting on Las Gallinas Road intersection, the city's master plan for the area, drainage problems, school development and possibility of a community center.

Newly elected directors will meet at 8 p.m. today at Mrs. Nixon's home, 102 Lucas Park Drive. They are William E. Lange, James Ryan, Arthur T. Lang, Thomas Taylor, William McLachlin, Ricardo A. Ratti, and Mrs. Nixon.

Lone Bid Filed On Sewage Unit

Only one bid on a sewer plan centrifuge was received by directors of Las Gallinas Valley Sanitary District last night.

The bid of $42,422 by Dorr-Oliver, Inc. of Oakland was taken under submission, with board decision slated May 4, district secretary Helen Foulkes reported.

Directors agreed to spending $6,000 to repair manholes in Gallinas Village.

TODAY'S EDITORIAL

Conference Tomorrow To Discuss LSD Effect

The increasing use of lysergic acid diethylamide and the many tragedies that have resulted are causing some alarm among Marin residents.

Some of the more emotional are demanding that the police and the courts clamp down and stamp out LSD once and for all.

However, clamping down on LSD users is far easier said than done. In the first place, the unpredictable effects of LSD on different individuals makes it almost impossible for even the trained investigator to spot those under the influence.

And even if the users are spotted and disciplined in the adult court or through juvenile procedures, there is no assurance that the violations will not be repeated. LSD is so easily acquired and its use is becoming so widespread that law enforcement agencies and the courts cannot hope even to "hold the line," let alone stamp out the use of this hallucinatory drug. The emphasis must be on prevention, not cure.

If any headway is to be made, much of the initiative must come from the public at large, from schools and churches, from parents, and most important from the individual users themselves. The physical and mental damage that can result from LSD induction must be impressed upon potential users so that they themselves will voluntarily shun the drug for self-preservation.

The press, law enforcement officials, medical men, and other organizations have been trying to flash the danger warning.

Another attempt will be made tomorrow night at Ross General Hospital, where a three-man panel will present the facts on LSD and its effects to a select audience.

The Marin District Attorney, a psychiatrist, and the director of pharmacy services at Ross General Hospital, will be among the speakers.

Actual attendance at the meeting, to be held in the hospital dining room, will be limited. Unfortunately, the hospital dining room can accommodate no more than 100.

But because of the nature of the conference, the warning message will eventually be disseminated to a much wider audience, particularly to youth. Ross Hospital has invited high school faculty members, counselors, behavorial science teachers, College of Marin faculty, and others engaged in youth guidance.

Tomorrow night's conference, as we understand it, will approach the problem strictly from a medical standpoint — just how LSD affects the mind and the body, and the permanency of the effects.

This we feel is much more valuable than a mass meeting where those who have taken LSD "trips" merely recount their experiences and bask in the attention focused on them.

We commend the hospital for sponsoring this meeting and hope that information provided will be passed on to the community at large. More such meetings are needed to impress on the community that this is one problem that police and the courts alone cannot solve.

The community must become involved and aware of the dangers. Tomorrow's conference is a step in that direction.

Whither Our Refuse?

What to do with our trash and garbage is a major problem for Marin, as well as the rest of the country. The easy solution is to find a piece of marshland, call it a dump, fill it with trash, let it settle, and build on the newly created real estate.

But the U. S. is producing more and more refuse at the same time it is in danger of losing all our wetlands. It is estimated that by the year 2000, the nine Bay counties will have produced enough refuge to fill 50 square miles 20 feet deep.

The story of disappearing tidal flats is the story of disappearing shell-fish, fin-fish, waterfowl and the entire spectrum of swamp life. What to do with refuse is a genuine problem which defies easy solutions.

AFFAIRS OF STATE

Democrats Favor Withholdoing Not Likely To Make First Move

By HENRY C. MacARTHUR

SACRAMENTO (CNS) — Right now, the question of whether the state will be saddled with an income withholding tax, along similar lines as the federal procedure, remains unanswered. The odds, however, if anyone chooses to place bets, favor no withholding tax.

Strangely enough, the question is not one which will be solved on a partisan basis. Gov. Ronald Reagan is opposed to a withholding tax, and has been since the campaign started last year. Assemblyman Jack Veneman, Republican from Stanislaus County, has a bill before the legislature which calls for this method of taxation.

SOME DEMOCRATS FAVOR the tax and others do not. Generally, however, it may be said that generally, the Democrats in the legislature are not averse to the tax.

All of which brings up another piece of political strategy, which is that the Democrats, while favoring the tax, do not wish to be the perpetrators of inflicting it upon the people of California, who already suffer from employment of the procedure by the federal government.

Earlier in the session, the Democratic strategy leaned toward voting for withholding in the event it was requested by Reagan. The leadership was aware that it might be necessary to impose withholding, and decided political strategy that forced the governor to request the tax would detract from the Republicans and build up the Democrats.

UNFORTUNATELY FOR the Bourbons, this bit of political hanky-panky went down the drain when Gordon Smith, director of finance, informed the assembly revenue and taxation committee that withholding was not necessary this year to insure a cash flow to the general fund which would maintain it in sufficient quantity to assure normal financing of the state's obligations.

Thus, if the Democrats forced withholding through in face of Smith's statement that it isn't necessary, they would be defeating the very purpose of their strategy, which is to avert blame for the tax.

However, there is a lot more to the question than the mere matter of who is to blame and who is not to blame.

The matter of withholding affects the lives and paychecks of millions of people in the state, not to mention the added costs it will entail on the business interests of California in performing the collection operation for the state. And business will derive no revenue from this bookkeeping operation.

PAYCHECKS WOULD BE reduced as a result of withholding, a situation which would foresee immediate demands on the part of workers for more money. In many instances, this would be granted, only to force increased costs for goods and services, which would have to be absorbed by the general public.

And following the complete cycle, in the end the general public would absorb the cost, as well as be paying a tax with little realization that they were paying it, thus shunting a part of the responsibility of the citizen in underwriting a government of citizens.

SOME PART OF the answer may come from a suggestion of the California Taxpayers Association, which is to collect half the tax from people with adjusted gross incomes of $15,000 or over in September instead of April. But this is a new idea, and one which will have to have much consideration before it is put into effect, if ever.

TRY AND STOP ME

By BENNETT CERF

WELL NOW, there was this hard-crusted millionaire banker who was ordered by his doctor to get a job pronto in the open air if he wanted to continue to enjoy his wealth on the planet Earth. So the banker bought himself a filling station. His first morning on the new job, a motorist chugged in and ordered ten gallons of gas. "What's your destination?" demanded the banker. "Scarsdale and back," was the answer. The banker eyed him coldly and asked, "Don't you think you can make do with five gallons?"

It was the report of a reassuring remark made by the psychiatrist to a long-time patient: "You need worry no longer about having an inferiority complex, Mr. Griswold. You ARE inferior."

WHAT OUR READERS SAY

Let Bells Toll For Mitchell

Editor Independent-Journal:

Let the bells of Christian churches toll for Aaron Mitchell, an unfortunate human being. Let them also toll for Mitchell's innocent victim.

More to the point, since crime prevention rather than revenge is the Christian motivation supporting the death penalty, let Christians be sure that the bells of their Christian churches, having tolled for Mitchell, also toll for the innocent victims of today's and tomorrow's crimes of violence.

Reader Defends School Survey

Editor, Independent-Journal:

The charge, reported in your paper, that the recent survey of school teachers in Sausalito by a group of parents was "amateur" once again illustrates the habit of our schools' critics to make reckless accusations without inquiring after facts. I was one of several scholars involved, and have both educational and practical experience in public opinion research. I will be glad to review my methods and use of statistics with any interested party.

The questions in the survey were taken, almost verbatim, from charges made in our district during the past month. The survey was designed to test teacher reaction to these charges and was an effective instrument for this limited purpose. Response to it was voluntary and took no more than a few minutes of after school time which avoided any disruption of classes. The results of the survey were only one of many indices used to reach the conclusions presented to the Sausalito school board on April 11.

As for injecting politics into the schools, the unsubstantiated criticisms of our educational system in the current election campaign had already done that. Our parent group merely responded to repeated official invitations to parents that they visit the schools and see for themselves. I regret that the critics have yet to avail themselves of such a splendid opportunity, as I am convinced that such an experience would win their respect for our educational programs as readily as it won my own.

Coverage Ignores The Real Vigil

Editor Independent-Journal:

On the eve of the tragic execution of Aaron Mitchell in San Quentin's gas chamber, up to 500 persons assembled in silent vigil to protest his death.

For a full 12 hours, the vigil was marked by solemn prayer, respectful silence, and quiet singing. The single disturbance was an altercation involving but a few persons and lasting not more than 45 seconds.

Yet the Independent-Journal, in reporting the execution, chose to present only that fraction of the vigil which was marred by this incident.

Your story virtually ignored 500 calm and peaceful vigilers dedicated to the abolition of the death penalty, and instead focussed on the one counter-demonstrator, a man himself representative of a philosophy responsible for the execution of six million.

You devoted over a third of your article (and your headline) to an occurrence whose duration in time was less than 1000th of the vigil's length.

Your only photographs implied that the vigilers were violent, oddly-dressed "beatniks" —in reality the majority of those present were conventionally dressed and temperate in action.

It surely is not the policy of this newspaper to distort fact to the extent that his aricle has done, and the source of error or deception should be investigated.

One of the verses of the vigilers was "The truth shall make us free"; perhaps we in Marin will remain partial slaves until the Independent-Journal insists upon complete accuracy and truth.

Their Choice Is Indeed Death

Editor, Independent-Journal:

In regard to the death penalty, we tend to overlook the fact that these men have chosen that manner of death for themselves. Knowing that this was the penalty, they chose of their own free will the way of life that would bring it about. We are a little late protesting and feeling sorry at the door of the gas chamber. We should do our protesting when a young person shows signs of turning to a life of crime. That is about the only time it would do any good.

The law of nature is survival of the fittest. We tend to break that law by preserving and protecting our morally, mentally and physically weak people so that they live and reproduce their own kind. Our strongest and finest young men are sent to war often to be killed. Then we wonder why crime increases and the race is deteriorating.

I am in favor of more use of sterilization of the weak, the unfit, the incompetent, and especially the dangerous people of our civilization. Perhaps, through no fault of their own, they are not productive but are a drain on society. In the case of criminals they are a danger to other people. Of course, they must be cared for as humanely as possible at great expense to the public; but they should not be allowed to produce offspring and then by heredity, example and environment pass their own mental, moral and physical characteristics on to them.

ROSCOE DRUMMOND

At Last, A Serious Study Of Flying Saucers Started

BOULDER, Colo. — The U. S. government is at last really trying to find out if those flying saucers are real.

The UFOs are being taken seriously in a resourceful and openminded investigation to get at the facts — regardless of where they lead.

This means that "The Case of the Flying Saucers: Real or Myth?" is going to have its day in the court of objective inquiry and I am persuaded that the new investigators are not going to be deterred by the cynics who like to dismiss all sightings and find explanations later or trapped by the hoaxers who make the work of thorough study so difficult.

THE BEST GUARANTEE that it is a hard-headed, nonnonsense investigation which the University of Colorado is carrying out for the Air Force is the man who runs it — the nuclear scientist, Dr. Edward U. Condon, tough-minded head of CU's department of physics and astrophysics.

Dr. Condon fought off the politicians and the know-nothings when he headed the U. S. Bureau of Standards in Washington in the '40s, and he is not one to be intimidated by that breed of scientist who cringes professionally at the very thought of taking UFOs seriously or by those in the military who in the past have been far more interested in burying the facts than looking at them.

IF YOU ARE AN agnostic on flying saucers as I am — that is, don't know but willing to be shown — you have reason to be satisfied that the Condon investigation, under a $300,000 Pentagon contract, is being undertaken by a good team at the right time.

From my conversations in Boulder with Dr. Condon and Robert J. Low, who left his position as assistant dean of the graduate school here to devote full time as project coordiantor, I feel you can dismiss the belief that the UFO investigation could be the captive of the uncritical doubters or the uncritical believers or just a sly gesture by the Air Force to get the UFO thing off its back.

The most reassuring fact is that Dr. Condon and his staff are not going to be satisfied just to sift through old reports and try to glean new clues.

They are going to do that — and more. They are going to exhaust all reasonable possibilities of getting new evidence capable of proving the existence of flying objects for which no conventional explanation is adequate.

THE CONDON TEAM is not closing its mind to the possibility that the source of UFOs could be outer space. In fact, the most refreshing thing about the whole project is the spirited objectivity of its approach. There are both believers and non-believers on the team — and that is as it should be — but the evident mood which, I am sure, is in large part generated by Dr. Condon himself, is intense curiosity and one of "let's get at the facts whatever they may show."

Robert H. Hall, the assistant director of the National Investigations Committee on Aerial Phenomena, a competent and balanced private group which has long been gathering and sifting UFO information speaks highly of "the truly scientific attitudes of the Colorado scientists."

THIS SEEMS to me to be a needed and trustworthy attempt to get new and significant information on the UFO mystery. The reason such an authoritative investigation is needed is that there are too many sightings by responsible observers — the minimum is more than 650 in all — for which there is absolutely no satisfactory explanation.

This investigation comes none too soon. For too long the public has been battered by the extremists on both sides, and the Air Force's back-of-the-wrist dismissal of the evidence has only fed speculation by its own unrealiability.

Let's cease speculation for a year and wait for the Condon report.

INSIDE WASHINGTON

LBJ Ponders New Assassin Probe

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — For the first time since the Warren Commission published its findings, President Johnson is seriously considering designating a federal agency to receive and examine any new evidence turned up on the assassination of President Kennedy.

Under a proposal discussed in the White House, the Justice Department, with FBI assistance, would be empowered to study and pass on new information.

AUTHORITY FOR SUCH a review and the issuing of reports and findings by the Justice Department would be included in an executive order to be issued by the President.

This order, it has been suggested, might be promulgated in connection with the National Freedom of Information Act enacted by Congress last year and due to become effective July 4.

This law requires the President to determine which of the still-classified records of the Warren Commission on file at the National Archives should be made available to the public.

APPROXIMATELY TWO THIRDS of the commission's estimated 28,000 documents have been declassified since it published its findings on September 28, 1964. The remaining one-third, which includes several hundred documents believed to have significant news value, are still barred from public scrutiny.

As interpreted by the Justice Department, under the new law government documents can be kept secret only if the President rules that is necessary "in the interest of national defense or foreign policy."

Pending decision on what to do about the proposed plan, the President has asked Attorney General Ramsey Clark to review the still-unpublished Warren Commission documents and recommend which should be declassified.

THE PRESIDENT ALSO plans to discuss the proposal with the seven members of the Warren Commission. One of them, Rep. Hale Boggs, D-La., has suggested that Clark examine the X-rays of President Kennedy's body made at the time of the autopsy.

It has been charged that the Warren Commission did not study these X-rays. This is flatly denied by Boggs, Senator John Sherman Cooper, R-Ky., and other members. They say emphatically the commission did have the X-rays and examined them.

Under arrangements between the Kennedy family and the Justice Department, the X-rays and other photographs taken during the autopsy, for a five-year period, can only be seen by "persons authorized to act for a congressional committee or government agency vested with authority to investigate the assassination."

IN DISCUSSIONS AT the White House, the President has been urged to have Clark, a trusted personal friend, study the X-rays and advise him what should be done regarding them.

At the President's request, the attorney general also is keeping him informed on the assassination inquiry being conducted by New Orleans District Attorney Jim Garrison.

I-J REPORTER'S NOTEBOOK

Student Gives This Writer Phone Workout In Spanish

A caller last week would only speak to us in Spanish. A few attempts to use our limited knowledge of "Espanol" failed to determine that the call was urgent.

WE SUSPECT the girlish voice was a Reed District pupil kept home, perhaps to recuperate from a bout with the sniffles.

"Que lastimo. Que pasado?" she said several times. "Que pasado" I remembered was "what happened?" but had to check with a Mexican-American friend to recall that "que Lastimo" is an exclamation, "how sad."

I recognized other phrases as some usually found on Spanish-teaching records or in school books.

Reed School District is proud of its Spanish-teaching program. I wonder if the teachers realize their pupils practice Spanish over the telephone from home? Apparently daytime TV palls, even for the younger generation.

GOOD GUYS don't always wear white. Sometimes they wear dark police uniforms and ride motorcycles.

I was parked downtown in San Rafael one afternoon and had trouble pulling back into the heavy commute traffic. I sat through two light changes with my turn signal winking hopefully, watching for a patch of daylight between two cars.

Then I heard the motorcycle. A San Rafael policeman was in back of the car parallel to mine. As the light turned green, the policeman waved gallantly for me to pull out ahead of him, while cars champed at their steering wheels behind him.

That cop on a motor-bike looked better to me than a white knight on a horse.

I don't mind the word "cop" since I found out it's an old English abbreviation for "constable on patrol."

A CALIFORNIA Highway Patrolman was a good guy last week, too, when he scooped a dog off the busy freeway and brought him to the patrol office in Corte Madera.

The cute, furry pooch was surrounded by admiring clerks and secretaries, as well as patrolmen, at the office. Like a lost child in a police station.

He didn't get an ice-cream cone, though. He did get reunited safely with his owner, thanks to the quick-thinking patrolman who rescued the dog in his black-and-white car.

The combination of dogs, boys and bikes often results in reports on police blotters.

Policemen in Belvedere and Tiburon don't record many bicycle accidents involving girl riders. It's uusally the boys on wheels who dash out in front of cars and run stop-signs.

I've seen girls, as well as boys, riding on the wrong side of the street, however, a dangerous habit.

THE MOST recent accident in this area was when a boy on his bike rode in front of a car in the boardwalk parking area. The boy was so uninjured Tiburon Sheriff's Deputy Joe Kelly had to pursue him by police car to question him.

All bicyclists who tangle with moving cars aren't that lucky.

The car's driver was understandably shaken by the incident. More so than the young bike-rider, who only expressed concern that his dad might find out, Deputy Kelly said.

The deputy was concerned that he had one more bicycle incident to record in the daily log.

As for boys and dogs (don't get me wrong — I like both). I've lost some rubber off my tires in close calls with both of them on Paradise Drive, in particular.

THE TROUBLE happens sometimes as a boy dashes across the road and the dog appears seconds later, following the boy — afte rthe driver thinks the danger is past.

Sometimes, a dog sees a bird across the street and gallops off on its own. Obedience training and/or a leash might help to curb the frequency of these incidents.

There's a German shepherd dog who likes to run at cars along Paradise Drive. One afternoon, when no cars were in sight, I stopped just long enough to deliver a brief lecture called "good dogs don't run at cars". They live longer that way."

HE WAS STILL looking after my car with a surprised canine expression as I drove off.

It takes four pounds of grapes to make one pound of raisins.

ART BUCHWALD

Giving Students Their Way Can Be Disastrous, Too

WASHINGTON — Last week Stokely Carmichael told the students at Fisk University in Nashville to take over the school. There have been similar suggestions made by radical speakers on other campuses, and it's hard for an outsider to figure out what exactly the far-out students would do if they did take over the school. Perhaps it would go something like this.

"Hey, man, we are now in complete charge of Banana University. Since it was my idea, I'm the new chancellor."

"Crazy. I'm the president. Dirty Eddie is the new dean of men, Clara is the dean of women and Papa Pete is dean of medicine."

"HEY, CHANCELLOR, there's a bunch of kids outside who want to know when classes are going to beginn."

"Tell them they can start any time they want to."

"But there are no professors left. They all took off when you took over."

"Well, get some graduate students to teach them. They're on our side."

"The graduate students say they won't start teaching until they see some bread."

"We don't have any bread."

"I got it, Chancellor. Let's charge tuition and use that to pay the instructors."

"THAT'S A GOOD IDEA, Dirty Eddie. You announce it to the students. Tell 'em we need tuition to pay the teachers so classes can start again."

Dirty Eddie comes back in a few minutes. "The students wouldn't listen to me. They said we are part of the reactionary administration now and they're going to hang us all in effigy. The student newpaper has come out with an Extra attacking our high-handed attitude in dealing with their demands."

"What are their demands?"

"They don't know. They said if we were sensitive to their feelings, we'd know what they should demand."

"Clara, you go out and talk to them. Maybe you can find out what they want."

CLARA RETURNS. "They're holding a rally now to demand our resignations. They said there will never be peace on campus until they have a say in the running of the school."

"But we represent them."

"Not any more we don't. David and Bathsheba have started a new organization called 'Students Against the Student Administration.' They said we have to negotiate with them or they're going to boycott our antidraft rally tomorrow."

"OH, THEY ARE, are they? Well, we'll see about that. Get me the campus chief of police. . . . Chief, this is Chancellor here. The students are holding an unauthorized rally on the promenade. I want your men to break it up and arrest the ringleaders. Yes, use police dogs and billy clubs if you have to, and call in the National Guard only if it's absolutely necessary."

"Chancellor, the students have just set fire to your motorcycle."

"That does it. I'm going to resign. If that's all they care about higher education, they don't deserve a decent administration."

"WE'LL ALL RESIGN. Let David and Bathsheba have the headaches of running this place."

"You said it. I'd rather be back on LSD anyway."

"Wouldn't we all?"

Wheat is a major Spanish crop.

Congressman Demands Secret Apollo Notes

WASHINGTON (AP) — A congressman probing the Apollo fire charged today the spacecraft's contractor didn't correct problems cited in a report he says space officials are suppressing.

"Why are they hiding it?" asked Rep. William F. Ryan, D-N.Y., member of a subcommittee that keeps watch on the National Aeronautics and Space Administration. "NASA should not try to keep the full facts from the American people."

Ryan said a summary of the so-called Phillips report "found insufficient competence in key management and technical positions" at North American Aviation, Inc., 16 months before the tragic fire.

North American built the spacecraft in which three astronauts died during launch pad tests at Cape Kennedy, Fla., Jan. 27.

Ryan said Phillips' findings — as indicated in the summary of his report — coincide so closely with the deficiencies found by a review board on the Apollo accident that it is "hard to believe that the deficiencies. . .did not contribute directly to the accident."

In testimony before the Senate Space Committee, NASA's associate director for manned space flight, Dr. George E. Mueller, said space officials believe deficiencies cited in the Phillips report had nothing to do with the cause of the Apollo fire.

Cuban Exiles Brand Photo Of Guevara, Fidel A Hoax

MIAMI, Fla. (AP) — Former associates of Che Guevara, the vanished international guerrilla leader, say purported Guevara photos published in Havana are those of a double.

They say his eyes, forehead, nose and lips don't jibe with those in the pictures.

"Che didn't even smoke cigars that way," said one of Guevara's closest acquaintances, Raul Diaz. "He smoked them drooping."

Diaz accompanied Fidel and Raul Castro, Guevara, and 78 other revolutionaries from Mexico to Cuba aboard the expeditionary yacht, Granma in 1956.

"It definitely isn't Che," he said. "It is a good imitation, but you can't perform plastic surgery on eyes. Che's eyes are slanted, and these are not."

Other exiles acquainted with the once powerful figure in the Castro regime agreed that it was not Guevara.

The photos appeared in a pamphlet distributed in Havana by the Havana-based, Communist-led Tricontinental Congress. The pamphlet contained a purported message from Guevara mentioning guerrillas in Bolivia and Brazil. It didn't say where he was.

After Guevara disappeared from public sight two years ago, Fidel Castro said he was on revolutionary duty in an unnamed country.

Car Hits Pedestrian, But He's Only Bruised

Lester Ronald Webb, 45, of 883 Fourth Street, San Rafael, received only bruises when struck by a car Monday night at Second Street and Grand Avenue, San Rafael. He was treated at Marin General Hospital.

Police said Webb was struck by a car driven by Thomas William McCarthy, 34, of 200 La Brea Way, San Rafael, as Webb was walking across Grand Avenue.

HARDTOP
$2595
Here's the closest-to-new little Mustang 2-Dr. hardtop in Marin County at a real savings in price.

Local lady who has always owned Buicks purchased from local Ford dealer a little over four months ago and has put just over 2,000 miles on the car. She couldn't get used to the Mustang size and has just purchased a new Buick Skylark.

This all-white Mustang has blue bucket seats with automatic transmission, radio, heater, 6-cyl. economy engine and lots of other extras.

Sold new for almost $3300—but we'll sell for only $2595. Our lady customer will be glad to verify the condition of this car to any valid buyer.

No. 648 Apr. 14, 15, 17, 18, 19, 1967

NOTICE OF PROPOSED CHANGES IN THE REGULATIONS OF CALIFORNIA STATE BOARD OF FORESTRY

Notice is hereby given that the California State Board of Forestry, pursuant to the authority vested by Sections 4578 and 4579 of the Public Resources Code, proposes to adopt, amend, or repeal regulations in Section 911-919 inclusive of subchapter 1, Chapter 2, Division 14, Title 14 of the California Administrative Code as follows: (new wording underscored)

(1) Amend Section 911

Statement of Purpose. The purpose of these rules is to establish minimum standards of forest practices for promoting the maximum sustained productivity of the forests of the Redwood Forest District in the interests of the economic welfare of the State of California and the continuance of the forest industry, as contemplated by the Forest Practice Act (Sections 4521, et seq., Public Resources Code).

(2) Amend Section 912.02

Logging Area. "Logging Area" means that area on which timber operations are being conducted, and within one hundred fifty (150) feet, as measured on the surface of the ground, from the edge of appurtenant roads and railroads owned or controlled by the timber operator;

(3) Amend Section 912.04

Timber owner. "Timber Owner" and "private timber owner" means any person that owns commercial timber, timberland, cutover land, or timber rights on lands of another except a governmental agency;

(4) Amend Section 912.05

Timber Operator. "Timber Operator" means any person that is engaged in timber operations, except a person who is engaged in timber operations as an employee with wages as his sole compensation;

(5) Amend Section 912.07

Minimum Stocking. "Minimum stocking" means a well distributed stand of live and healthy coniferous seedlings or trees which contain a combined count of nine hundred (900) per acre as follows:

a. Nine hundred (900) coniferous seedlings per acre at least one (1) year of age and less than three (3) years of age; each seedling to count as "one" toward meeting stocking requirements.

b. Three hundred (300) established coniferous trees per acre at least three (3) years of age and not more than four (4) inches d.b.h.; each tree to count as "three" towards meeting stocking requirements.

c. One hundred (100) coniferous trees per acre over four (4) inches d.b.h. and not more than twelve (12) inches d.b.h.; each tree to count as "nine" toward meeting stocking requirements.

d. Fifty (50) coniferous trees per acre over twelve (12) inches d.b.h.; each tree to count as "eighteen" toward meeting stocking requirements.

Redwood root crown sprouts will be counted using the average stump diameter one (1) foot above average ground level of the original stump from which the redwood root crown sprouts originate counting one sprout for each foot of stump diameter to a maximum of six (6) per stump.

(6) Amend Section 912.11

Snag. "Snag" means a standing dead tree or standing section thereof regardless of species;

(7) Amend Section 912.12

Tractor Roads. "Tractor roads" and "tractor skid trails" means constructed trails or established paths used by tractor or other vehicles used for skidding logs in going to and from landings;

(8) Amend Section 912.14

Tight-lining. "Tight-lining"means to move rigging from one tail block location to another and tightening the main line to pull the cable to the new position.

(9) Amend Section 913.

Cutting Practices. For restocking logged timberlands, every timber operator shall conduct timber operations according to the following standards:

913.1 **Tree and Group Selection Cutting. Leave uncut and undamaged at least an average per acre of four (4)** seed trees twenty-four (24) inches or more d.b.h. or **eight (8)** seed trees eighteen (18) inches or more d.b.h., or a combination thereof **on any area that is cut, provided however that** no point within said cut area **shall be** more than **two hundred fifty (250) feet, as measured on the surface of the ground** from a seed tree **located within said cut area.** Combinations of numbers and sizes of seed trees as required in this section shall be determined as follows: Each seed tree twenty-four (24) inches or more d.b.h. shall be equivalent to two (2) seed trees which are less than twenty-four (24) inches, but eighteen (18) inches or more d.b.h. **For the purpose of this section, cut area will be that area upon which cutting has taken place, the exterior boundary of which shall be determined by a line connecting the center of the stumps of trees cut along the outer edge of the cut timber.**

913.2 Duration of Seed Source. Seed trees may be cut or removed, provided **logged areas** have a well distributed young growth stand which before and after removal of seed trees meets one or a combination of the minimum stocking requirements.

913.4. Exceptions. The requirements of these rules as provided in this article shall not prohibit the cutting or removal of trees for the purpose of clearing rights of way, log landings, campsites or firebreaks.

(10) Change previous section from 913.3 to 913.4 and Adopt new Section 913.3 as noted below.

913.3 Block Cutting. Timber may be cut in blocks provided all the following conditions are met:

(a) The width of the cut block does not exceed one thousand (1,000) feet, measured along the surface of the ground.

(b) No point within the cut block is more than five hundred (500) feet, measured along the surface of the ground, from an adjacent seed source owned or controlled by the timber operator.

(c) The seed source areas shall contain an average of at least ten (10) well distributed seed trees twenty-four (24) inches or more d.b.h. per acre or twenty (20) well distributed seed trees per acre eighteen (18) inches or more d.b.h., or a combination thereof. Combinations of numbers and sizes of seed trees as required in this section shall be determined as follows: Each seed tree twenty-four (24) inches or more d.b.h. shall be equivalent to two (2) seed trees which are less than twenty-four (24) inches, but eighteen (18) inches or more d.b.h.

(d) The adjacent seed source areas owned or controlled by the timber operator shall be in strips of at least three hundred thirty (330) feet in width, measured along the surface of the ground, adjoining and parallel to the edge of the cut block.

(e) The seed source areas shall be so located as to facilitate natural regeneration of the cut area taking into consideration topography and prevailing winds.

(f) To secure a good seed bed, site preparation measures shall be carried out so that bare mineral soil is exposed on at least fifty (50) percent of the cut area and said exposure is evenly distributed over cut area.

(g) Seed trees within the seed source areas shall not be cut below the minimum number required in (c) and (d) above until the cut block meets minimum stocking.

Each timber operator whose timber operations are carried out under this section shall prior to the commencement of timber operations file a notice and map with the State Forester at the same locations as specified for the fire plan filing under Section 916.1. Said notice and map shall clearly show the location of the block cutting area in relation to the seed source area in sufficient detail to determine that the requirements of this section are being met. If the land or timber is not owned by the timber operator, a statement signed by the timber owner and/or timber-land owner indicating approval of use of this section of the rules and agreeing to all provisions must accompany the notice.

(11) Amend Section 914.8

Erosion control. Tractor roads, tractor skid trails, logging truck roads, and firebreaks shall be so **laid out,** constructed, **used** and left after logging that water flow **on or from them** shall not at any time create or contribute to excessive erosion of the soils. To prevent excessive erosion, waterbreaks **which will be effective in diverting surface water from the road, trail or firebreak without impounding it** shall be installed at each natural water course, **at** intervals of not more than **two hundred (200)** feet on all tractor roads, tractor skid trails, **logging** truck roads and firebreaks having a gradient greater than ten (10) percent, **and at such lesser intervals as may be necessary to reasonably prevent water on or from such roads,** trails, or firebreaks from causing excessive erosion of the soils. Such water breaks are to be **constructed or installed** concurrently with construction of firebreaks, and upon conclusion of use of tractor roads, tractor skid trails, and logging truck roads **and when timber operations on the logging areas are to be inactive during the winter rainy season. When drainage ditches exist beside logging truck roads, temporary cross drains, dips, berms, culverts or other needed facilities to control erosion shall be installed or constructed, prior to the conclusion of seasonal logging use, at such intervals and in such manner as will reasonably prevent substantial gullying or washout of such roads and ditches.**

914.9 Erosion Control In and Near Streams. In order to prevent a substantial and unreasonable increase in erosion of stream banks and stream beds and to prevent timber operations from causing excessive deepening of stream channels and undercutting of slopes by streams followed by soil slippage from slopes above, timber operators will use due diligence to prevent unnecessary gouging or cutting of stream banks and beds during the conduct of timber operations.

To accomplish this objective timber operators shall:

(1) Lay out and construct logging skid trails and conduct skidding operations so as to (a) keep stream crossings and disturbance of stream-bank and stream-bed soils during skidding operations to a reasonable minimum and (b) avoid excessive damage to unmerchantable timber and other soil protecting vegetation growing within fifty (50) feet, as measured along the surface of the ground, of the edge of the water surface of any permanently flowing stream, to the extent consistent with the necessity to obtain prompt and adequate forest regeneration.

(2) Not use beds of streams or portions of beds of streams which carry running water throughout the year as roadways, logging skid trails or log landings where such use will cause excessive disturbance of the soil.

(3) Locate and construct logging truck roads and skid trails in such a manner and sufficiently far away from permanently flowing streams to reasonably prevent excessive amounts of excavated soil from entering the stream and being eroded thereby.

(4) Remove all temporary stream crossing structures not designed to **accommodate** the maximum flow of the stream each year prior to the close of logging operations **and before the period of maximum stream flow,** but in no case later than December 1st of the current year.

(12) Amend Section 915.1

Removal of Snags. All snags over twenty (20) feet in height **and sixteen (16) inches d.b.h.** in the logging areas shall be felled concurrently with the felling of timber, provided however that in salvaging fire-killed timber, the operator shall be required to fell concurrently with the felling of timber only those snags within two hundred (200) feet of the center line of all county, state, federal and logging roads traversing the burned area and within a strip three hundred (300) feet wide whose exterior boundary is the perimeter of the burn, such distances to be measured along the surface of the ground and further provided the operator shall file a notice with the State Forester describing the fire-killed salvage operation by legal description at least ten (10) days prior to the start of such operations. Such filing to be made to the nearest ranger headquarters office as set forth in section 916.1 of these Rules.

915.3. Firebreaks. All areas of slash created by logging operations shall be, concurrently with the operation, broken up into blocks surrounded by firebreaks of not less than fifteen (15) feet in width from which all inflammable material has been cleared. Existing roads, trails, stream beds or other natural fire barriers may be considered as firebreaks when of not less than the minimum width and clear of all inflammable materials as required herein. Slash areas to be surrounded by such firebreaks shall not exceed eighty (80) acres in size. Areas of slash created between December 1st of one year, and April **1st** of the following year shall have such firebreaks constructed concurrently with the logging operations provided however, that in the event construction of the required firebreaks concurrently with the logging operations is rendered impossible as a result of weather conditions, the required firebreaks shall be constructed as soon thereafter as weather conditions will permit, but in any event not later than June 15th of the aforesaid following year to constitute compliance with this rule.

915.4 Burning of High Fire Hazard. Concentrations of slash, and split products debris at log landings, in gulches, and within one hundred (100) feet of firebreaks shall be isolated and burned after the first heavy fall rains following its creation and burning shall be completed before April **1st** of the year following.

915.5. Slash burning. Slash areas may be broadcast burned after cleared firebreaks have been prepared as required in these rules, provided, however, that such burning shall be done only after the first heavy fall rains and shall be completed before April **1st,** and provided further, that not more than one block as referred to in these rules may be burned at one time. Burning conducted on sloping ground shall be ignited at the highest level and progressively burned downward. Such burning shall be kept under control at all times.

915.6. Slash Removal Along Roads. Logging slash created within twenty (20) feet of the edge of any federal, state or county road right of way, shall be removed concurrently with its creation. Distances shall be measured along ground surfaces.

915.7. Notification of Burning. The local representative of the State Forester shall be notified in advance of the time and place of any burning of logging slash or debris. Any burning shall be done in the manner provided by law.

(13) Amend Section 916.

Fire Protection. Every timber operator during the dry period when fire permits are required by Sections **4423 and 4424** of the Public Resources Code shall have a fire protection plan and program for prevention and suppression of fires in **his** logging areas and shall observe the following fire prevention rules:

916.1. Fire Plan Filing. Every timber operator shall prepare in writing a fire prevention and control plan. He shall file a copy of such plan with the State Forester by not later than April **1st** of each year, or if his operations commence for that year later than April **1st,** then the plan shall be submitted at a date not later than ten (10) days prior to the date of the beginning of such operations. Such filing to be made to the nearest ranger headquarters' office, as follows:

Office Location	Fire Plan Filing For
State Forest Ranger, Fortuna	Humboldt and Del Norte Counties
State Forest Ranger, Willits	Mendocino County
State Forest Ranger, Santa Rosa	Sonoma County
County Fire Warden, Woodacre	Marin County
State Forest Ranger, Belmont	San Mateo County
State Forest Ranger, Felton	Santa Cruz County
State Forest Ranger, King City	Monterey County

Warming Fires. Timber operators, subject to a grant of and terms of written permission from the owner of the land, and subject to any law or ordinance prohibiting or otherwise regulating fires, shall make and enforce rules restricting the setting, maintenance, or use of warming or other fires, used for the comfort or convenience of employees, or other persons engaged in timber harvesting operations, to places where flammable or combustible vegetation, or other substance conductive to the spread of fire, does not exist, or has been removed for **a distance of ten (10)** feet or more from the perimeter of such fire, and where a depression in the soil has been made to hold the ash created by such fire; and timber operators shall not allow such fires to be left unattended unless they are totally extinguished and covered over with mineral soil.

Notice is also given that any person interested may present statements orally or in writing relevant to the action proposed at a hearing to be held in the City Council Chambers, City Hall, Ukiah, California at 10 o'cock A.M. on the 1st day of June, 1967. The California State Board of Forestry upon its own motion or at the instance of any interested person, may thereafter adopt the proposals substantially as above set forth without further notice.

BOARD OF SUPERVISORS OF THE COUNTY OF MARIN ORDINANCE NO. 1575 AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE COUNTY OF MARIN AMENDING CHAPTER 10.05 OF THE MARIN COUNTY CODE RELATING TO REGULATION OF THE EXCAVATION OF CERTAIN INDIAN SHELL MOUNDS WITHIN THE COUNTY OF MARIN.

THE BOARD OF SUPERVISORS OF THE COUNTY OF MARIN DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Section 10.05.030 of the Marin County Code is hereby amended to read as follows:

10.05.030. The Director of Parks and Recreation shall issue permits to excavate such mounds to the owner or designee of the owner thereof, but may attach conditions to the issuance of such permits, including but not limited to the following: That prior to excavation or removal of material from such mounds the permittee shall not excavate for a period of sixty (60) days; that the permittee or owner of the property be required to grant a license for the removal of artifacts and excavation of materials having historical or archeological significance to recognized institutions of higher learning, or associations having as their major purpose the study of Indian relics and other sites having archeological value, applying for such license to such owner for a period of time not less than sixty (60) days or such longer time as the parties agree upon. Provided, however, that on the request of the owner of land on which said shell mounds exist, the Parks and Recreation Director may require that said institution or association post a penal bond not to exceed Five Hundred Dollars ($500.00), to become forfeit in the event the property is not restored to its former condition after said excavation is completed. For purposes of this Ordinance, "restored to its former condition" shall mean that the site shall be cleared of all litter deposited by the licensee, equipment of the licensee shall be removed from the site, excavations caused by the licensee shall be filled, and any fences or other property damaged or removed by the licensee during the license period shall be repaired or replaced prior to the expiration of the license period. Failure to issue a permit within fifteen (15) days after application therefor shall exonerate the property owner from any further obligation hereunder.

SECTION 2. Prior to the expiration of fifteen (15) days after the adoption of this Ordinance the same shall be published in the INDEPENDENT-JOURNAL, a newspaper of general circulation published in the County of Marin, with the names of the members of the Board of Supervisors voting for and against the same.

THE FOREGOING ORDINANCE WAS PASSED AND ADOPTED at a regular meeting of the Board of Supervisors of the County of Marin, State of California, held on the 11th day of April, 1967, by the following vote:

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Hypertension Plays Major Role In Causing Strokes

VAN DELLEN

Hyptertension increases the risk of a stroke. The height of the blood pressure is not so important as whether tension has encouraged the brain arteries to harden.

A normal artery can withstand considerable pressure but a narrowed and thickened vessel is more susceptible to rupture or obstruction by a clot.

Approximately 60 per cent of stroke victims have hypertension. Seventeen per cent have diabetes which also predisposes them to arteriosclerosis. Many of these individuals also have hardening of the coronary vessels making them vulnerable to heart attack.

High blood pressure also accelerates this condition. In this regard it is one of the high risk factors in the development of a heart attack (coronary thrombosis). Statistics show that the chance of developing coronary disease is more than twice as high when hypertension exists. The risk increases when the cholesterol is elevated or the individual is obese or smokes.

HAVE THE BLOOD pressure taken periodically and be treated when it is elevated. Many medicines lower the tension and help to minimize the risk of a stroke or heart attack. The sooner this is done the better because there is a point of not return after the pressure is elevated for many years. At this stage, it makes no difference whether or not the pressure is reduced.

Remember, it is not the height of the blood pressure that counts, but what the tension is doing to you.

(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request to the Independent-Journal.)

REACTS TO APPLE CRUNCHER

Mrs. M. F. writes: I get goose pimples when I hear someone crunching apples. Since my husband eats at least three apples every evening, it is important for me to overcome this sensation. Have you any suggestions?

REPLY

Perhaps your husband can supply the answer. After all, a wife's comfort is more important than a few apples. Tell him that three may keep his wife away. And don't let him talk you into wearing ear plugs.

Today's Health Hint — Remove sunglasses at sundown.

Deadline Near On GI Loans

Veterans of World War II have only a few months left to use Veterans Administration loan guarantees toward buying a home or farm or operating a business. Cutoff date is July 25.

Veterans of the Korean war or who have served since January 31, 1955, are not affected by the deadline, the VA said.

VA will guarantee up to 60 per cent of the price of a home for a qualified veteran, within limits set on purchase price.

Marinites To Vie In Debate Tourney

Marin high school debate teams will be among those competing in a state qualifying debate tournament co-hosted by Petaluma and St. Vincent High Schools Saturday at Petaluma High School.

This year's debate topic is, "Resolved: The foreign aid program of the United States should be limited to non-military assistance." Teams taking the first five places may try for state championship at Santa Barbara in May.

Reading Re-Elected

OAKLAND (AP) — Mayor John Reading won re-election Tuesday, getting 56,985 votes to 5,095 ofr Paul Montauk.

TV REVIEW

Blockbuster Films Rank The Highest

By RICK DU BROW

HOLLYWOOD (UPI) —In this television season so dominated by old movies in prime time, two films that were shrewdly ballyhooed as "blockbuster" specials ranked higher than all the others, according to the national ratings.

Far and away the most-watched video motion picture of the season was "The Bridge on the River Kwai," a film about World War II.

Next came another "blockbuster" offering by ABC-TV, "The Robe," a Biblical tale that was seen on Easter Sunday and headlined Richard Burton.

Third was "Lilies of the Field," in which Sidney Poitier won his Oscar as a wandering ex-G.I. who helps a group of German nuns in the Arizona desert.

Fourth was an unheralded drama entitled "Five Branded Women."

Fifth was "PT-109" the film based on the book about the World War Naval exploits of John F. Kennedy, who was portrayed in the movie by Cliff Robertson.

Tied for sixth were two of the so-called "original" films turned out for NBC-TV in hopes of counteracting the increasing shortage of old movies.

One of these projects was "The Doomsday Flight," in which Edmond O'Brien portrayed a warped fellow who planted a bomb on a commercial airliner.

The other was "The Longest Hundred Miles," another tale set in wartime.

Eighth among the movies in television's "Top 10" for the season was "Blue Hawaii," An Elvis Presley epic.

Ninth was another of NBC-TV's "originals," this one entitled "Fame is the Name of the Game."

Tied for 10th place in the chamred circle were a Jerry Lewis comedy, "Delicate Delinquent," and another unheralded drama, "A Summer Place."

Old Angel Island Buildings To Burn

Smoke on the Point Blunt side of Angel Island yesterday afternoon was from controlled burning of brush and salvage wood, according to Herman E. Schlerf, assistant supervisor of Angel Island State Park.

Schlerf said the wood was from deteriorating sections of old buildings on the island, some of which will be demolished and burned in the future.

The planning section of the State Division of Beaches and Parks in Sacramento is making a study of the buildings to determine which will come down.

Schlerf indicated the World War II barracks buildings have already been slated for destruction. Other buildings will be preserved for park use, or restored as historical landmarks, he said.

Choral Fete To Be Held In Tiburon

Del Mar School of the Reed School District in Tiburon will be a lively place Saturday when 1,600 students arrive for the annual California Music Educators Association Bay Area choral festival.

Dr. Hyman I. Krongar, teacher of vocal music at Del Mar, is chairman for the event, which will be held for the first time in Marin County, between 8 a.m. and 5 p.m.

Performing for a panel of judges composed of eminent Bay Area music teachers will be 30 choral groups from Marin, Sonoma, Lake, Solano, Mendocino and Napa counties.

The seven Marin groups are the Tamalpais High School advanced choir and Tamalpais High School madrigal singers, directed by Larry Nelson; the Terra Linda a cappella choir, directed by Lewis Jones; the Fairfax chorus, directed by J. D. Nichols; the Reed District elementary chorus, directed by Rosalind Wong and Dr. Krongard, and the Del Mar chorus and Del Mar choral ensemble, also directed by Krongard.

Each group will be awarded a rating — from the coveted 1, or "superior" to the dreaded 5, "poor."

Woman Hears Check Charges

Judge Peter Allen Smith of Marin Municipal Court yesterday arraigned Mrs. Toni Patricia Webb, 24, on three counts of passing worthless checks totaling $346.11.

She pleaded innocent. Preliminary hearing was Mrs. Webb, of San Francisco, scheduled for 9:30 a.m. April 27.

Mrs. Webb, of San Francisco, is accused of passing the bad checks with intent to defraud Little Daisy of Marin, Town and Country Village TV, and The Carousel dress shop, all at Strawberry Town and Country Village, on Feb. 5-6.

An earlier complaint alleging two counts of passing bad checks had been dismissed after preliminary hearing for insufficient evidence.

Anti-Library Petitions Set In Sausalito

A drive for a referendum on Sausalito City Council's decision last week to finance a new library through a lease-purchase plan will be launched today at 8 p.m. in Campbell Hall by Sausalito Voters League, a new organization formed to put the plan to the voters.

Mrs. John A. Sweeny, opponent of the waterfront site, charged the council with "by-passing a vote by the people." She said the voters league, with a core of 20 to 40 members, includes persons who support the waterfront site, but object that the lease-purchase plan should be voted upon by the citizens.

Petitions seeking a referendum will be distributed at the organizational meeting of the voters league today, she said. To be effective, the petition will have to be signed by 10 per cent of the registered voters in the city and submitted to the city clerk within 30 days of the council action—or by May 10.

Approximately 3,000 persons were registered for the March election on the $250,000 library bond measure. With two-thirds margin necessary to pass, the measure won 56 per cent approval.

Mayor Mel Wax argued last week that since 56 per cent voted for the waterfront site, it was the will of the people. "We don't see a two-thirds vote no matter where we put the library," he said.

Meeting Put Off

The regular meeting yesterday of Sausalito Chamber of Commerce directors was canceled for lack of a quorum, reported board chairman Robert Rogers.

Commissions Likely To Have 'New Look'

Several city boards in San Rafael could get a "new look" soon with filling of vacancies by city council appointment.

One position on the planning commission already is vacated by election of John A. Miskimen to the council. Terms of Planning Commissioners Fred C. Robbins Jr. and Pat Hetherton expire June 30.

There is also a vacancy on the board of review, caused by resignation of Edward A. Culver.

Terms of Troy E. Lewis and Charles L. Tacchi on the parks and recreation commission are expiring, as are those of Mrs. Eleanor G. Murray, Joseph G. Wilson and Harold A. Fulkerson on the library board.

As soon as the city charter amendments voted April 10 are approved by the legislature, the council will need to name a replacement for Fire Chief Vance Trivett on the fire commission, since one charter change eliminates the fire chief as a commission member.

In addition, the council must name a city representative to the Association of Bay Area Governments, to replace Dr. Charles W. Aby, who retired from the council.

Mental Health Cuts Are Topic

The effect on Marin County of proposed statewide cutbacks in mental health facilities will be discussed by mental health specialists from 9 to 10 a.m. tomorrow on KTIM's "Marin Sounding Board" radio program.

The speakers, according to program director Kitty Oppenheimer, will be: Dr. Clyde Miller, director of Marin County Mental Health Services, Supt. Robert Spratt of Napa State Hospital, Supt. Ernest W. Klatte of Mendocino State Hospital, and Mrs. Larry B. Mishkind, president of Marin Mental Health Association.

Questions phoned in during the first half of the program will be answered during the second half. The program will be repeated from a recording Sunday at 12:30 p.m.

Fishing Gear Stolen

Izaak Walton has turned thief. Four fishing poles, a reel and a spinner were stolen from her garage, Edith J. Newell of 27 Dellwood Court told San Rafael police Monday. Value of the fishing tackle was estimated at $75.

Money Worries Black Out Fireworks Show

Mill Valley Recreation Council has canceled plans for fireworks on the Fourth of July at Project 17, council president Dwight B. Bishop said today.

The decision was taken "reluctantly," he said, "because there was serious doubt whether enough money would be raised to cover the $1,000 cost of the fireworks."

Novatan Elected District Leader For Jaycees

Paul Dock, president of the Novato Junior Chamber of Commerce was elected president of the four-county First California District of the junior chambers of commerce at a meeting Sunday at the San Marin club in Novato.

The Novato chapter won the award for the outstanding project in the district for its "voice of city hall" project, in which residents phoned the city council to discuss city affairs.

Novato's Martin White won the speakup competition in a final runoff with John Cardinas of Santa Rosa. White was also presented with a special award for his efforts in making the annual meeting a success.

Awards went to the Santa Rosa Junior Chamber for being the outstanding local in Marin Sonoma, Napa and Mendocino counties.

Alcohol Claimed Worse Than LSD

LOS ANGELES (AP) —Use of LSD and narcotics is much less a national problem than alcoholism, two psychiatrists told the California Medical Association Monday.

"The hippies have a saying," Dr. Keith Ditman of UCLA said yesterday. "With dope, there's hope, but with booze you lose."

He and Dr. Richard Scott of the University of Southern California said alcoholism is a far greater social problem because it involves "hundreds of times more people."

Conservation Project Has More Farms

Marin County Soil Conservation District added 11 new cooperators with 5,655 acres in 1966, bringing the total assisted by the district in conservation practices to 182 cooperators with 114,461 acres, district directors reported.

In their annual report, the directors listed income of $1,594 with expenditures of $720, leaving a year-end balance of $874, compared to a $537 balance at the end of 1965. The bulk of the district's income was $1,000 appropriated by the county.

The expenditures were entirely administrative services, as the grants to property owners for improvements to their land come from the Agricultural Stabilization and Conservation Service of the Department of Agriculture. Grants in 1966 will not be published 'til June, when the service compiles its annual report.

The district reported that 87 cooperators were assisted in 1966 and 35 conservation projects completed, including fencing of 241 acres for livestock exclusion, smoothing 100 acres of land, development of three springs and work on 15 ponds.

Farm Population Drops Once Again

WASHINGTON (UPI) —The nation's dwindling farm population fell to an estimated 11.6 million last year, making farmers only 5.9 per cent of the total U.S. population.

The Census Bureau said Monday that farm population has declined about 4 million since 1960, when it stood at 15.6 million. At the same time, total U.S. population has risen by more than 16 million persons.

Warriors Can Even Series Tomorrow In 'Palace'

"We hope to even it up on Thursday night," declared San Francisco Warrior ace Rick Barry who pumped in 55 points to bring his club a 130-124 triumph over Philadelphia's 76ers.

The home court triumph at the Cow Palace last night left Philadelphia leading 2-1 in the final playoff for the National Basketball Association championship.

Barry, Nate Thurmond, Jimmy King and little Al Attles were instrumental in keeping the Warriors in contention after Coach Alex Hannum's Eastern games in the best-of-seven series.

"This is one of the best games Nate has played against Wilt Chamberlain the entire year," declared Warrior Coach Bill Sharman.

The 6-foot 11-inch Thurmond, suffering from a bruised hip suffered Sunday in Philly, scored 17 points and grabbed 25 rebounds to keep the 76ers from continuing their board superiority.

Chamberlain, the 7-1 star who makes San Francisco his home, was far from unnoticed. He led his club's scoring with 26 and had a like number of rebounds but it was a fight all the way.

King proved a major factor with 28 points and 9 rebounds and although statistics don't show it, Attles proved a demon on defense as he kept the big 76er gunners within bounds.

"I've said before that K. C. Jones of the Celtics and Attles are the two best defensive guards in the game," said Sharman. "Attles did his usual outstanding defensive job."

Still the big difference was Barry and even Hannum conceded, "Sometimes he sure can get unconscious."

Rick hit 22 field goals and 11 of his 19 free throw attempts although it was obvious he was tiring near the end as he played on an injured left ankle that requires pain killers and tape.

"Monday was the first time in 10 days that Barry could practice," Sharman disclosed. "He worked on free throws and set shots but no jump shots."

The Warriors, who built the winning margin with a 37-point production in the second quarter, hit on 45.3 per cent of their field goal attempts while the 76ers had a 43.1 average. In rebounding, where Philadelphia had the previous edge, the Warriors had the edge this time 83-68.

A crowd of 14,773 jammed the Cow Palace for the first San Francisco meeting of the two division champions and another full house is expected tomorrow night.

"This victory gave us confidence," concluded Sharman.

Hannum scheduled a workout today and said, "We'll make some adjustments in our defense."

Tomorrow's Cow Palace battle will start at 8:30 p.m.

Jim Hart: A Young Man With Some Big Problems

Jim Ray Hart is a young man with big problems. The Giant third baseman's bat produced a string of .000s in the first four games of 1967 and his glove, although charged with only one error, constantly kept Giant pitchers in trouble.

HART'S PROBLEMS date back to the first day of spring training this year. He checked in at Casa Grande at 200, ten pounds overweight. He picked up a severe cold and couldn't shake it in the ensuing six weeks of spring training during which he also was plagued by a touch of tonsillitis.

Before the Giants broke camp in Arizona, Hart got his weight down to 192. But his hitting, even in batting practice, was deplorable. He finished spring training with a .179 average (12-for-67).

IT'S DIFFICULT to understand how this young man from Lenoir, N.C., for whom everyone predicted a great major league career following a spectacular debut July 7, 1963, could now be so mixed up afield and at bat.

It Looked Like He Needed Some Sleep

Until last Sunday's doubleheader in Cincinnati, Hart looked like a man reporting for work who needed a good night's sleep. But he appeared reasonably rested as the doubleheader started and for the first time since spring training his cold seemed better.

IN THE FIRST game he got his first hit of 1967, a little topper down the third base line. In the second game a generous scorer gave him his second hit, a grounder off Tommy Helms' glove at second base. Then, in his second time at bat in the nightcap, Hart hit the ball hard for the first time in the new baseball campaign. Tommy Harper robbed him of a homer, leaping above the fence of Crosley Field in right center to glove the ball.

He Went Hitless In Yesterday's Game

"I'll be all right," said Hart as the Giants flew home Sunday night from their worst season start in 10 years.

Manager Herman Franks certainly hopes so because the Giants need the third baseman's RBI potential. He knocked in 93 runs last year, 96 the previous season. He went hitless in five at bats yesterday in the Giants' 2-1 loss.

HART GOT HIS first major league RBI and scored his first big time run on the day of his debut in Candlestick Park four seasons ago. He was the hero of a 15-inning victory in the first game of a doubleheader with the same Cardinals who now are in Candlestick for the opening 1967 Giant home series.

Bob Gibson, fireballing Cardinal righthander, fractured Hart's left shoulder in the second game with a fast ball and Hart did not reappear in action until the final games of the 1963 season. Then he was hit in the head by one of Curt Simmons' fast balls in a game at St. Louis.

Developed A Bad Habit Of Bailing Out

There was no doubt that Hart crowded the plate and had difficulty falling back fast enough from tight pitches. Everyone wondered whether he might be gun shy after his frightening experiences with Gibson and Simmons. But he stood up at the plate upon his return to action in 1964 as if nothing had ever happened.

HOWEVER, THIS spring he developed a bad habit of bailing out even in batting practice. It wasn't a lack of courage. He previously proved he was fearless at the plate. It was just a bad habit he unconsciously acquired, one that he has been trying to shake by stepping into the ball instead of away from it down the third base line.

Maybe Jim Ray Hart will find himself this week in Candlestick where he made such a promising debut July 7, 1963.

Marichal Will Try To Stop Cardinals

Juan Marichal, twice a failure this spring, gets his third chance tonight to start repaying the San Francisco Giants for his $100,000 salary.

It comes against the National League leading St. Louis Cardinals, who bombarded him 6-0 in their season opener in St. Louis nine nights ago.

The Cardinals, undefeated with five victories—two of them over the Giants—will try for their sixth with left - hander Larry Jaster, who was 1-1 against the Giants last season.

Tomorrow afternoon, in the series finale, it will be left-hander Al Jackson, 1-0, against Giant righthander Bob Bolin, 0-1.

Marichal won 25 games and lost only 6 last year but was only 2-2 against the Red Birds. The right-hander's lifetime record against them is 12-13.

Tonight he faces a true murderer's row in the first five men: Lou Brock, batting .454; Curt Flood, .318; Roger Maris, .454; Orlando Cepeda, .429, and Tim McCarver ,.368.

The Giants' Gaylord Perry pitched 11 masterful and often courageous innings against them yesterday, but lost 2-1, on a dropped fly.

Before 31,900 fans in 1967's first game in Candlestick Park, centerfielder Ken Henderson dropped Roger Maris' fly to right center for a two-base error. Former Giant star Orlando Cepeda followed with a sharp single to right center and Maris scored the winning run.

The game was played in intermittent showers after a 27-minute delay at the start because of rain. Henderson, who aspires some day to succeed Willie Mays, said he got a slow start on the wet grass, "the ball just popped out of my glove, and I didn't react quickly" to pick it up.

Julian Javier's fourth inning home run over the left field fence was the only other run off Perry, who had to pitch himself out of trouble in both the first and second innings.

Right-hander Ray Washburn didn't allow the Giants a hit until the fourth, and then escaped with one run although giving up three hits and a walk. Willie McCovey's double off Roger Maris' glove in the extreme right corner and Tom Haller's single to left center paid off. But Haller was out at home trying to score from second on Ollie Brown's single.

The Giants made four double plays, three with rookie shortstop Cesar Gutierrez and second baseman Tito Fuentes. The fourth came after Hal Lanier replaced Gutierrez.

Dodgers Break Losing Skid With 7-2 Victory Over Reds

By ASSOCIATED PRESS

Los Angeles finally has come up with a winning formula: Start off with Sandy Koufax pitching and take a long seventh-inning stretch.

But don't bet on the same combination clicking again — not in "balmy" California, anyway.

The Dodgers whipped Cincinnati 7-2 in their home opener last night—scoring four wrapup runs after a 78-minute rain delay in the seventh inning—and halted a four-game getaway skid.

Koufax? The great left-hander, who has shifted from the mound to the broadcast booth, was on hand to throw out the first ball during pre-game ceremonies.

OSTEEN TAKES OVER

Claude Osteen, the Dodgers' current southpaw ace, then took over and carried a 3-2 edge into the seventh. With two out and two Dodgers on base in the bottom of the inning, the rains poured down and time was called.

The Dodgers waited patiently — they had never lost an inning to the elements in 734 home games since moving from Brooklyn to Los Angeles nine years ago. When play finally was resumed, John Roseboro, Bob Bailey and Gene Michael drew successive walks, forcing in two runs, and Jim Hickman, pinch hitting for Osteen, delivered two more with a single.

The rain, which fell throughout the day, held the crowd to 17,947 — smallest turnout the Dodgers have drawn for a Los Angeles opener.

OTHER GAMES

Elsewhere, the Chicago Cubs downed Philadelphia 8-4, Atlanta nipped Houston 3-2, and St. Louis nipped San Francisco 2-1 in 11 innings. The New York Mets' night game at Pittsburgh was rained out.

Osteen, who gave up seven hits started the go-ahead rally in the fifth with a single off loser Milt Pappas. He was forced at second by Wes Parker, who then stole second and scored on Lou Johnson's single, breaking a 2-2 tie.

Adolfo Phillips drove in four runs with a homer and triple as the Cubs, who had blown a 3-0 lead, stormed back in the late innings. Phillips' two-run homer sent them ahead 5-4 in the eighth and they added three more runs in the ninth, two on Byron Browne's bases-loaded double.

A bases-loaded sacrifice fly by pinch hitter Jim Beauchamp in the ninth gave the Braves their fourth straight victory. Left fielder Aaron Pointer's two-base error on a lead-off liner by Joe Torre triggered the winning rally.

Winner Tony Cloninger pitched a five-hitter, but was rocked for a game-tying two-run homer by Jim Wynn in the Astros' eighth.

STARTED FOR DODGERS—NBC broadcaster Sandy Koufax won another for the Dodgers yesterday as he threw out the first pitch for the Los Angeles home opener. Claude Osteen finished up to get the win over Cincinnati. (AP Wirephoto)

Drake Girls Win Basketball Game

Drake High School's girls basketball team created a three-way tie for first place in the unofficial Marin County Athletic League distaff cage league yesterday by handing San Rafael its first loss, 25-23.

Eendy Thornton topped Drake with 16 points while Carol Graham had 16 for San Rafael.

Clippers Slosh Their Way To Soccer Win Over N.Y.

Despite rainy weather and sloppy footing, a crowd of 2,522 turned out to watch the California Clippers better the New York Generals 1 to 0 by scoring in the last 30 seconds of a National Soccer League match last night in the Oakland Coliseum.

The Clippers staged a strong drive in the final three minutes and saw one score disallowed by the referee because the man who made the goal was offside.

Then a minute later the Californians moved the ball down the field. Barry Rowan passed to Ademar Saccone who then crossed the ball over to Selimar Milosevic to set up the scoring kick fro mseven yards out.

There was heavy rain during 25 minutes of the last half and a light rain continued to fall as the game ended.

Every kick provided an 8 to 10 foot squish of water.

Observers said the Clippers showed improved performance over last Sunday's match against the Pittsburgh Phantoms which ended in a 3-all tie.

New York's play was paced by forwards LeRoy Deleon and Michael Ash, both showing considerable speed. The Generals also unveiled a new player, Leev Lelzer of Tel Aviv, Isreal, who made his American debut. The inside guard had played on the Maccabbee team.

Palmer Fires Sizzling 63, 8 Under Par

LAS VEGAS, Nev. (AP)—Arnold Palmer called it "one of the best rounds I've ever shot anywhere."

Palmer, who has shot a bundle of great rounds, fired an eight-under-par 63 yesterday at the Stardust Golf Club to win the first annual Tony Lema Memorial Scholarship Fund tournament.

"In view of the 25-to-30 mile-an-hour winds, I'd say this was much better than my 64 Sunday," said Palmer, referring to his course record on the closing day of the Tournament of Champions last weekend.

Arnie tore up the Stardust course with eight birdies and two eagles yesterday, and only four bogies kept him from breaking 60. Palmer's nine-hole scores were 31-32 over the par-36-35 course.

In second place was Bobby Nichols with a 70, while Art Wall Jr. finished with a 71, and Argentine Roberto deVicenzo shot a 72.

Nichols teamed with amateurs Art Anderson of Los Angeles, Don Dawson of Detroit and Armand Cerami of Miami to win the best-ball competition with a 29-28—57.

The tournament, named for pro golfer Tony Lema, who died last July in a private plane crash, will provide two 4-year college scholarships for young golfers.

Young Gunmen Rob A's Ticket Office

KANSAS CITY (AP) — Two young gunmen held up the ticket office of the Kansas City Athletics at the Municipal Stadium and fled on foot with cash estimated between $200 and $300 yesterday.

The bandits knocked on the door as though they wanted to buy baseball tickets, then rushed in and confronted employes with drawn guns.

Marin Tar Golfers Move Up To Second

The College of Marin golfers played their best round of the season under sporadic rain and thunder at Audubon Country Club in Sierra yesterday and swept right into second place in the Golden Valley Conference but still lost ground to loop leader Sierra.

The Tars, with Mike Kelly sharing medalist honors at 75, totaled 231 points in the third round of the GVC tournament, good enough to vault them 10 points ahead of Santa Rosa in the overall standings but still trailed Sierra, 640-662. Sierra, with three golfers shooting 75s yesterday, has led from the opening round.

Santa Rosa had 207 and fell to a 630 total.

Other Marin scores included Ron Canadday, 76; Dave Cardy, 79; Terry Young, 84; and Dave Swink, 85.

Stuart Homers In Japan Debut

OSAKA, Japan (AP) — Dick Stuart, the slugging first baseman from the Los Angeles Dodgers, made an impressive debut in Japanese professional baseball today. He belted his first home run to help the Central League's Taiyo Whales beat the Hanshin Tigers 5-0.

Stuart, batting in No. 3 spot, powered the two-run round tripper on his first trip to the plate in the initial inning. It was Stuart's only hit in three times at bat.

White Sox, Tigers Win

By ASSOCIATED PRESS
Associated Press Sports Writer

Bruce Howard is pitching backwards in an effort to move forward.

And the Chicago White Sox right-hander took a step in that direction yesterday, shutting out Boston on three hits through eight innings and beating them 5-2.

"Formerly, I would say I was a breaking ball pitcher using an occasional fast ball," Howard said. "From now on, it's going to be the reverse."

The 24-year-old, who was 9-8 in 1965 — his first full season with the White Sox — and 9-5 last year, said he threw his fast ball three fourths of the time yesterday.

"I used to open up with a curve ball against almost every hitter," he said. "That's my out pitch, you know. But I threw only five or six of them as the first pitch this time. And when I kept my fast ball low, they couldn't hit it."

Elsewhere in the American League, Detroit beat California 4-1 and the Washington at New York game was rained out. No night games were scheduled.

The White Sox scored once in the first inning on a wild pitch by Darrell Brandon and wrapped it up with three runs in the sixth, two of them on an error by third baseman Joe Foy.

Asked what happened in the ninth when Boston got its runs on three singles and a groundout, Howard replied.

"They just hit me a little, that's all."

The victory was Howard's first. In his initial 1967 start April 13, he gave up four runs, only one earned, in 5 1-3 innings against Boston. Chicago eventually won the game 8-5.

Al Kaline's homer into the teeth of a strong wind in the sixth inning broke a 1-1 tie and started the Tigers to their victory at Detroit.

Jimmie Hall put California ahead 1-0 with a homer in the second, but the Tigers came back to tie in the bottom of the inning when Dick McAuliffe's sacrifice fly scored Bill Freehan who had doubled.

Earl Wilson went the distance for Detroit and evened his record at 1-1.

Drake's Mermen Triumph

The big one with its big three won again while Tamalpais rebounded with a rout in Marin County Athletic League swimming action yesterday.

Terra Linda downed San Rafael 72-22 in varsity and 52-35 in Class B. (Individual results were unavailable.)

Drake roared past Novato, 55-40, paced by double victors Ben Edmonds, Bob Girvin and Paul Sagues, while Tamalpais won in a big way, splashing past Redwood, 72-25.

Edmonds took the 100 butterfly and 200 I.M., Girvin the 200 freestyle and 100 backstroke and Sagues the 100 and 50 freestyles as the Pirates won all but three of the events. Roger Backsteadt picked up a pair of victories for Novato.

Yesterday's action leaves Drake and Terra Linda tied for the league lead with 4-0 marks with the big meet coming up Friday at Terra Linda.

71st Boston Marathon Draws A Record Field

BOSTON—Doctors, educators, clergymen, police officers and even a state legislator joined farmers, mill hands, bricklayers and business executives on the starting line today for the 71st Boston A.A. Marathon.

Virtually every profession from the white collar ranks to the laborer was represented in a record field for the 26-mile, 385-yard Hopkinton-to-Boston Patriot's Day test on the 192nd anniversary of Paul Revere's famous ride.

With 735 entries, 195 more than last year, race officials expected nearly 700 starters for the classic often called "the last stronghold of unadulterated amateurism."

Pluses And Injuries Will Determine National League Winner, Says Musial

Pluses and injuries probably will decide the National League pennant race, Stan Musial predicted today.

"Pluses like Washburn, Cepada, Maris and Bressoud," the St. Louis Cardinals' former batting champion and current general manager, enumerated.

"And injuries to such stars as Willie Mays" of the San Francisco Giants, who has missed three games because of a pulled hamstring muscle, "could wreck any pennant contender's chances."

All figured in St. Louis' 2-1 triumph over the Giants yesterday. Mays appeared only in a pinch hit role and was thrown out by winning pitcher Hal Woodeshick.

Ray Washburn, a right-hander who had arm trouble the past two years, seems healed. He pitched nine superb innings, then gave way to a pinch hitter.

Orlando Cepeda, former Giant star, singled in Roger Maris with the winning run in the 11th and got one other hit. He's batting .429.

Maris, who hit safely his first two trips, started the winning rally, His fly to right center plopped out of Ken Henderson's glove and Maris went to second to await Cepeda's single.

Eddie Bressoud, going in at shortstop in the 11th, made a brilliant stop and long throw to nip Jesus Alou at first by half a step.

"Bressoud did the job we got him for," Musial said of the veteran infielder who has played for several major league clubs, including the Giants.

"Maris has done everything we've asked of him," Musial praised the former New York Yankee star whom many had written off after two dismal seasons. "He worked hard in spring training. It's paying off."

Paying off he is for the undefeated, first place Red Birds.

In 7 games, Maris has made 10 hits, scored 5 runs and batted in 4 for a .454 batting average. He's hit safely in every one of the Cards' five games.

Last season with the Yankees, Maris hit only .233 in 119 games, with 13 homers and 43 rbi. In 1965 he was .239 in 46 games, with 8 homers and 27 rbi.

"I traded for Maris," Musial remarked proudly.

The Cards also acquired Cepeda and Bressoud in trades. Cepada came to the Cards in exchange for southpaw Ray Sadecki, now trying to earn a spot in the Giants' pitching rotation.

Maris' two hits were off a sinker in the first inning and a fast ball in the third and he thought maybe he had Perry figured out. "But he surprised me in the eighth. I struck out on a change-up when I was especting a fast ball," Roger said, and added:

"He pitched a hell of a game. It sure wasn't his fault that he lost."

Maris seemed to sympathize with Henderson, who complained of the slippery field in explaining his game-losing error.

"It's soft out there," Roger explained. "It's hard to get a jump on the ball."

Willard Is Undecided On Returning To 49ers

RICHMOND, Va. (AP) — San Francisco 49ers' running back Ken Willard said yesterday he was impressed by an appeal from his teammates but is still undecided about returning to the West Coast National Football League team for the 1967-68 season.

Willard, who gained more yards and scored more touchdowns from rushing than any other 49er in 1966, had said previously he would quit professional football unless traded to either Baltimore or Washington.

He confirmed yesterday a meeting last Saturday in Washington with four of his 49er teammates — captain Clark Miller, quarterback John Brodie, end David Parks and guard Walter Rock.

"They asked me to reconsider and I'd be lying if I said their feeling didn't affect my thinking," Willard said. "I'm not yet convinced, however, that I ought to go back. But I'll say the show of feeling impressed me."

Willard is in business here and wants to play for a team closer to his home.

Babe Pinelli Star Of Baseball Night

Babe Pinelli will be the star of "Baseball Night in Sausalito" tomorrow in the parish hall of Sausalito's Star of the Sea Church.

Now living in "golfing retirement" in Sonoma, Pinelli will call upon experiences from his 40 colorful years as umpire in the National League to entertain the baseball buffs on hand, and will answer questions about the game.

The 8 p.m. affiar is open to the public, and there is no admission charge, according to "Baseball Night" chairman Dr. William T. Dugan of Sausalito.

Golf Is Postponed

The Elks Exalted Rulers Golf Tournament scheduled for tomorrow at Peacock Gap course has been postponed to May 4, it was announced today. Heavy rains forced the postponement.

Toronto Knocks Black Hawks From Playoffs

TORONTO (UPI) —Battered veteran goalie Terry Sawchuk, journeyman defenseman Larry Hill and rookie Brian Conacher are the toasts of Toronto today as the Maple Leafs get set to meet the Montreal Canadiens in tomorrow night's opening round of the Stanley Cup finals.

While Sawchuk made 35 saves and twice was helped in the net by Hillman, Conacher rammed home two goals in the Maple Leaf's 3-1 victory last night that ousted the Chicago Black Hawks four games to two in the semi-final National Hockey League playoffs.

Toronto will visit Montreal for the opener with the Canadiens carrying a 15-game winning streak, including four straight over the New York Rangers in the other semifinal.

Young Drivers To Try Again

Billy McNulty of San Rafael, a quarter midget racing enthusiast, posted the third fastest time in the trophy dash in a race sanctioned by Bayland Association, ast Sunnyvale, last Sunday.

Billy, 12, sped once around the oval track (about one-tenth of a mile) in 7.14 seconds — approximately 38 miles per hour. He placed fourth in the main event; while brother Pat McNulty Jr., 11, had a collision in the main event but escaped injury.

Only Pat's racer was slightly damaged and maybe a little of his pride, but he'll rally back, as the youngsters, sons of Pat McNulty of 224 Picnic Ave., San Rafael, are scheduled to trek to Hayward for another Midget Race this Sunday.

NASTY LETTERS

Elston Howard's Mailbox Is Full

By MILTON RICHMAN

NEW YORK (UPI)—Elston Howard keeps being deluged by mail, bad mail.

There are those who still haven't forgotten or forgiven him for ruining rookie Bill Rohr's no-hitter with two out and two strikes in the ninth inning of last Friday's Red Sox-Yankee game.

"From the way people write, they wanted me to lay down," said Howard, his annoyance showing.

The rain was coming down hard outside the Yankees' clubhouse early yesterday. It washed out a scheduled game with the Senators and it matched Howard's mood as he read a few of the letters. One came right to the point."

"I DESPISE YOU"

"That was not a very nice thing you did to Bill Rohr," it said. "I despise you for it."

The author signed it "an ex-yankee fan."

Howard opened another letter. This one was somewhat milder.

"Sorry," it said. "You stink in my book."

The Yankee catcher pursed his lips into a tight line and tossed the entire batch in his locker.

Right around the time Howard broke up Rohr's no-hit bid, his 11-year-old son, Elston Jr., was practicing with his little league team in Teaneck, N.J. Some of the boy's teammates told him what his father had done and teased him about it.

JUST MAKE A LIVING

When the boy returned ho he asked his mother if what he heard was true. She told her son it was and explained some facts to him.

"Your father has to make a living like anyone else," she said.

To be sure, much of the mail Howard now is receiving comes from young fans. But many older ones are writing in the same vein, too, and the correspondence becomes a bit ridiculous when it suggests he betrayed mankind by merely doing exactly what he was supposed to do.

"Those people writing letters like that should understand," said Rohr himself before he left the city with the Red Sox. "If Howard had struck out on purpose it really wouldn't have been a no-hitter. I made a mistake, that's all. He's paid to do a job and he did it."

WOULD DO IT AGAIN

That doesn't matter to the letter writers and although Howard says they aren't getting under his skin, here is some evidence they are.

"I broke up a no-hitter by Herb Score in 1957 but I never got letters like this," he said. "I can't ever remember being booed here before until I got that hit off Rohr. I saw some people clapping, though. And when I asked Ralph Houk) about it, he said he heard some people cheering also."

"I'd try to get a base hit," he snapped. "I'm gonna try to get a base hit every time I walk up there. If I listened to all those letters, it wouldn't even be a baseball game."

You know something
He's right.

Lacey And Smith Lead Tar Hitters

Fred Rodoni is the top regular but Ron Lacey and Russ Smith carry the top averages for College of Marin's baseball team.

Rodoni has a .364 average with 4 hits in 11 trips but Lacey and Smith each have three hits in six at bats for a .500 showing.

College of Marin batting averages:

(Conference Play)

	AB	H	RBI	Avg.
Lacey	6	3	2	.500
Smith	6	3	1	.500
Rodoni	11	4	1	.364

"I just dreamed about John Brodie's winning touchdown pass against the Lions last year and now I'm so excited I can't get back to sleep."

Roots Win On Technical 'Butt'

SACRAMENTO (AP) — An accidental butting that gashed Fred Roots' temple gave Roots a technical fourth round decision last night over Lino Armenteros in their scheduled 10-rounder.

Roots, 173, of Sacramento held a convincing lead on points over Armenteros, 173, Cuba when referee Luis Gonsalez ended the fight after 1:51 of the fourth round. There were no knockdowns.

A turnout of 871 fans paid $2,466 to see Roots in a comaback effort. He is 28.

Special Weekend Buses Offerer To Giant Fans

Western Greyhound Lines has announced special weekend and holiday buses from Marin County points will take fans to Candlestick Park for San Francisco Giants' home games.

Buses will leave Fairfax, San Anselmo, San Rafael and Marin City stations on Saturdays, Sundays and holidays when the Giants are playing home games. Greyhound will also make advance reservations for tickets, at regular prices, together with the special rate, round-trip transportation.

Scheduled departure time for the Greyhound weekend specials to Candlestick Park, with round-trip fare indicated:

From Fairfax, 11 a.m. ($2.07); from San Anselmo, 11:09 a.m. ($2.07); from San Rafael, 11:20 a.m. ($2.07); from Marin City, 11:20 a.m. ($1.53).

On doubleheader days, all departures will be one hour earlier.

16th Year For Youth Baseball

The San Anselmo Recreation Department will launch its 16th consecutive year of youth baseball at noon Sunday at Memorial Park in San Anselmo.

The day has been declared American Legion Day and Post 179 will sent its team against the Rotary Club team to start off the season.

HAFB Gal Bowls Whopping 668

Coming out second-best when you bowl a 658 series may be heart-breaking but excruciating may be a better word when the top bowler happens to be a lady.

That's what happened to Skip Jordan, whose 658 series in the Bankers League was good enough for the men but not quite good enough to beat fantastic Agnes Johnson, a Women's Air Force sergeant from Hamilton Air Force Base who jolted the lanes for a super 668 series on games of 223, 203 and 242 in the Women's Classic, best at Nave Lanes last week.

The girls had a big week with Nita Moore hitting a 601 series in Women's Afternoon Scratch while Mike Powers' 613 in the 840 scratch was the men's runnerup.

Joe Corda hit 257 in the 840 Scratch to take high game honors while Sgt. Johnson's 242 was tops for the ladies.

Top scores of the week at Nave Lanes:

100 Plus League — Ken Niebur, 232; Gerry Walker, 254-138; Robin Carrier, 233-141; Craig Dillon, 201.

ALMANAC

Today is Wednesday, April 19, the 109th day of 1967 with 256 to follow.

The moon is between the first quarter and full stage. The morning star is Mars. The evening stars are Venus, Mars and Jupiter.

Born on this day in 1912 was American nuclear scientist Glenn Seaborg.

On this day in history:

In 1775, the American Revolution began.

In 1933, the United States went off the gold standard.

In 1951, Gen. Douglas MacArthur, recalled from his command in Korea by President Truman, told Congress: "Old soldiers never die, they just fade away."

In 1956, American movie star Grace Kelly married Prince Rainier of Monaco.

A thought for the day — American author George William Curtis once said: "While we read history, we make history."

TIME AND TIDE

Department of Commerce, United States Coast Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Light-face type indicates a.m. times; **bold-face type** indicates p.m. times.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Never Get Out Of Driver's Seat—Or Victory Is Lost

The player who stays in the driver's seat usually has an advantage.

This became clear to several thousand students who played today's hand recently in the annual Intercollegiate Bridge Championships.

SECOND THOUGHT

Declarer should play dummy's king of spades at the first trick. Dummy's spades are all of equal value, but most defenders will take the ace if you play the king while they may have second thoughts if you play the queen or jack.

If East takes his ace of spades at the first trick South makes the slam. Regardless of East's return, South draws just two rounds of trumps and then takes the rest of dummy's spades. West cannot ruff because he is out of trumps.

SAFE TRUMP

Declarer gets to his hand with a club or a diamond to ruff his last spade with dummy's remaining trump. This is exactly why declarer left one trump in the dummy.

South returns to his hand with a side suit to draw the last trump. Then he can put his cards on the table and claim the rest of the tricks.

HOLDS UP ACE

East can defeat the contract by refusing to take the first trick. This leaves East in the driver's seat able to cope with any play that South tries.

If South draws two rounds of trumps before resuming the play of the spades, East wins with the ace of spades and leads a third trump. This prevents declarer from ruffing his last spade in the dummy.

If East leads spades before drawing two rounds of trumps, East takes the ace of spades and leads another spade. West's ruff defeats the slam.

DAILY QUESTION

Partner opens with one spade, and the next player passes. You hold:

♠ A 10 4 3
♥ 4 3
♦ J 9 6 4

What do you say?

ANSWER: Bid two spades.

You have 5 points in high cards and 1 point for the doubleton, which is barely enough for the response. You are swayed by the fact that you have good 4-card support for partner's major suit. If partner opened with one heart you would pass instead of responding.

SUCCESSFUL INVESTING

Offset Rising Costs By Shifting Funds

By ROGER E. SPEAR

Q. "My wife and I are in our early 70s, retired, own our home and have $40,000 in savings accounts; $10,500 Series E bonds; $9,700 paid-up insurance. We receive railroad retirement compensation and army disability payments totaling $350 monthly. We are deeply concerned about rising costs and wonder if we should take steps to offset inflation by shifting some of our funds." R.W.

A. I have the greatest sympathy for people in your position. Those of us who have worked hard and been thrifty have long seen the real value of our savings diminish as the cost of living has gone up. When your assets and income are fixed, you are vulnerable to further decline in the purchasing power of the dollar.

I think you should protect yourselves to a reasonable degree by shifting $20,000 of savings into relatively secure stocks with income and some prospect for appreciation. I suggest putting this sum into Commercial Credit, Tenneco, American Electric Power and International Harvester.

Q. "I inherited a sum of money and am thinking of buying Giant Yellowknife Mines. What is your opinion of the stock?" R.A.

A. Giant Yellowknife is a rather speculative, relatively small gold mining situation, operating in the Northwest Territories of Canada. To my mind, there are only two reasons for buying this or any other gold stock. The main purpose would be that you believe the price of the metal is going to be raised by our Government, which would bring higher earnings to Yellowknife. The other is the conviction that we are going into a serious depression within the next twelve months. Historically, gold stocks have a tendency to act well in depressions, while other stocks are falling. I am convinced that neither of the foregoing events is at all likely, and I do not advise buying gold stocks at this time.

California March Manufacturing Hits $21 Billion

SAN FRANCISCO — California's manufacturing activity made further strides in March reaching $21.40 billion — a quarter per cent increase in a month and 8.8 per cent gain over the year.

The rise was due primarily to durable goods manufacture.

The Bank of California estimates manufacturing activity by measuring value added in each stage of manufacture at seasonally adjusted annual rates.

Durable goods production jumped .35 per cent in March to $14.35 billion, an annual upswing of 14.4 per cent.

Nondurable goods advanced by .14 per cent to $7.05 billion —a 7.1 per cent step above March, 1966.

A further rise is forecast for the state's April manufacturing activity.

Profit Clinics Set

Mill Valley Chamber of Commerce will sponsor five "profit clinics" starting April 27 at 7:30 p.m. in Room 11, Tamalpais High School. Harold McPherson Jr., management consultant with the Small Business Administration, will conduct the weekly classes.

Mart Loses Early Show Of Strength

NEW YORK (AP) — Gainers outnumbered losers as the stock market closed today but earlier advances were trimmed sharply. Trading was active.

The market had difficulty pushing its advance through the fifth straight session. Profit taking on recent gainers was apparent from the start.

The Dow Jones industrial average dallied with its recovery high reached March 23 but backed away frfom that peak after the first early show of strength had expired.

The market rose from the start and almost reached its recovery high of March 23. The industrial average retreated from just below that peak but still held a gain.

Big Three motors held fractional gains and Chrysler paced the list on volume.

Many stocks stumbled on profit taking but the over-all list held a ratio of about 6 to 5, gainers against losers, trimming an early ratio of about 3 to 1 on the upside.

IBM was up nearly 6 and Du Pont was up about 2 but Eastman Kodak was a 2-point loser.

Analaysts saw the ability of stocks to weather unfavorable first quarter earnings as an omen that much of the bad news had been discounted.

Among the very active issues, Thiokol and Zenith rose more than a point each.

Pan American World Airways was an actively traded loser of more than a point. Eastern Air Lines took a similar loss on lighter trading.

U.S. Gypsum climbed nearly 3. Masonite dropped more than 1.

Prices turned mixed on the American Stock Exchange.

VWR United Has A Record Year

SAN FRANCISCO — VWR United Corp. has announced record results for the fiscal year ended Feb. 28.

Net operating earnings were $2,818,481, or $1.23 per share as compared to $1.13 the prior year. Sales volume for the year rose to $175,472,000 from $150,979,000 in 1966.

VWR United distributes industrial chemicals, laboratory supplies and apparatus through its Van Waters and Rogers division.

It also manufactures flour, grocery products and wheat-based chemicals through the Centennial Mills division and operates a subsidiary, Pacific Resins and Chemicals.

PG&E Names New North Bay Manager

J. Galen Foster, manager of residential sales in Pacific Gas and Electric Co.'s San Francisco headquarters, will become manager of PG&E's six-county North Bay Division on July 1.

The appointment was announced today by Shermer L. Sibley, PG&E president.

Foster will succeed Elias S. Day, who will retire after 44 years of PG&E service. Day has been North Bay Division manager since April 1, 1955.

PG&E's North Bay Division, with headquarters in San Rafael, embraces Marin, Sonoma, Napa, Lake, and Mendocino counties and a portion of Soland County including Vallejo and Benecia.

Born in Watsonville, Foster attended Watsonville High School, San Jose State College and Stanford University, where he received a bachelor of arts degree in economics in 1935.

He joined Coast Counties Gas and Electric Co., a PG&E predecessor, as a meter reader and collector in Watsonville in 1936.

Foster saw service as a gunnery offcier in the Pacific and Indian oceans. Back with the utility in 1946, he was advanced to Antioch-Pittsburg District manager in 1947 and Santa Cruz district manager in 1949. He was named sales manager of the company's Coast Valleys Division, with headquarters in Salinas, in 1959. He was promoted to his present post in 1963.

He and his wife, Elva, and their teen-age son, Ricky, live in Palo Alto. The family will soon move to Marin County.

OTHER PEOPLE'S BUSINESS

By HARRY CRAFT

Empire Paint Co. Is Open For Business On Third Street

Newly opened at 815 Third Street, San Rafael, is **Empire Paint Co.**, distributor for the Benjamin Moore paint line.

Charles Goeppner of Novato and **Don Toomey** of Petaluma are the owners. Both were previously with Sherwin-Williams Co. for many years. Goeppner was formerly manager of the store in San Rafael for about 10 years. Toomey was assistant manager for over two years and four years in other stores.

Empire gives free house inspections and features custom color mixing. Also carried are wallpapers, ladders, masking tapes and other related accessories.

FPMCO., opened at 75 Castro Avenue, San Rafael a few months ago (this company moved to Marin from Santa Rosa), has formed a new sales division, **Food Production Machine Corp.**, which is embarked on a large expansion program. It will set up distributors for food processing machinery all over the United States. **Garnet Featherstone** of San Rafael is president.

JOHN M. SMITH of Tiburon has been appointed manager of a new office of **Homemakers, Inc.** at 942 Market Street, San Francisco. The company provides temporary domestic services to individuals, government agencies, hospitals and business establishments. Smith recently spent time in Joliet, Ill. receiving instruction in all phase of the company's operating and general business procedures.

ROBERT DE FREMERY of Ross has started conducting an eight-week course in money and banking called "The Fundamentals of Money" at College of Marin. It is held Tuesday evenings at 7:30 in Room A of the Student Center.

INSURANCE WOMEN OF MARIN will hold their second organizational meeting at the Bank of Marin conference room tomorrow night at 7:30, at which time a slate of officers will be elected.

TEMELEC RETIREMENT HOMES near the City of Sonoma are being rented out under six-month, one-year and two-year leases and with an option to buy if desired. About 40 homes are available with one, two or three bedrooms. Lessees will have the benefit of all recreation facilities. Manager is on the premises. Many former Marinites have bought here.

OTHER REAL ESTATE. Frank Howard Allen and Co. is now exclusive franchise holder in Marin for **Homerica,** real estate referral firm headquartered in New York. The association is planned to help members' clients moving to other parts of the country and save them time in house-hunting . . . At San Marin in Novato, **Citation Homes** reports being sold out—and **Stoneridge Homes** is almost sold out. . . . **Shelter Bay Apartments** on the Redwood Highway near Richardson Bridge has been purchased by a limited partnership known as the **Shelter Bay Co.**. . . . A three-day educational conference sponsored by the California Real Estate Assn. will be held at the Sheraton-Thunderbolt Hotel near the San Francisco International Airport, May 15-17. Subjects covered will be residential income, commercial and industrial property and financing investment property.

STEVE LIGGETT BEAUTY SUPPLIES, San Rafael, is observing its fifth anniversary May 1 with a "Spring and Summer Hair Fashions Show" at Domenic's Harbor Restaurant at 7 p.m. Popular artist and hair stylist **Salvatore Megna** will be featured. Tickets are by reservation.

Chrysler Dividend

DETROIT — Chrysler Corp. directors have declared a dividend of 50 cents a share on the common stock of the corporation, payable June 1 to shareholders of record May 4.
